Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of DarkVenus and he also sucked out all the energy remaining in her soul and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and

we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Mist Card and Lincoln absorbed the clone of DarkVenus.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair with white streaks, blue eyes, massive fire-colored angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, orange sleeveless strapless top, sapphire blue skirt with Gem-Knight Sardonyx, white bridal gloves, orange knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Sardonyx, she has a fire greatsword, and with her are the sixteen girls.

Lincoln: (GASPS) Serena Sardonyx, Avatar and Gene-Slammer of Gem-Knight Sardonyx.

Serena Sardonyx: That's right, and I got the girls away from the clone of DarkVenus and The Dark Mist Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Mist Card when I sucked out its powers and absorbed the clone of DarkVenus. (To Serena Sardonyx) And it's so good to see you again, Serena.

Serena Sardonyx: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Serena Sardonyx had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When

Serena Sardonyx was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Serena Sardonyx: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Serena Sardonyx's waist and hugged her, and Serena Sardonyx is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Serena Sardonyx: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 40'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Serena Sardonyx, Avatar and Gene-Slammer of Gem-Knight Sardonyx, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sardonyx gems and crystals. She's known as The Sardonyx Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Serena Sardonyx came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sardonyx gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sardonyx gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Serena's parents and her little sister, Sarah, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Serena.

Lincoln with his massive muscular arms still wrapped around Serena Sardonyx's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sarah Sapphire: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Sardonyx with sardonyx crystals on the gold lightning bolts and sardonyx links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Serena Sardonyx: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Serena Sardonyx.

Serena Sardonyx had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Serena Sardonyx's waist, and he leaned down to her face and kissed her on the lips, and with Serena Sardonyx's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Serena Sardonyx had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Serena Sardonyx: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The sixteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the sixteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the sixteen girls are Amy, Miho, Nymph, Vanilla, Hyena, Alvis, Cerberus, Fortune, Maria, Constantia, Bheur, Mighty R, Scathy, and Andvari from Last Origin, Tracey De Santa from Grand Theft Auto V, and Bobbie Sue Jackson from Big Mutha Truckers.

Lincoln: Oh whoa, it's Amy, Miho, Nymph, Vanilla, Hyena, Alvis, Cerberus, Fortune, Maria, Constantia, Bheur, Mighty R, Scathy, and Andvari from Last Origin, Tracey De Santa from Grand Theft Auto V, and Bobbie Sue Jackson from Big Mutha Truckers.

Lincoln: Oh whoa, it's Amy, Miho, Nymph, Vanilla, Hyena, Alvis, Cerberus, Fortune, Maria, Constantia, Bheur, Mighty R, Scathy, and Andvari from Last Origin, Tracey De Santa from Grand Theft Auto V, and Bobbie Sue Jackson from Big Mutha Truckers.

Nicole: Uh oh, Travis and Red were right telling the boys to run and hide, these are voluptuous and sexy girls!

Lincoln: That makes them easy targets for someone who wants to hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Amy: Yes, we're okay, thanks to you.

Then, when Amy and the other fifteen girls saw who it was that saved them from The Dark Mist Card and the clone of DarkVenus, their faces turned atomic red and their noses gushed out blood upon seeing the 40'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights Amy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Miho: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amy, Miho, Nymph, Vanilla, Hyena, Alvis, Cerberus, Fortune, Maria, Constantia, Bheur, Mighty R, Scathy, Andvari, Tracey De Santa, and Bobbie Sue Jackson with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she

has the body of a goddess and large breasts, fair skin, long crimson red hair with orange streaks, red eyes, massive phoenix angel wings, she has on an orange two-piece bikini, and a phoenix sword.

Lincoln: (GASPS) Phoenix Seraphim Hououaira, Queen of The Hououairans of Planet Hououaira.

Nico: The last surviving Hououairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, everyone, this is Phoenix Seraphim Hououaira, Queen of The Hououairans of Planet Hououaira, she's Lincoln's Guardian Angel from Planet Hououaira, a planet of Phoenixes and fire in The Forbidden Zone, she was The Queen of The Hououairans who ruled the planet of Hououaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, and the ability to grow even stronger, but she was also born with angel wings, immense powers over fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Phoenix Seraphim Hououaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of fire, flames, the fires of The Eternal Phoenix, rebirth, resurrection, reincarnation, life nourishment, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Hououairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did, but she knew that it was part of a vision her people had: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them burned to death with the power of Hououaira and the flames of The Eternal Phoenix.

Phoenix Seraphim Hououaira: And I knew Lincoln absorbed the souls of the male Hououairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Phoenix Seraphim Hououaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Phoenix Seraphim Hououaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Phoenix Seraphim Hououaira with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Phoenix Seraphim Hououaira: That's my special gift to him: Hououaira's Blessing of The Immortal Phoenix, and you'll see what it's going to do to him. (Still rubs Lincoln's massive pecs), Aho could've guessed the 11-year-old boy I met long ago would grow up into a 40'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Phoenix Seraphim Hououaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Hououairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Mist Card of all its powers and absorbed the clone of DarkVenus after we took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Serena Sardonyx saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Serena Sardonyx: My God, I was right that Lincoln's really grown into a 40'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Serena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Serena Sardonyx: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Serena Sardonyx: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Lincoln got into The Simulator and it activated, and he found himself in the world of the game Shadow Hearts, and we saw it on the big screen.

Nicole: Whoa, okay, Lincoln, you're in the world of the game Shadow Hearts, which means that your main target is The Meta-God, who's one of The Outer Gods. You need to absorb him and assimilate all his powers and abilities, and this Lovecraftian Cosmic Entity is a big time danger.

Lincoln: I know. Today, The Meta-God's reign of planetary destruction ends here.

Lincoln flew off and he confronts The Meta-God in his citadel.

Meta-God: You dare to get in my way? This planet must be destroyed!

The Meta-God fired blasts of holy magic at him, but Lincoln absorbed them making him stronger than ever.

We were literally stunned, amazed, and struck with total awe at Lincoln's brand-new evolution, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Meta God and he also sucked out all the energy remaining in his soul and The Meta-God was sent to The Black Abys and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Me: Whoa! He did it!

Nico: Nice!

Then, he also absorbed The Author and assimilated his Dark magic, Immortality, Super strength, Resilience, Supreme arcane knowledge, and ability to warp and alter reality, and he also absorbed Astaroth and assimilated his Mind-shattering psychic powers, Mental domination, Possession, Malice projection, Levitation, Teleportation, Super-Strength, Malice-poisoned claws, and Conjuration, along with the other antagonists of that world and assimilated their powers as well.

Eli: Wow. Lincoln really took them all down and absorbed them.

Lincoln exited The Simulator and he holstered his new hulking massive greatsword on his back and powered down.

Me: We saw the whole thing, Lincoln, man, you really went at The Meta-God with everything you got.

Nico: And Phoenix's gift also caused your body to evolve again.

Lincoln: You got that right, her gift caused me to undergo another evolution and rebirth. (Flexes his massive arms and his massive biceps bulged even more with more veins forming) This is still really incredible. (Smirks) And I'm not the only one about to get another evolution.

I saw myself in the mirror, and I was stunned.

Me: Whoa! This is awesome! (Flexes my massive arms and my massive biceps bulged even more with more veins forming) (GROWLS) Oh man, it feels like I've been working out in the gym all my life, and my brain has gotten bigger and I've also grown even smarter. (Smirks) Like what you see, ladies?

My harem could only nod in agreement when they saw me flexing like that, and I got jumped on by my harem and Lincoln got jumped on by my harem and we got kissed all over.

Me and Lincoln: (In Heaven) So worth it...!

We high-fived!

Nico: (Snickers) You two wolf men keep on evolving like that, you're gonna have a lot more ladies coming to you.

Lincoln: (Smirks) We won't be the only ones in the future, Nico, keep in mind.

Nico knew what Lincoln meant: he knew it, one day soon, he'll transform like me and Lincoln and he'll have a lot more ladies coming to him.

We got a shower, and then, Lincoln, Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly are heading to Orange Ocean, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 50'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Venus Butterfly: Wow, we're here in Orange Ocean, it's so beautiful.

Lincoln: You said it, Venus, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Manaphantom.

Anna Anyanova: Uh oh, is that...?!

Lincoln: A clone of Manaphantom, Gwen Tennyson's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Manaphantom and he began absorbing her and assimilating Manaphantom's mana, magic, and dark magic powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Manaphantom, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly are in your harem, Linky.

Fem Vortex, Fem Blast-Off, and Princess Venus Butterfly showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clone of Manaphantom, the hypothetical Akuma of Gwen Tennyson after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into her chest, and I absorbed her and assimilated her magic, mana, and dark magic powers. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still

imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy,

Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

At Anti-Monitor's HQ

Leader held up an injector with a canister of liquid Grimm Blood and he then jabbed it into High Mage's arm, slowly inserting it into the Y'Lyntian. Once the injection was done, High Mage began to let out cries of pure agony as his eyes went from green to black and he struggled roughly.

Leader: Wait for it.

Pretty soon, High Mage ceased struggling and he fell completely motionless

Tim Buktu: Well, we tried. All we can do is burn the body and-

But suddenly, High Mage reawakened and he grunted loudly in a vicious way, struggling in his restraints.

Leader: It's alive!

However, High Mage was able to break out of his arm restraints and the two villains were left shocked by this before Tim Buktu got bashed into the wall by the Y'Lyntian.

Tim Buktu (gets up): Well, fuck!

High Mage started to slowly walk down from the table and he then stumbled around a bit, only to them kneel down weakly

Tim Buktu: Oh for the love of-now what?!

Leader: I tried to tell you all before. It's a side effect of the Gamma, he's burned through his own energy.

Tim Buktu: Then perhaps we should withhold any infusions for a while. Might calm High Mage down a bit. Make him a tad more manageable.

High Mage slightly looked up at them with his black glowing eyes.

High Mage (weakly): Need…blood…

His jaw opened up to reveal a barbed tongue similar to the Reapers who Blade faced before

Leader: Ugly!

Tim Buktu: NO kidding!

With us...

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his

999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our showdown with 2012 Shredder starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Qin: Yep.

Nicole, Thor, Indiana Jones and the Mascots were heading out.

Poromon: We're heading out.

Arkayna: Mind if some of us go with you guys?

Poromon: Sure!

Nicole: Lets go. We're going to Iceland.

Xenia: Lets go.

We were off.

We were flying.

Nico: So what's the Quarry?

Nicoles: It's called the Sword of The Norse Pantheon. It's a weapon of intense power made by the gods and goddesses of the Norse Pantheon themselves. Legends say that it possesses so much power that it can destroy the entire planet 100,000 times.

WE GASPED IN SHOCK!

Me: THAT IS INTENSE!

Xenia: There's no telling what could happen if that weapon falls into the wrong hands!

Varie: Yeah!

Indiana Jones: I know.

We arrived at Mount Snæfellsjökull.

Me: Mount Snæfellsjökull.

Lola: Isn't this the mountain that leads into the center of the Earth?

Me: That's what Jules Vernes depicted.

Lola: Wow!

Emerald Goldenbraid: Are we getting close?

Nicole looked at the map.

Nicole: According to the map, it is in the volcanic crater. And when the High Noon sun reflects off of Scartaris, it will point the way.

We looked at Scartaris and saw the sun reflecting and then..

ZAP!

We saw a beam of light hit something and in the crater we saw it!

Camie: THERE!

Nicole: At last we found it!

We went down and we saw THE SWORD OF THE NORSE PANTHEON!

Qin: WOW!

Thor: Father never said anything about this weapon.

Indiana Jones: I can see why.

Brawl: Who gets it?

Emily Douglas: I will.

Applejack: Be careful sugarcube.

She went over it and grabbed the hilt and she pulled and then she pulled it out! THEN IN A MASSIVE FLASH OF LIGHT EMILY UNDERWENT AN INCREDIBLE TRANSFORMATION!

(ESCAFLOWNE OPENING FOX KIDS EXTENDED PLAYS)

She grew to Applejack's height and her hair grew longer and she had red angel wings appear and she got stronger and she got imbued with the powers of the gods themselves! She got an amazing cutie mark shaped like Texas and with apples and a circle with Viking Runes in it.

When it was done she emerged forever changed.

Me: WHOA!

Qin: Look at Emily!

Me: WOW! How do you feel?

Emily Douglas: I feel amazing!

Me: Look.

I formed a mirror and she saw herself.

Emily Douglas: I look incredible!

Poromon: You guys ever wonder what Anti Monitor's goons do in their free time?

Thor: They're probably planning their vengeance on us.

Prowl: Poromon, with how they're helping Anti Monitor, I don't think any of us are interested about what they do in their free time.

Poromon: You're probably right. I bet it's nothing interesting anyway.

Me: Yeah.

In Anti Monitor's HQ...

Leader and Tim Buktu both winced back by the sight of High Mage's monstrous mouth. He hissed like an animal and rose back to his feet, now seeming more like a vicious beast than a sentient being. The villains backed off as he let out another roar and started walking towards them. High Mage turned towards Tim Buktu, ignoring Leader. Neither villain knew what was coming, and were thus unsure of how to react here, seemingly stunned by High Mage's new form. High Mage grabbed Tim Buktu by the shoulders, and his grip was stronger than Tim expected. He went for Tim Buktu's face, but Tim reacted quickly and dodged just enough to avoid him. Before High Mage could get a bite, the monstrosity suddenly seized by an electric shock delivered by Leader's taser. High Mage screamed and let go of Tim Buktu, who punched the monstrosity back so he could retreat. Leader retreated to Tim Buktu's side. The shock wore off, and High Mage rattled as he recovered.

Tim Buktu: Do you think he's actually trying to-

Leader: Suck out our blood? Sure seems that way!

High Mage easily grabbed the taser and crushed it with a vicious snarl. Without a single second thought, Tim and Leader ran straight out of the lab room and down the corridors with High Mage right behind them, hungry for blood.

Tim Buktu: (to Leader) See if you can hold him off! (runs ahead)

Leader: Wait, what?! Wait for me! (runs after him)

Seeing that his prey had escaped, High Mage turned to the other side of the corridor and began walking down it with his tongue still out to feast. Tim and Leader stopped and panted as soon as they were safe.

Leader: We need to…sound the alarm!

Tim Buktu: Out of the question! Anti Monitor will undoubtedly hold us responsible.

Leader: But…we are!

Tim Buktu: Well, you are mostly. Anyway, his lordship doesn't need to know that. Not if we handle this the right way.

Leader: And what kind of way is that?

Tim Buktu: Use your head, Leader! This ship is crawling with highly trained troops, ready for combat. The moment High Mage attempts to feed, they will neutralise him for us. Problem solved.

Leader: Okay.

Back with us.

Qin: That was amazing.

Emily Douglas: It sure was.

Nico: You should be proud of yourself, Emily.

Emily Douglas: I am.

Nicole: (Senses something) Wait someone is here.

Nicole fired an energy blast and it hit a rock and a figure came out. It was Indiana Jones's enemy IRINA SPALKO!

Indiana Jones: Irina Spalko.

She got up.

Irina Spalko: (Russian Accent) That sword is mine! I will use it to destroy this world and rebuild it in the name of Russia!

Me: I don't think so bitch!

Nico: Finders Keepers Losers Weepers!

Poliwag: I'll lick it so you know it's ours!

Me: EW!

Emily fired a blast of lightning from the blade and it hit Irina and blasted her down.

Thor: Thou starting to let the sword adapt to you.

Emily Douglas: Wow!

She came at us and I punched her in her face!

She got knocked down.

Me: Irina Spalko you are under arrest.

Irina Spalko: NO!

Indiana Jones: Thought you would have learned your lesson the last time after the Crystal Skull.

Irina Spalko: That power should be mine!

Me: You don't want this power.

Emily swung the sword and a bunch of wolves came and pounced on her and held her down.

We slapped the cuffs and tied her up.

Me: There. You aren't worth killing.

Then numerous fireballs came down.

Me: INCOMING!

We ducked and absorbed them!

Nico: Where did they come from?

Me: LOOK!

We saw a Mega Camerupt!

Me: WHOA! Mega Camerupt!

Nico: Where did that come from?!

Me: Must be one of Dark Gale's work.

Leo Corbett: Lets see.

He used Telepathy and gasped!

Leo: It's our sister Niarra!

WE GASPED!

Nico: WHOA!

Me: Lets go help her!

We went over to her.

Leo: Niarra it's us Leo and Mike.

She used Eruption on Horsea but she put her clone in front of her

The clone blasted the fireballs from it with water.

Me: WHOA!

Nico: Nice!

Horsea: COOL!

Me: Yep. Okay then.

I fired waves of water and drenched her.

I snapped my fingers and she reverted back. She was a girl with black hair, purple eyes and had purple butterfly wings and had Mega Camerupt on her forehead and had the Lost Galaxy symbol with a butterfly and vampire bat over it and a Quasar Saber in the middle.

We wrapped her in a blanket and brought her over.

Me: Wonder why she has butterfly wings?

Leo: You'll see shortly.

She woke up to see Horsea's smiling face.

Niarra: (Groans) My head. Huh? A Horsea?

Horsea: You hit my clone!

Maria picked her up.

Leo: Are you alright sis?

Niarra: Mike! Leo!

She hugged them.

Niarra: I thought I would never see you guys again! Trakeena kidnapped me and gave me these butterfly wings!

WE GASPED!

Me: WHOA! We killed her and destroyed her forever!

Nico: How did she do that?

Niarra: She spliced me with them. She was going to brainwash me. But then I felt this poke and everything went black.

Me: You were turned into a Mega Camerupt by Dark Gale.

Niarra: Oh man! They saved me from becoming a dark ranger.

Me: Yeah.

Niarra: I was fighting this weird many armed monster before it happened.

Eli: (GASP) That was Gaaragaara.

Me: He's a Japanese Gingaman Monster.

Niarra: So that was one of the unadapted monsters.

Me: Yep.

Nico: Emma helped kill Trakeena specifically

Emma Goodall: It's true.

Me: Leo's big day kill is going to be Scorpius.

Niarra: I'll gladly help with that.

Poromon: What is your ranger color?

Niarra: I'm the Purple Lost Galaxy Ranger and I have the Vampire Bat Galactabeast. I represent the element of darkness.

Me: Whoa!

Lucy Loud: Wicked.

Nico: Yeah.

Rarity: Lets get you some clothes darling.

The fashion brigade gave her new purple clothes and her morpher and Quasar Saber and Transdagger.

Niarra: I look amazing.

Me: You sure do.

King Dedede: I'm honored to be in the next team.

Kirby: You are gonna do great!

King Dedede: You said it!

Niarra: (GASP)

She hugged Kirby.

Niarra: Kirby is so cute!

Kirby: I sure am!

Me: Yeah.

We laughed!

We returned home.

We were watching TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was our old enemy, 2012 Shredder, he's back from the dead and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crap! We got big trouble!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's our old enemy, 2012 Shredder, he's back from the dead and he wants revenge on us.

EVERYONE GASPED!

Emerald: Oh man, I knew he'd be back!

2012 Leo: But, now it's time we got rid of him for good.

Lincoln: Now, hold on, we'll need to approach this strategically. This'll be like when we went after him two years ago, but Anti-Monitor had put a Monitor Orb in him, so this is going to be tough.

Lincoln made a map of 2012 Shredder's fortress.

Lincoln: Shredder's rebuilt his fortress after Anti-Monitor brought him back, and we all know he's got guards all over the place, and they'll also have traps set up for us, but we're going to be smart about this. First, we'll take to the shadows and take down the Foot Clan ninjas that are lurking all over the place, and if there's Foot-Bots all over the place, I've got just the thing for them.

Lincoln also handed us some miniature EMP bombs to use on them.

Lincoln: If any Foot-Bots get in the way, use the mini-EMP bombs on them. We already have 2012 Shredder's henchmen in The M.O.E., but Alecto Slytherin's going to try and help him with one of our old foes that were resurrected by Morgana Midnight Sparkle ever since Anti-Monitor's appearance.

Lori: We'll have to see who it is first along with dealing with another target.

Lincoln: Right. Then, we'll do our entrance, and drop the main EMP bomb that I gave J.D., which'll disable the technology of The Kraang and the Foot-Bots. In the height of the ensuing chaos, we'll take the fight to the 2012 Shredder, and make him pay for everything he's done.

Nico: And then, when we get to the main fight, we also know what to do. Amazing plan, Lincoln.

Lincoln: Thanks, Nico.

Nico: Alright, team, let's get to New York. This is the final time we ever have to deal with Shredder.

Me: Get ready, Shredder. (Rainbow Eyes turning red) We're coming for you, and you're paying for all of your crimes.

Lincoln: This will be the final time we ever deal with him.

The previous group came.

Ebon: Can me, Overdrive, El Oso, Wrecking Crew, DC Enchantress, Bronze Kneecap, Black Spider, Count Vertigo, Tar Pit, and Cavalier go with you guys?

Bulldozer: Ebon can even open up a portal to where we should go first.

Nico: Good idea and yes you all can come with us.

Qin: We're ready.

Volcana: Nico, which Gene Slammer do you think you'll meet next?

Nico: Water Worm next.

Qin: Creepy crawly.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Nicol Bolas, the Elder Dragon and one of the oldest Planeswalkers and antagonist from Magic: The Gathering, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Nicol Bolas, the Elder Dragon and one of the oldest Planeswalkers and antagonist from Magic: The Gathering, and he's come back for revenge on us again.

Luna: Seriously?! That guy just never learns.

Diana Dexia: This is no doubt Daniel's doing. Well, looks like we'll be taking care of Nicol Bolas for good, Lincoln.

Lincoln: After we get rid of 2012 Shredder once and for all.

Nico: You said a mouthful. Alright, team, let's go, this is the final time we ever have to deal with 2012 Shredder.

Lincoln: It's time we send that monster straight to The Black Abyss for good, and once we get done with him, you're next, Nicol Bolas.

Diana Dexia: My brother made a huge mistake bringing you back from the dead, Nicol Bolas, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to New York to destroy 2012 Shredder and send him to The Black Abyss once and for all, and once we get rid of that damn monster forever, Diana Dexia and Lincoln are going to destroy Nicol Bolas and send him to The Black Abyss after Lincoln absorbs him.

We were off to New York City.

We arrived.

Piledriver: Here we are.

Me::The city that never sleeps.

El Oso: (Spanish accent) Lets call electrocutioner amigos.

Me: Good idea.

We did so.

Electrocutioner: So 2012 Shredder is back for round 2.

Me: Yep you heard right.

2012 Leo: Let's discuss more at our lair.

Chow: Oh, your version of the Sewers. Good idea!

Me: Lead the way.

In Anti Monitor's HQ...

At another part of the building, one of the bodybuilders Lincoln faced in the past was seen walking down the corridors as everything seemed peaceful, but the scene shifted to show that High Mage was waiting behind a left-turn corner with his Reaper mouth wide open. Before the Bodybuilder even knew it, Hhigh Mage appeared from his hiding spot and dragged him to the ground before immediately sucking out his blood, making the bodybuilder scream painfully Meanwhile, Tim Buktu and Leader were making their way through the building to search for High Mage.

Tim Buktu: Once we recover High Mage's' body, we must dispose of it as quickly as possible. No trace of him can be allowed to remain.

Leader: (shudders) His Infected body.

When the two of them looked to the right end of the corridor, they gasped in horror at seeing the dead body of a bodybuilder laying near them. Leader approached the body and kneeled down to check it.

Leader: Gone. Completely drained of blood. (to Tim Buktu): Tell me something, Tim. When you said problem solved, is this even close to what you had in mind?!

Tim Buktu: I don't appreciate your tone, Leader. This brewing catastrophe is hardly my fault

Leader: Well, it certainly isn't mine!

Unknown to them, the dead bodybuilder was getting back up

Tim Buktu: Oh no? You're the mastermind who chose to experiment with Gamma Radiation!

Leader: And you're the monkey wrench who thought it was a good idea to dabble in voodoo!

But then, they heard a chilling growl and saw the bodybuilder they thought was dead now standing up!

Bodybuilder: (Growling) Blood!

His mouth opened up to reveal the same Reaper tongue that the High Mage had! Tim Buktu and Leader gasped horrifyingly and they began backing away.

Tim Buktu: I thought you said he had no pulse!

Leader: The Grimm Blood must be able to bring back the dead!

Tim fired a laser pistol at the zombie vampire but none of the shots were hurting it.

Leader: Aim for the head!

Tim Buktu: What?! How do you know?!

Leader: I saw it in movies! (Tim looks at him) Well, do you have a better idea?!

With that being said, Tim aimed his pistol at the monster's head and fired. However, for some reason, the body was still functioning without the head!

Tim Buktu: You know what?! Fuck the head! Go for the heart!

Tim fired some shots into its' heart, killing it and making the body fall to the floor.

Leader: We severed its link to the Grimm Blood. Note to self: Don't trust everything you see in movies.

Tim Buktu: Noted.

With us...

2012 Mikey: Hey, Ice Cream Kitty!

Bronze Kneecap: Oh, that's right. Emerald told us you have that

Me: Yeah cute fella as always. And Nico don't get any ideas.

Pharaoh Man: Who, Nico? He's too busy preparing a katana he brought with him.

NIco: It's true.

Me: Oh. I know how much he loves ice cream though.

However, Poliwag got close to Ice Cream Kitty with his tongue out.

Me: Poliwag don't even think about it.

Poliwag pouted.

Me: Now, if we're all done wasting time, we're heading out.

Kevin Levin: We haven't even talked about our battle plan yet. Thought you were doine being reckless.

Me: You know what? If you guys aren't going to help me, then just butt out!

Kevin Levin: Geez, how childish can you get?

Me: What did you say?!

Count Vertigo got between Me and Kevin.

Count Vertigo: Both of you calm down!

2012 Splinter: I understand your anger, J.D. After all, me and Saki have a history. And he DID kill me before. But I may know of a way to clear your mind.

Me: I apologize sensei. But I still have residual anger in me.

Kevin absorbed Taydenite from his pocket just in case.

Kevin Levin: Lead the way.

Me: Yes.

We were in Splinter's room

Mokuba: And this helps how exactly?

2012 Splinter: Sparring can help clear the mind of anger. And begin!

Kevin Levin turned his hands into blades as he blocked my strikes. He then tried to push me to the ground.

Me: I shouldn't be wasting time doing this!

Kevin Levin: Then Quit being so stubborn and stop shutting us out! (mocking me) "I don't wanna drag you guys into it", "It's my revenge alone". Quit playing the lone wolf! It doesn't suit you!

Me: You guys aren't like me!

Kevin Levin: Of course they're not! Us all being different is what makes us being together so great! Even me. I went from a criminal to a Plumber. I made my Dad proud. Even got together with Gwen. What about you, huh? Are you some kind of idiot or something?!

Me: (having enough): WHAT THE FUCK DO YOU KNOW?!

I pushed Kevin to the ground and kneeled while crying.

Me: (crying) NICO TOOK EVERYTHING FROM ME! MY LEADERSHIP! MY FRIENDS! THE TEAM! EVERYTHING! VENGEANCE AGAINST SHREDDER, CROCKER, BURNS AND OTHER VILLAINS IS ALL I HAVE NOW!

Nico had a guilty look on his face upon hearing this.

Nico: I had no idea J.D. felt this way...

Deadpool: If it makes you feel better, the bad guys just caused a mess that benefits us.

Nico: (surprised) Really?

Deadpool: Yep. Trust me. All this will be worth it by the end of the day.

In Anti Monitor's HQ

High Mage was currently walking his way through the building's corridors slowly while hissing menacingly.

High Mage (growling) Blood…

With Leader and Tim Buktu, they were once again walking through the halls to try and fix their zombie vampire problem.

Leader: If the mutation can be passed along with a single bite, everyone in the building is at risk!

Tim Buktu (gets scared): Are you saying…High Mage could make more zombie vampire followers?!

Leader: It's possible. And the resulting feeding frenzy could kill us before Team Loud Phoenix Storm gets their chance. So NOW can we sound the alarm?!

Just then, the two of them stopped walking when they noticed a group of bodybuilders standing in front of them.

Tim Buktu: You there. Have you noticed any unusual activity…

The bodybuilders turned and revealed their Reaper mouths as the two baddies grew very scared.

Tim Buktu: In…this…sector?

The undead Bodybulders started slowly walking towards the two with their Reaper mouths out and they screamed out in fear before running away. When they came up to a side turn, Tim quickly ran to the right side as Leader quickly did the same after he went the other way. As they kept running, the villains came to a quick halt as they saw some more undead bodybuilders slowly stalking towards them like zombies in a horror movie, causing them to run back the way they came down. Eventually, Tim spotted an open door to a nearby communication room.

Tim Buktu: Quick! In here!

They jumped right into the room, causing the door to close behind them.

Tim Buktu: Whew

* * *

Back with us I blocked a strike.

Kevin then saw something on my neck.

Kevin: Wait J.D. hold still.

He flipped me over and pulled something off my neck.

I got a nasty and terrible headache.

Me: (Groans) What the fuck happened?

Kevin: This was on you.

He showed a chip.

Me: What in the 9 fucking levels of hell is that?

Kevin: It's a Rage Transmitter.

Me: Hmm. Who would put that on me?

Qin: Weird.

I looked at the chip and saw that it had the symbol of Wertz on it!

Me: Wertz! He must've slipped it on me when we sent him into the Warp back then.

Qin: Why that sneaky little!

Cavalier: Nico, where are you going?

Nico: I'm probably the last person J.D. wants to see at the moment. I'll be outside

Me: Nico wait!

I went over to him.

Nico: Why?

Me: This was on me. A Rage Transmitter. Wertz put this on me. I never meant any of what I said.

Nico: Why that sneaky little douchebag!

Me: I Never even knew it was on me. In fact I never even felt anything. It must've been set to activate for this day.

Nico: You're probably right.

Kevin Levin: What about me? Don't I get any credit? I just said some heartwarming things.

Me: Yes you do and thanks Kevin.

Kevin: You're welcome.

2012 Mikey: I actually like that you sound like me.

Kevin Levin: Do I really?

Jamesdean5842: Well yes Greg Cipes voices Kevin, 2012 Mikey, Beast Boy, Chiro and many others.

Beast Boy: Wow that is cool!

Qin: It sure is.

Emerald Goldenbraid: J.D, I hope you're not pissed at me. You really got bad luck on my days to shine.

Me: Absolutely not Emerald. In fact this happens when I least expect it.

Nico: DemiDevimon injects you and then this happens. Weird.

Qin: I know.

Nico: But why would Wertz did this?

Me: To probably get me to kill you and reclaim my position as leader.

Nico: Well it's not going to work.

2012 Raph: Hey, while you were letting out your feelings, check out what we brought!

We saw the pizza tanks

Me: Pizza tanks! WOW!

Qin: Just like in the Robot Chicken Sketch.

Lola: Yeah! That was awesome!

Emerald Goldenbraid: I'll never forget using those.

Me: Yeah!

Kevin Levin: Those are awesome.

Me: Cool. By the way Kevin have you seen this kind of technology before with a Rage Chip?

Kevin Levin: I have actually. Many times before.

Me: Wow.

Nico got inside a pizza tank.

Nico: We could use these to feed the hungry.

Me: Good idea.

Nico: Here J.D.

He fired a pizza and gave it to me.

I caught it.

Me: I am hungry.

I ate it.

We all got some pizzas.

Me: (Eating) Mmm!

?: That pizza smells great.

We saw a purple alicorn Centaurette girl.

Me: WHOA! An Alicorn Centaurette. Who are you?

Jewelstorm Mystic: Jewelstorm Mystic.

Me: Wow!

Lincoln: Whoa! The Hypothetical Akuma of Emerald Goldenbraid and she is a powerful Alicorn Centaurette and has intense power over the elements and all magic. She is both good and bad. Good because she is always there for her friends and helps them all including everyone she cars about. Bad because she was made because of Necrafa destroying so many people all over the world.

Me: Whoa man. That's awful. And I'm glad we destroyed Necrafa forever.

Jewelstorm Mystic: I'm glad too.

Princess Celestia: We never saw an Alicorn Centaurette before.

Yang: My akuma was one. But she had no horn on her head and had fire demon wings.

Nico: Big difference.

Chompy Mage: Hold on. Let us get out of our pizza tanks first

Jewelstorm Mystic: Oh yes of course.

They got out.

Me: It's a darn shame there aren't any centaurs and centaurettes in Equestria. Except for Tirek.

Tirek: Except I'm actually more demonic. So that makes me qualified as a centaur.

Me: That is true.

Jewelstorm Mystic: I know.

Emerald Goldenbraid: I look absolutely beautiful as an Alicorn Centaurette. What can you do?

Jewelstorm Mystic: Well I have the strength and land tilling powers of Earth Ponies as well as nature magic, the magic and powers of unicorns and I have the weather control and flight and speed of a pegasus! I also have the appetites of humans too. My power is as strong as all the powers of all the ponies in Equestria combined.

WE GASPED!

Me: WHOA! That is impressive.

Sunny Starscout: All those in one? That is so amazing!

Sunset Shimmer: It sure is!

Tar Pit: Emerald? Is that you?

Jewelstorm Mystic: Yes it's me.

Me: I take it you are here for Necrafa?

Jewelstorm Mystic: Yes. But I heard you guys destroyed her. Thank you.

Electrocutioner: You're welcome. Will you calm down please?

Jewelstorm Mystic: Yes after you beat me.

Me: Okay then.

She fired a beam of magic and I dodged it.

I fired lightning blasts and they hit her and knocked her down.

Electrocutioner fired waves of lightning and electrocuted her.

Jewelstorm Mystic: My turn.

She fired waves of energy and nature and we fired waves of energy and blasted her.

Jewelstorm Mystic: I surrender.

Me: Wow that was intense.

Flywheels: Shall we head to where 2012 Shredder is?

Poromon: We shall! (gets into a pizza tank)

In Anti Monitor's HQ...

Tim Buktu and Leader took a moment to catch their breath from the terrifying experience they went through.

Tim Buktu: Samuel. This situation might be a bit more dire than any of us ever imagined.

Leader: Mmm, I find it rather ironic that after battling heroes all these years even before Team Loud Phoenix Storm, getting smacked down, shot at, blown up, sent to the Warp, hit with techniques, and even farted on, this is how our lights go out?

Tim Buktu: Having our precious blood devoured by a horde of undead cannibalistic monsters. (smiles sincerely) If this is indeed the end, if we are to become zombie vampire food, it's been an honor serving Anti Monitor alongside you.

Leader: (smiles back at him) You know what? I feel the same way. And at least it's better then the fates Team Loud Phoenix Storm always give our fellow villains

There was an extremely long moment of awkward silence between the two villains as they all looked away for a bit.

Tim Buktu: Mm-hmm. Well then…

Leader: Should be going...

They soon exited the room and they cautiously walked their way around in search of any vampire zombies. But then, they bumped into something large and gasped in shock when they saw it was Anti Monitor

Anti Monitor: Would either of you like to tell me what exactly is going on?!

Tim Buktu: Eh, yes. Absolutely nothing, my liege.

Leader: All is quiet. Too quiet. You might even say it's dull.

Anti Monitor: Funny. Because my one Monitor Orb has been pulsing. And I know Knudson is too focused on vengeance at the moment to do anything to disrupt it.

Tim Buktu: Allow me to handle this.

He then smirked evilly at Leader before saying the following:

Tim Buktu: It's Leader's fault!

Leader: Precisely, my-WHAT?

Tim Buktu: He infused the High Mage with a cocktail comprised of Grimm Blood and Gamma Radiation! Creating a monstrous mutation which is now on the verge of turning everyone in the building into mindless blood sucking vampire zombies!

Leader: WHY YOU LITTLE LIAR!

Anti Monitor: I do know what kind of game you've pulled Leader into playing along with, Tim Buktu. But if I learn that you have been dabbling with my Grimm Blood stores, attempting to infuse yourself with it's formidable power…

As Anti Monitor kept talking, Tim and Leader noticed an undead bodybuilder walking up to him from behind.

Tim Buktu: (gets scared) Um…my liege?

Anti Monitor: Let's just say that your punishment will make what Knudson is doing to 2012 Shredder look like a messed up room!

But then, he heard the undead bodybuilder growl behind him.

Bodybuilder: Blood! (brings out Reaper tongue)

Anti Monitor You there, what are you doing? I order you! Stand down!

The undead Bodybuilder snarled in response and charged at Anti Monitor. But Anti-Monitor extends a palm and fires a projectile through its' chest, killing it. Anti Monitor then turned his attention back to Tim Buktu and Leader.

Tim Buktu: We did try to tell you.

Leader: What he said.

Anti Monitor growled loudly in annoyance. This was heard by us.

We heard him.

Nico: Was that Anti Monitor?

Lincoln: Ha! Looks like all those defeats is pissing him off!

Deadpool: No. That's because of something else. Trust me. Why don't we head on out with our pizza tanks?

Me: Good idea.

Qin: Yeah!

We got into the pizza tanks and we were off.

We were driving.

Black Spider: Wake me up when we're there

We arrived at the fortress of 2012 Shredder.

Me: Target Sighted.

Lincoln: Okay, deploy the miniature EMP bombs.

We then fired the miniature EMP bombs and they disabled 2012 Shredder's fortress along with the technology of The Kraang, and the Foot-Bots.

Me: Got them.

Nico: Just like two years ago.

?: STINKOLN! WE'LL KILL YOU AND THOSE LOSERS FOR EXTINGUISHING OUR FLAMES!

Lori: Oh Hell no, don't tell me...!

Suddenly, we saw colored flames heading for us, and when they landed, they were none other than the evil flames of the Dark Sides of The Louds.

Lincoln: Figures, our old enemies, the evil flames of our Dark Sides.

Me: Figures those hotheads would be involved. So, Alecto Slytherin sent you bastards right to 2012 Shredder to help him get rid of us?

Red Flame Lynn: (BELCHES IN MY FACE) YEAH! WHAT OF IT, HAIRY ASS WOLF?!

Me: Oh, that's a good one! Look who's talking, Belchy McFarty!

Red Flame Lynn: WHAT THE FUCK DID YOU JUST SAY, MOTHERFUCKER!

Me: You heard me you sporty ass twit!

Nico: Do you kiss your mother with that mouth of yours or use it to wipe her ass?!

Orange Flame Lincoln: Lynn, heel!

Red Flame Lynn was on all fours and barking like a dog at Orange Flame Lincoln threatening him.

Yellow Flame Luan: Wow, I knew you were a bitch, Lynn, literally, but not figuratively! (LAUGHS)

Me: Ha ha ha very funny!

Pink Flame Lola: YOU WILL ALL BURN FOR PUTTING US OUT!

Lola: Says you, ugly.

Pink Flame Lola: WHAT DID YOU JUST SAY!?

Lola: You heard me. (Slo-Mo Voice) UGLY!

THAT SET HER OFF!

Pink Flame Lola: I'LL KILL YOU!

Orange Flame Lincoln: Lola, shut up!

Pink Flame Lola: YOU SHUT UP!

Me: How about you both shut the fuck up!

Then, they started arguing and saying shut up to each other until they got into a massive fight cloud!

Lincoln: How about all of you just shut the Hell up!

Suddenly, the embedded large colored gems, The Infinity Stones, The Heart of The Universe, The Elemental Gems, The Seal of Harmony, and The Elements of Harmony of Sunny Starscout and her friends on Lincoln's massive greatsword started glowing, and began sucking the dark side flames of The Louds into the greatsword, and Lincoln acquired their colored flame powers and absorbed their negative energy and gained a massive power boost.

Lincoln: That should do it.

Lincoln holstered his massive greatsword on his back.

Luna: Nice work, bro.

Lincoln: Thanks, Luna.

Zilius Zox: Let's use the pizza tanks on Shredder's men over there

Me: Good idea.

We fired them and they screamed in pain from the scalding hot cheese!

Me: Nice!

We blasted them left and right.

We heard 2012 Shredder in his building, but there was another in there as we heard the sounds of screams and curses at us: it was none other than Alecto Slytherin!

Me: Shredder's waiting for us, and Alecto's cursing at us.

Nico: Now, it's time we put an end to Shredder for good, but let's keep Alecto here, I want him to see what's going to happen to him if he dares to try and fuck with us again.

Now, I will make absolutely sure that you pay for all of your crimes in full with your own blood!

I went after 2012 Shredder, and I fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at 2012 Shredder, and they exploded with incredible power as they hit him!

I also attacked him with my massive greatsword, and I mixed up my attacks with left hand punches, kicks, and whips from my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and I let Fenrir attack him too.

2012 Shredder lost it and charged at me, but I blocked his attack with my massive greatsword, and to our surprise, his claws broke when they hit my massive greatsword's blade!

Then, I also went wild on him by slashing him hard with my gold-armored dragon claws leaving scars on him. Then, I held out my left hand and fired ten massive balls of fire at 2012 Shredder, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Dondozo fired blasts of energy and lightning and blasted him.

I kicked his helmet off and his face was UG-LY!

Nico: YEAH!

Me: I've had enough of you to last an eternity!

Just then, 2012 Shredder laughed insanely.

2012 Shredder: Oh, of course you have! Because that's just your response to us villains, isn't it? And how has that worked out for you? You went behind Nico's back to destroy the people og Quahog. But you wasted resources and and Nico found out anyway! And let's not forget during the 20 Days of Darkness, you allowed the Digimon Emperor to possess Nico. All you had to was pull him out. But you didn't because you want to let Nico deal with him himself! And because of that, Burns and his cohorts were freed! You think you're entitled to everything just because you're powerful, but that isn't enough! You can't just be strong, you have to be smart! You can't just be deserving, you have to be worthy! But all you have ever been, is a fucking migrane!

Poromon: Well, J.D.'s bound to get angrier now.

Me: SHUT THE FUCK UP! Your mind games have no power over me.

Nico: (to Deadpool) I really hope you're right about the bad guys making a mess that benefits us, Deadpool. I really do.

Deadpool: They are! Trust me!

In Anti Monitor's HQ...

Ultron: You two better hope we're able to live through this so we can each carry out our respective plans.

Anti Monitor: Agreed, Ultron. But why can't I command the monster to follow my bidding?

Leader: While the trace of Grimm Blood should have granted you control over these ghouls, I believe the Gamma component may be corrupting your link to them.

Anti Monitor: (to Ultron) Initiate high alert! Instruct all troops to keep their distance from the mutations and terminate on sight! Make sure the other members of Team Buktu are also stationed on the front lines!

Ultron: Will do!

Anti Monitor: (to Tim Buktu and Leader) Your fate however, remains to be seen.

The two in question look at each other nervously.

Anti Monitor: (growls angrily) Why are you still here?!

Not wanting to face Anti Monitor's wrath, the two villains immediately ran away from the main deck.

Anti Monitor: Find this creation of yours and eradicate it, immediately!

In Anti Monitor's HQ...

Tim Buktu and Leader were walking through the halls in search of High Mage

Leader: I realize Anti Monitor's only doing this to punish us. But, how are we the best choice to hunt down the High Mage? Why not send in one of our more powerful members, like Megatron?

Tim Buktu: Out of the question! Can you imagine if Megatron got infected? With how powerful he is, nothing could stop him.

Meanwhile, a squad of Zentinels, Putties, Putrids, Hidiacs, Chillers, and X Borgs were shooting at the zombie vampire bodybuidlers in front of them from a safe distance before the rest of Team Buktu ran in. Scott laughed evilly while throwing a bomb that destroyed some of the vampire zombies.

Scott: How do you like that?!

Iron Monger shot a missile at some of ther vampire zombies, killing most of them.

Iron Monger: Keep at it! Remember, Anti Monitor wants these abominations destroyed!

Evil Sasuke threw a fireball that incinerated most of the zombie vampires.

Evil Sasuke: How am I supposed to kill that motherfucking cur Knudson if these vermin spread their infection?!

Evil Jimmy fired a laser blast at the zombie vampires, killing most of them.

Evil Jimmy: The answer's simple: we kill all of them to stop the infection from spreading!

High Mage: (growls) Blood!

Leader: Remember, shoot him through the chest!

Tim Buktu: No need to tell me twice!

They got out their laser pistols and fired at his chest. But High Mage was too fast and punched Leader, knocking him into a wall before crushing his laser pistol. Then he threw Tim at Leader before crushing his laser pistol too.

Tim Buktu: I honestly was being sincere earlier.

Leader: I knew that. Despite you throwing me under the bus!

As the High Mage got ready to drain their blood, they closed their eyes, waiting for the end. But just then…

?: Black Hole Break!

A black hole ripped through the High Mage's chest, making him fall to the ground. Leader and Tim saw that it was Evolt who did the attack. The High Mage looked at Evolt weakly.

High Mage: (starts dying) Thank…you…

He took his last breath and closed his eyes. Evolt looked at the now dead High Mage before turning to Leader and Tim Buktu.

Evolt: Anti Monitor said you two idiots were responsible for this. Care to explain?

Leader and Tim Buktu: Uhhh (POINTS AT EACH OTHER) IT WAS HIS FAULT!

We cheered as we holstered our weapons and powered down, and we went to the gym at Lynn's Table.

Nico: And that is the end of 2012 Shredder for good.

Me: Now, my vendetta has been settled for good. But I still have Cyber Shredder and Ch'Rell to deal with.

Lincoln: Now, all we have to worry about is Ch'Rell in the future, and we'll make absolutely sure that he gets what he deserves as well.

Now, there's one last thing to do and one last loose end to tie up: Nicol Bolas.

We turn our attention to Nicol Bolas who's still trying to get out, but couldn't.

Nicol Bolas: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Nicol Bolas' chest and he began absorbing him and assimilated Nicol Bolas' Telepathy and Mind-reading, Mind-control, Memory manipulation, Teleportation, Interplanetary travel, Power nullification, Spellcasting, Extensive magical knowledge, Superhuman intellect, Fire breathing, Flight, Immense size and Strength, Nigh-invulnerability absorbed by his True Invulnerability, Regeneration, and Immortality, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back,

nothing was left of Nicol Bolas and he also sucked out all the energy remaining in his soul and Nicol Bolas was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Diana Dexia's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Diana Dexia: It's over for you, Nicol Bolas, and to this we say good riddance. Thanks for helping me get rid of Nicol Bolas, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Diana.

Me and Nico: Our pleasure, Diana.

Suddenly, Diana Dexia wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Diana Dexia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Diana Dexia sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Diana Dexia: And that's it for my brother's contingency plan, but his other cronies are still out there.

Me: That's for sure, but we'll take care of them as well and piss off Alecto Slytherin even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Seraphinite.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Seraphinite.

Catherine Diamantis: There's only one person who matches this: Seras Seraphinite, Avatar and Gene-Slammer of Gem-Knight Seraphinite, and you guys are going to love her, Seras Seraphinite, Avatar and Gene-Slammer of Gem-Knight Seraphinite, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Seraphinite gems and crystals. She's known as The Seraphinite Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Seras Seraphinite came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of seraphinite gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of seraphinite gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Seras' parents and her little sister, Serena, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Serena lost her parents, and her sister, Sarah, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying

innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Atomic Skull: And that's the end of that.

Riddler: (to me) Riddle me this: Is your vengeance against 2012 Shredder finally over?

Shade: I hope it is.

Me: Yes it is.

Riddler: Great! I'm glad.

Grundy: Grundy want pizza now!

Heatwave: We can eat from the tanks. I'll heat them up

Me: Good idea.

Qin: Yeah!

Nico: Great job today everyone!

Me: Yeah!

2012 Leo: (To the viewers) Thank goodness that's over.

Xenia: No kidding.

We had good pizza and We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, Oroku Saki is finally gone!

Anna Anyanova: And another Mysticon has had her big day. So far, Zarya, Piper, and Emerald have done their big days. Now, Arkayna is the last Mysticon to have her big day, and no doubt it's against our old enemy, Nene.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln in an orange speedo and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out

in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Mist Card, but tomorrow, I got a feeling we're going to take on the dark version of The Storm Card, this thing caused a lot of trouble for Sakura with that storm, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

At Anti Monitor's HQ...

Anti Monitor and his present minions stood at the main deck as he was discussing the aftermath of the vampire zombie infestation. Currently, he was speaking to Banno through the communication terminal

Anti Monitor: Yes, the containment protocol you recommended to prevent any further outbreak is now underway. Oh, and Banno? Having just lost more then half of our bodybuilder army, I cannot stress enough the importance of the Akuma clones. See if you can speed things along, will you?

When he ended the communication, Anti Monitor turned his attention to Leader and Tim Buktu behind him.

Anti Monitor: Leader. need I remind you that as one off our geniuses, you report directly to Banno, not Tim Buktu.

Leader: Understood, master.

Anti Monitor: Just to be sure, from now on, you'll be working with Banno on any future experiments. Including ones involving Gamma Radiation.

Leader: As you wish, my liege

Anti Monitor: (to Tim Buktu) And as for you!

Tim Buktu: (sighs) You know what? Go ahead and beat me up. I guess I SHOULD take responsibility for my actions. But I know you can't kill me.

Anti Monitor: You're right about that. And I WAS going to inflict physical punishment. But I just thought of a punishment I think you'll enjoy.

Tim Buktu: Really?

Anti Monitor: Remember the individual I was talking to before you interrupted me earlier? Well, now I'll have to speed up the timetable of the plans involving him. And you and your team are going to help him.

Tim Buktu: Who IS this person exactly?

Anti Monitor chuckled as a Boom Tube opened up. Coming out was the Ultimate enemy of the Justice League

Leader: (shocked) Darkseid?!

Darkseid: Let's make something clear. I'm only cooperating with you to get the Anti Life Equation and to achieve our mutual goals of conquering the Multiverse and destroying Team Loud Phoenix Storm. After that, we will cease contact with each other immediately.

Anti Monitor: But of course. Is the Crime Syndicate awaiting my signal?

Darkseid: They are ready to act when needed.

Anti Monitor: Excellent. If we can't make Team Loud Phoenix Storm look bad on their world, we'll just do that on another one!

Darkseid smirked evilly at this.

UH OH!

MASTER VILE COMING FOR REVENGE

MASTER VILE HAS COME FOR REVENGE

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw an aqua blue planet of water and mermaids in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior Mermaid Angels who were not only natural born fighters, but had immense powers over water, the powers of the mermaids times infinity, all marine life, and an incredibly divine voice that hypnotizes criminals and forces them to do their bidding, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Mermaidaira, an aqua blue water planet of water and mermaids in The Forbidden Zone that was inhabited by powerful warrior Mermaid

Angels called The Mermaidairans, the males were not only natural born fighters, but had immense powers over water, the powers of the mermaids times infinity, all marine life, and an incredibly divine voice that hypnotizes criminals and forces them to do their bidding, and were given incredible powers, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Mermaidairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Mermaidairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln: That vision really is that powerful.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Mermaidaira once inhabited by The Mermaidairans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar and lunar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive underwater city with smaller cities connecting the main city and it was an awesome water planet.

Lincoln landed on the planet and he dived right in and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Mermaidaira, this is so awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Mermaidaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with an aqua blue gem surrounded by mermaids and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of aqua blue souls came out numbering in the septillions: they were the septillions of souls of the ancient male Mermaid Angels of Planet Mermaidaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male Mermaid Angels of Planet Mermaidaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense powers over water, the powers of the mermaids times infinity, all marine life, assimilated their incredible divine voice that hypnotizes criminals and forces them to do their bidding, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and aqua blue aura with mermaids and water surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their immense powers over water, the powers of the mermaids times infinity, all marine life, and incredibly divine voice that hypnotizes criminals and forces them to do their bidding, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Mermaidaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Mermaidaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Mermaidaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he

pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male Mermaid Angels of Planet Mermaidaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Uh oh, looks like someone's now really REALLY aroused.

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?!

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: I remember Planet Mermaidaira all too well, I have gone there before, and the Mermaidairans were honorable warriors, and their city is just like Atlantis and Atlantica combined.

Me: Wow, so there was a planet of Mermaid Angels in The Forbidden Zone as well, that's incredible!

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That's right, J.D.

Lincoln: And Lincoln 2 told me they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Mermaidairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

King Kai: (Telepathically) I've been looking into this vision, and Eli's right, eons ago, The Infernairans launched an all-out genocide against the planets in The Forbidden Zone, it was one of the biggest and most horrific genocides ever, but the inhabitants of The Planets of The Forbidden Zone all had that vision: the vision of The Reincarnation of Amaterasu, Lincoln Loud, coming to absorb the souls of the male warrior angels of these planets, absorb the planets and the cores, and their Suns into his body to preserve their legacy.

Nico: That's really incredible.

King Kai: (Telepathically) And there's something I need to show you guys.

King Kai projected a screen, and we saw what'd happened in the Anti Monitor's HQ in the Keyblade Graveyard, we saw everything, and when it was done, we were horrified.

Nico: I can't believe this, so Darkseid has allied with Anti-Monitor.

Me: I knew he would come back, and he still wants to find The Anti-Life Equation and get revenge on me, but I'm not the same man who killed him all those years ago.

Lincoln: That's right, and we're gonna need to create more of the weapon you used to destroy him, we're in for a big war against Darkseid in the future, and now, we know what happened to The High Mage: he was taken and experimented on by Leader who used Gamma Radiation on him, but Tim Buktu added in Grimm blood in the experiment and it turned The High Mage into a bloodthirsty vampire.

Aligned Knock-Out: This was just like the time Starscream from our world introduced Dark Energon into my Synthetic Energon formula, it turned him into a mindless Energon sucking vampire.

Aligned Megatron: We wiped the infected out and Silas who was in Breakdown's body was killed by Airachnid when he freed her.

Lincoln: I also know why I hadn't seen those bodybuilders I faced years ago, they joined with Anti-Monitor. But, thanks to Tim Buktu's stupidity, there aren't that much bodybuilders left that I faced before.

Melanie Martinez: Yep. Plus, we also found out, he's making clones of the Akumas that Marinette and the others faced.

Marinette: He's using Alecto Slytherin's idea of the clones of the Hypothetical Akumas, if he finds out about this, he's gonna head down to his lair and cause another bloodbath, but with Darkseid there, it looks like he's gonna back off for now.

Lincoln: I hadn't forgotten his face after we killed Shredder yesterday, it was epic.

FLASHBACK TO YESTERDAY

The sight of us killing 2012 Shredder set Alecto Slytherin off big time as he finally broke out of the barrier and charged at us.

Alecto Slytherin: YOU...! WHAT THE FUCK DID YOU DO?!

Me: (Smirks and crossed my arms across my chest) Simple, we ended Shredder's life and saved New York from his hatred and stopped another one of your little schemes.

Lincoln: (Smirks and crosses his arms across his chest) You're too late, Alecto. Shredder's gone and your latest scheme to kill us by sending our Evil Flames after us backfired, and once all The Dark Clow Cards have been taken care of, it's only a matter of time before we destroy you for good.

This royally pissed off Alecto Slytherin.

Alecto Slytherin: (GROWLS) DAMN YOU! DAMN YOU ALL! I WILL KILL YOU ALL AND AVENGE MY ANCESTOR! ALL OF HUMANITY WILL DIE AND HIS WORK WILL BE FULFILLED!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his enormous massive white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and heavenly lights shined down as the sun burned brighter.

Lincoln: (Divine Heavenly Godly Voice) You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, and you saw that not even the darkness of Hell will protect you from us.

Me: That's right, you crossed too many lines for the last time, you piece of shit.

Nico: Now, we're going to make sure you all pay for what you've done.

Lincoln: (Divine Heavenly Godly Voice) That's for sure. Now, leave, Alecto Slytherin, return back to the shadows where you belong!

Alecto Slytherin let out a scream of rage as he turned back into a black mist and flew back to the shadows and Lincoln came back down.

FLASHBACK ENDS

King Kai: (Telepathically) That guy is the literal definition of a snake. Oh, and I found out that the Universe 666 Sergio that came with the Universe 666 Sancho and The Party Pigeons, that was actually a clone created by Sergio.

Nico: WHAT!?

Lincoln: He's right, Vypra told me that Universe 666 Sergio's in The M.O.E. After his time in prison since we defeated him and Universe 666 Carl Casagrande last year, he's reflected on his actions and he was transferred to The M.O.E. on a prison release program Vypra's introduced, and he's a much better replacement than the chaos-causing Party Throwing troublemaking repulsive feather duster of the Prime Universe.

Ronnie Anne: Wait, Abuela told me about that. She got Universe 666 Sergio in, and so far, he's much more behaved than Sergio.

We saw Universe 666 Sergio sleeping in his cage.

Me: That's good.

Penny Parrot: Looking back, I was in over my head about trying to get Sergio to behave, he was born bad and nothing but trouble.

Ronnie Anne: In a big way. Hey, what about Universe 666 Carl?

Lincoln showed us through a one-way viewing mirror that he hasn't changed, and he wants payback on us.

Lincoln: Yeah, that con artist isn't gonna change.

Poliwag: If that muttonhead tries to break out, I'm gonna knock his block off with one slap of the tail and I'll drench him in hot water and I'll lace his underwear with hot sauce.

Poromon: Keep those violent thoughts to yourself, Pudding Head.

Poliwag: RUFF! RUFF!

Poromon: Why you...!

Lincoln: Oh, for pity's sake.

LOUD CRUNCH!

LINCOLN CRACKED HIS KNUCKLES!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

ED AND THE MASCOTS WERE RUNNING AROUND LIKE HEADLESS CHICKENS AND WE WERE LAUGHING HYSTERICALLY!

Nico: That gag still cracks me up!

Me: You said a mouthful. Ooh, and guys, today's Star and Marco's wedding!

Lincoln: Wow, we better get ready for the wedding and quickly.

Me: Yep.

Aurico woke up in his room which was full of water and fish and he saw Kyogre staring at him.

Kyogre: Morning Aurico! Time for breakfast.

Aurico: Be right there.

He went and got dressed and went to the table.

Me: Morning Aurico. Ready for action?

Aurico: Always ready.

We had pancakes and eggs.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mina Loveberry, and she wants revenge on us again!

Nico: What the?! That was Mina Loveberry!

Lincoln: I was wondering why we hadn't seen her around, and it looks like she's planning to attack us during the reception!

Me: Why, that dirty monster!

Marco: Lincoln told us what's up. I can't believe Mina Loveberry's come back for more and is planning to attack us during the reception.

Star Butterfly: Looks like we're gonna be in for a battle.

Lincoln: We are, but you two, this is your big day, and we're not letting Mina ruin it. Alright, guys, now let's finish breakfast and get dressed. We got a wedding to attend, and a wedding crasher to kill.

Venus Butterfly: Mina Loveberry is done for, this is where she dies once and for all.

We finished breakfast, and we got dressed and headed out to the church to celebrate Star and Marco's long awaited wedding, but we're also going to help Flaming Marshmallow unlock her Rainbow Power and kill Mina Loveberry who's come to attack us during the reception.

Qin: I'm excited for this.

Lola: Me too. After everything Star and Marco have been through together they earned this.

Xenia: I agree there. Also Applejack is busy getting apples for the reception. She'll be along soon.

Camie: Okay.

Nico: Dark Necrobat, I want to thank you, Unkar Plutt, and your teams for coming

Dark Necrobat: Wouldn't miss this for anything.

King Dedede: Me neither.

Nico: Dedede, remember when we fought you the first time?

King Dedede: I sure do. You sent me to the Pluto Prison.

Me: Yeah that was awesome. Also that was fun.

Kirby: It sure was. Before many of my enemies came I was fighting Dedede for a long time.

Nicole: For over 34 years. Since 1990.

King Dedede: It's true and that was good times.

* * *

Earlier Applejack and Apple Bloom were getting the apples ready for the cider and pies.

Apple Bloom: I'm really excited for this.

Applejack: Me too sugarcube.

Suddenly there was a rumble!

LOUD RUMBLE!

Applejack: WHAT IN TARNATION!?

They went outside and saw MANY OF THE APPLE TREES DESTROYED AND SUCKED INTO THE GROUND!

Apple Bloom: OH MAN!

Applejack: OH NO! THEY ARE BACK!

She thought the Vampire Fruit Bats were back for more!

Applejack: I got to get to Canterlot and fast!

Kirby: But deep down, Dedede's a good guy

King Dedede: That is true.

Waddle Dee: Yes Majesty is.

Qin: Yep.

Adelaide: That is for sure. And he is a good friend.

Adelaide Chang: I think so too.

Me: Man yesterday was intense! And Nico I'm really sorry about what I said about you. I never meant any of it.

Poromon: Sure about that?

Me: I am sure.

Eli: He is better now.

Me: Curse that Wertz! If I ever see him again I'm I'm going to turn him into more than an inside out sausage! I'm going to rip out his intestines, shove them so far down his throat and then rip out of heart and testicles and shove them so far up his ass that he'll be pooping and peeing blood and then rip out his brain and make him eat it before I SHOVE HIM INTO A FOOD PROCESSOR AND TURN HIM INTO HUMAN HAMBURGERS ON THE GRILL!

Sebastian Mendez: (JAW DROPS TO THE FLOOR!) (DOES WILD TAKES GALORE AND FREAKS OUT AND DOES ALL KINDS OF CRAZY SCREAMS OF CARTOON CHAOS!) MAMA, NO! (TURNS GREEN IN THE FACE) (RUNS TO THE DUMPSTER AND THROWS UP!)

Me: Oops.

Sebastian Mendez: That is sadistic! But I like it!

Nico: Me too!

Ed Cowart: He had it coming for pulling that stunt!

Me: Yeah!

Nico: J.D.'s back to normal all right.

Selena Mendez: (LAUGHS) I missed seeing those reactions from you bro.

Sebastian Mendez: Me too sis.

Me: That was funny though.

Maria: I'm just glad you settled your vendetta and that 2012 Shredder is dead

Me: Me too. We still have Utrom Shredder and Cyber Shredder to deal with. But not for a while.

2003 Mikey: And you guys all Shredded the Shredder!

Me: You bet we did! 2 versions of him.

Nico: Yeah! And your new transformation proved to be too much for them both.

Jewelstorm Mystic: I appeared too and everyone though I looked awesome. Everyone and everypony.

Twilight Sparkle: I was amazed myself too.

Emerald Goldenbraid: I looked really cool myself as an Alicorn Centaurette.

Jewelstorm Mystic: I agree there.

Nico: But why do I get the feeling that something else was happening at the same time?

Eli: I sensed it. Something was happening at Anti-Monitor's base and it involved the High Mage. Wade do you know?

Deadpool: Uh I don't know.

Nico: (Telepathically to King Kai) King Kai can you hear me?

King Kai: Loud and clear Nico.

Nico: Hey, King Kai. Can you tell us if anything happened at Anti Monitor's base?

King Kai: Actually I heard the whole thing going on. What was going on wasn't good but it was really funny seeing all that happen to them.

Me: What went down that got you so riled up?

King Kai: Well you guys are in for a shock.

He went and told us everything.

Me: Wait Samuel Sterns A.K.A. Leader was responsible for High Mage disappearing?

Nico: So, let me understand this. Leader was experimenting on High Mage the last few days?

King Kai: That's right.

Me: And he was using Grimm Blood on him!? That's fucking insane! Excuse my language in here.

Nico: Man he was really playing around with fire there!

King Kai: Actually, Leader was against using Grimm Blood. It was Tim Buktu that pressured him into doing so

Me: Tim Buktu really was that stupid!

Ben: Yeah no kidding!

Eli: That explains why I felt a huge disturbance in the Force yesterday.

Deadpool: And why the last chapter of this story had scenes skip to them.

Nico: And that resulted in High Mage turning into a vampire zombie?!

King Kai: Yeah it was not a pretty sight! They had those ugly Reaper mouths and everything!

Qin: GEEZ!

Cameron: And Scott, the Last Evil Sasuke and Albedo's former teammates destroyed them!?

Iron Man: Wow! Wasn't expecting that.

King Kai: Yeah and as punishment, Anti-Monitor sent them to another world to launch another smear campaign against you in another world.

WE GASPED!

King Kai: And nearly all the bodybuilders that Lincoln faced in the past are nearly depleted

Me: At least that dwindled his supply of Bodybuilders quite significantly.

King Kai: Indeed. You better be ready for what they have in store in that world they are going to. It can't be good.

Me: We will.

King Kai: Oh, and Banno is making an army of Akuma clones, Specifically, the Akumas you faced the first time.

WE GASPED AGAIN!

Me: WHOA! We better be ready for them too.

Lincoln: All the more Akumas for us to suck up.

Qin: Yep.

Nico: Thanks King Kai.

King Kai: Anytime. Tell Star and Marco congratulations.

Me: We will.

Lincoln: Okay, guys, we're in for one explosive fight, we're here in the church for Star and Marco's long awaited wedding, and we're also here to help Flaming Marshmallow unlock her Rainbow Power and kill Mina Loveberry who's come to attack us during the reception.

We had all of TLPS and The MOE with us.

Me: This will be good.

Later it was time for the wedding to start.

Nico: Where's Applejack?

Me: Oh she'll be here soon. She's getting apples ready for the pies and desserts for the reception.

Nico: Okay.

Shining Armor was crying and he was crying hysterically.

Princess Cadance: He always gets like this.

Me: He gets really choked up at weddings.

Flurry Heart: Yeah Daddy is like this. But it's usually not till the wedding starts.

Me: I can see that.

Later the wedding march began and Star came in dressed in a magniicent Butterfly Wedding Dress and she had her wings spread.

Me: Wow! Star looks so gorgeous in her dress.

Marco: She sure does.

Me: Marco you are one of the luckiest guys we know.

Nico: You sure are.

The wedding began.

Princess Celestia: Dearly beloved, we are gathered here today to join in the union and holy matrimony between Princess Star Butterfly and Marco Diaz. If there is any objections as to why these two should not be married, speak now or forever hold your peace.

Cosmo: Uhhh...

Wanda: (Threateningly) Talk and I'll kill you.

He shut up.

They said their vows and they gave the rings.

Princess Celestia: By the power invested in me and under the light of the sun and the love of the grace of God and all that is holy I now pronounce you husband and wife. You may kiss the bride.

They did so and they were married!

Princess Celestia: May I present Mr. And Mrs. Diaz Butterfly!

WE ALL CHEERED WILDLY FOR THEM!

Poromon: YAY!

Qin: We're so happy for you both.

Star: Thanks guys.

Me: Yeah!

Then Applejack came in! Frantic and sweating like crazy!

Me: Applejack what's wrong!?

Applejack: We have a Sweet Apple Acres code red emergency! They are back!

Me: Uh oh!

We went over there and fast!

When we got there we saw the trees all destroyed! Except for the Zap Apple Trees!

All the trees were destroyed and mauled and some were sucked into the ground!

Me: OH MY GOD!

Twilight Sparkle: Was this the work of the Vampire Fruit Bats?

Applejack: Yes it was!

Me: I dont think the Vampire Fruit Bats did this. This looks like the work of something under the ground.

Nico: Is it graboids?

Me: No we destroyed all those remember?

Nico: Oh right.

Qin: This is something bigger. Graboids wouldn't cause damage like this to an entire orchard.

Applejack: You're right on that.

Green Arrow heard a Pokemon cry.

Green Arrow: Look guys.

We saw a Mega Decidueye!

Me: Whoa a Mega Decidueye!

Nico: Perfect for you Ollie.

Green Arrow: I agree.

Mega Decidueye: I saw what did this. It was a giant worm monster!

Me: WHOA!

Green Arrow: Here.

He gave him apples.

Mega Decidueye: Thanks.

He ate them.

Green Arrow: Want to come with me?

Mega Decidueye: Sure!

Me: Awesome.

Poromon: YAY!

Me: And I know how to get our worm monster to come.

Poromon: How? It must be long gone by now.

I pulled out a thumper.

Nico: What's that?

Me: It's a Thumper. I saw this on the 2022 movie Dune. It works really well.

Nico: Oh wow!

2003 Donnie: I don't think this is an ordinary worm monster

Me: Well it has to be a worm monster. What else could it be?

Nico: Go for it.

I stuck it into the ground and activated it.

Eli concentrated.

Ymir: Is it coming?

Me: Give it time.

Then there was a loud rumble and we saw something!

Out of the ground came DRILLER WORM! A huge and spiky sand-brown worm-like monster with the large round maw with five triangle-shaped flap-like fanged jaws shaped into star when opened, and when closed, they look like a huge drill. Inside of its mouth was two-three sets of sharp teeth. It slithers like a snake and moved in spiraling manner like a worm.

WE GASPED!

Nico: Driller Worm!

Shanan: Oh man! It's an Obsidomian Dreadworm. They come from the planet Obsidios and they are deadly worms that have INTENSELY RAVENOUS appetites. They are as big as the sandworms from Dune. They are vegetarian worms and eat all forms of vegetables.

Me: WHOA MAN!

THUNDERSTRIKE!

Lightning came off of Driller Worm too!

Me: Just like the worms from the 1984 movie! They had lightning come off them too!

2003 Mikey screamed like a little girl

2012 Mikey screamed like one too!

Ed: Lets dance!

Ed turned into Edzilla!

Edzilla: ED SMASH WORM!

Nico punched it!

Applejack: I WILL SMASH THIS WORM FOR EATING MY ORCHARD!

Applejack punched it and smashed it all over!

I teleported and kicked it down!

Me: CHAKRA CAGE RESTRAINT!

I trapped it in a cage!

I took an injector and injected the serum into her! She reverted back.

She was a girl with brownish red hair and brown eyes.

We wrapped her in a blanket.

Me: Whoa that was intense.

Applejack threw her hat on the ground in rage!

Applejack: I WILL SMASH THIS VARMINT LIKE A TENDER STEAK!

Lincoln held her back!

Me: Applejack calm down! Let me do this.

I used my powers and made all the apple trees all grow back and stronger then ever.

Me: There.

Applejack: Ah thank you. But I'm still gonna pummel her!

Lincoln: A.J. Calm down.

Edzilla: ED IS STRONGEST THERE IS!

Me: YEAH!

She woke up.

Girl: (Groans) What hit me? Why does my mouth taste like dirt and apples?

Me: Are you okay?

Girl: I think so.

Me: It's hard to explain. What's your name?

Rhonda Terrastar: Oh I'm Rhonda Terrastar.

Me: Wait your family is known for being rich for mining emeralds and diamonds and gold.

Rhonda Terrastar: That's right.

Me: Also you destroyed Applejack's orchard and destroyed all her trees.

Shanan: Because you were turned into an Obsidomian Dreadworm.

She showed a hologram of it.

Rhonda Terrastar: (GASP) Oh man! I ate all of Applejack's orchard!? (LOUD BELCH) Oh sorry.

Applejack: Do you understand what you did?!

Lincoln: Applejack calm down! It wasn't her fault!

Sydney: Yeah when she was like this she had no control.

Rhonda Terrastar: It's true. Besides I couldn't control myself.

Sydney: It's true and I know the feeling.

Me: Yeah. Rhonda were you kidnapped by the Shredder?

Rhonda Terrastar: Yes I was.

Me: That wasn't the REAL Shredder. That was the Utrom Shredder. We killed the REAL Shredder and the 2012 versions yesterday. Long story.

Rhonda Terrastar: Oh man.

Sydney: Do you remember me?

Rhonda Terrastar: I sure do Sydney. Is the High Mage...

Me: Yeah he is dead. But we weren't the ones that did him in this time.

Qin: Really ugly story.

Star Butterfly: Yeah.

Me: We'll explain later.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red and brown clothes.

Rhonda Terrastar: I look amazing.

Me: You sure do. Also I grew Applejack's entire orchard back. But if I were you I would stay away from her for a while. She is more pissed off than a cow stampede stung by a swarm of angry hornets.

Andy: Sorry.

Rocky: Yeah.

Rhonda Terrastar: I can see that.

Qin: Yeah.

Me: Just give Applejack some time. She'll cool off.

Apple Bloom: Yes she will.

Emily Douglas: Mom will come around.

Me: Yep.

Rhonda Terrastar: Okay. Also why are you guys dressed nice?

Me: Oh it's Star and Marco's wedding today. Also we're getting ready for a battle coming up shortly. You'll see soon.

Sakura Knudson: Yeah. Also Dark Gale Pokemon should be coming too.

Nico: Any minute now.

Lola: Like right now! Look!

We saw a Mega Gengar and a Mega Castform!

Me: WHOA! Mega Gengar and Mega Castform!

Qin: Right on cue.

Nico: Whoa!

Philip: Lets see.

He used Telepathy and gasped!

Philip: That Mega Gengar is Naomi and the Mega Castform is Wendy!

Shotaro: More of our sisters!

Me: How many family members do you have?

Philip: A lot of them!

Me: Lets go.

We went over to them.

Shotaro: Wendy, Naomi it's all right. It's us Philip and Shotaro.

Mega Castform used Weather Ball on Horsea but she put her clone in front of her.

The ball hit it and it exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOMMMM!

She was knocked out!

Mega Gengar used Shadow Ball and it hit May and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM!

May was badly burned!

May: Ouch.

Manaphy: MAMA!

Me: WHOA! That had to hurt!

Qin: OUCH!

Me: Okay then.

We fired waves of energy and blasted them.

I snapped my fingers and they reverted back. Naomi was a girl with dark purple hair and purple eyes and black angel wings and had Mega Gengar on her forehead and the symbol of the Nightmare Memory with the W symbol on her arm as a cutie mark.

Wendy had yellow hair and blue eyes and had Rainbow Angel Wings and had Mega Castform on her forehead and the symbol of the Weather Memory with the W symbol on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: WHOA!

They woke up to see Horsea's smiling face and Manaphy's angry glare.

Naomi Hidari: (Groans) Huh? Manaphy and Horsea?

Horsea: You attacked my clone!

Manaphy: And you hurt mama! Shame on you!

They picked them up.

Wendy Hidari: Sorry. What happened?

Shotaro: You okay girls?

Wendy Hidari: Bros!

They hugged them!

Naomi Hidari: We're glad you're okay.

Wendy Hidari: Same here!

Philip: We're glad too.

Me: You both were turned into Mega Castform and Mega Gengar by dark gale.

Wendy Hidari: Oh man! We were battling the Explosion Dopant and the Invisible Dopant when that happened.

Naomi Hidari: Yeah those two put up a fight. The Explosion Dopant blew up lots of cars.

Me: That one is one we never faced before.

Nuju: Yeah no kidding there.

Manaphy: Shame on you!

May: Manaphy she said sorry.

Manaphy: Oh right.

Poromon: What are your Rider forms?

Naomi Hidari: I am Kamen Rider Nightmare. I use the powers of the Nightmare Memory.

Wendy Hidari: I am Kamen Rider Weather. I use he powers of the Weather Memory. I can control the weather.

She moved her hand and formed a thunderstorm over May's head and it drenched her in rain and crackled with lightning.

Me: Whoa that is cool!

May: Very funny...

Naomi Hidari: I have the power to bring your worst fears to life. Look.

She formed a ball of darkness and it formed into THE THING! It was The Dog Kennel Monster!

Me: WHAT THE FUCKING HELL!?

I fired a wave of fire and it incinerated it!

Me: WHOA! That is scary! But that is really cool!

Kate Lloyd: That is really impressive!

Poromon: Geez!

Me: No kidding.

Fluttershy: That was scary!

Lincoln formed a clone and hugged Fluttershy.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes.

Naomi's were black and purple and she had a nightmare scythe and was given her Rider Belt.

Wendy's were white and she had a weather sword and had been given her Rider Belt.

Wendy Hidari: We look amazing.

Naomi HIdari: We sure do.

Me: Yep. Also we're kind of in the middle of a wedding and battle here. Star and Marco here got married here just now and we're going after one of their enemies.

Naomi Hidari: Oh wow! Congratulations to you both.

Star: Thanks!

Me: We got to get back to Canterlot now.

Nico: Sorry about that.

Me: Lets get a move on.

Lincoln: (Sensed for Mina Loveberry) AHA! Gotcha, I just spotted Mina Loveberry, she's heading for the church to attack, but it appears she's fighting someone, and this one's overflowing with pure hate on the level of The Orichalcos.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see a black-haired male with red eyes full of hatred, he was dressed in black clothes, and he had The Orichalcos symbol on his forehead and he's fighting Mina Loveberry and trying to kill her.

Lincoln: Figures, the next of Dartz' conspirators is none other than Adrian Aristeros.

Allie Aristeros: So, she's fighting my younger brother.

Nico: Right, time to clean this mess up.

We then took off to get rid of Mina Loveberry and send her to The Black Abyss, but before we do, we're getting rid of Adrian Aristeros first.

We were flying, and we saw Mina Loveberry fighting Adrian Aristeros in the Canterlot Square, one of the ten conspirators who helped Dartz in his plan to unleash The Orichalcos 10,000 years ago.

Zoe Weather: There's that evil monster, Mina Loveberry.

Hercules Weather: And she's fighting Adrian Aristeros, one of the ten conspirators who helped Dartz in his plan to unleash The Orichalcos 10,000 years ago.

Lincoln fired a blast of Orichalcos Darkness at Adrian Aristeros and it hit him, and then, Lincoln began sucking out all of Adrian Aristeros' excessive negative energy and hatred along with all of Adrian Aristeros' powers of The Orichalcos and his powers of Orichalcos Aristeros and it flowed into Lincoln as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, Lincoln also began sucking out Adrian Aristeros' soul. Then, as soon as Lincoln was done, Adrian Aristeros was left as a desiccated husk who had the life sucked out of him, and Lincoln sucked out all the remaining energy of Adrian Aristeros' soul and banished him to The Black Abyss forever.

Zoe Weatherly fired an energy blast at Mina Loveberry that hit her in the stomach, and Hercules Weatherly punched her hard in the face!

Hercules Weatherly: That's for stabbing Marco in the stomach and for everything you've done, you psycho.

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

You would spend your whole life shinin'

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

I hadn't seen that scene in eight years!

Nico: (SHUDDERS) I hoped never to see that again!

Vypra: Oh! Okay, that's just nasty!

Varie: Whenever The Louds get into an argument, it always winds up getting physical!

Then, when The Loud Family was done, Mina Loveberry was an absolute mess: Lanaia, Lori, Shane, and Leni tore her hair off, Luna smashed her head in with cymbals, Lynn, Shelby, Shiloh, and Lincoln smashed her teeth out of her mouth, broke her arms and legs, Laney, Lee, Lyra, and Liberty punched her in the nose, Lucy scratched her with her claws, Lana and Lola bit off her left leg, Lisa sliced her arms with a scalpel, Lily hit her in the head with Lynn's baseball bat, Samuel, Albert, Lynn Sr., Rita, Sharon, and Lance gouged her eyes out.

IT WAS AN UTTER ATROCITY!

Varie: OH! OH MAN, THAT IS HORRENDOUS!

Nico: JESUS! YOU GUYS REALLY TORE HER APART! MARIA, YOU BETTER SEE THIS!

Maria: And what are we looking at...? (HORRIFIED WHEN SHE SEES THE SIGHT) MAMA NO! (TURNS GREEN IN THE FACE)

MARIA BARFS IN A TRASHCAN!

Maria: DID YOU GUYS REALLY DO THAT TO MINA LOVEBERRY?! THAT'S DISGUSTING! Actually, she actually looks better beaten up like that, she looks like a woman from a Picasso painting. BADA BING!

Caleb Maxwell: Picasso Painting?! Seriously?! They absolutely beat her to the point of death! And I thought our Lola Loud-Style beatdown on MegaDarknessBagramon was horrific!

Mina Loveberry: (In Serious Pain) Please..., help...!

Then...!

SLASH! SQUELCH!

Lincoln beheads her and she explodes in rainbow fire and is sent to The Black Abyss! We cheered as we holstered our weapons and powered down.

Nico: And that is it for you, Mina Loveberry.

Zoe Weather: May you burn in The Black Abyss forever, you delusional psycho!

Hercules Weather: Now, we are finally rid of that delusional monster from Solaria.

Lincoln: The last threat to The Kingdom of Mewni has been exterminated forever, now peace can finally flourish for Mewni.

Nico: How's that for your first fight as husband and wife?

Marco: How do we put this?

Star: THAT WAS THE BEST FIGHT WE'VE HAD!

WE CHEERED FOR THEM!

We went to Lynn's Table for the Reception

Me: That was so fun.

Qin: It sure was.

Camie: Yeah we sure kicked butt!

Laney: YEAH!

Nico: Nice job Mega Decidueye.

Mega Decidueye: Thanks! That was fun.

Poromon: Want some beer?

Mega Decidueye: Oh no thanks. I can't have beer. I break out in ugly hives and it gives me explosive diarrhea.

Nico: Okay TMI!

Mega Decidueye: Sorry.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Mega Decidueye: Nice try pipsqueak.

Poliwag: HEY! I'm not a pipsqueak!

Me: Funny.

Star Butterfly: Yeah.

Bonnie: We destroyed many of Star's enemies and the dimensions are all free.

Me: Yep. Toffee and Mina are gone and dead.

May: I'm doing something later

Me: What is it?

May: It's a surprise.

Qin: Ooh okay.

Nico: Oh Dark Necrobat, what do you like to do in your free time?

Dark Necrobat: Oh I care for bats and nocturnal animals at the zoo. It's fun.

Qin: Awesome.

Lola: I agree.

Lana: Awesome too.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Aurico.

Aurico: Another Me? Interesting.

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of the Anothers is The Avatar of The Storm Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: WHOA! Look!

We saw a thunderstorm forming.

Lincoln: It's her alright.

Me: So we got Another Unkar Plutt, K, Z and L, Jormungandr, Palladium, Gasmist Swimmer, Flea Mutant and Toxic Puffer.

Nico: Yep and Dark Necrobat, King Dedede, Kirby, Unhappy Girl, Goddess of the Third Eye, Magician of Faith and Wingweaver are up.

Kirby: Hai!

Qin: YEAH!

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're the last of the bodybuilders from the past that Lincoln faced and they number in the septillions!

Melanie Martinez: The last of the bodybuilders whom Lincoln had beaten in the past have finally arrived.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into the last septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone.

Then, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

And my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another K, Z and L, Jormungandr, Palladium, Gasmist Swimmer, Flea Mutant and Toxic Puffer.

Qin: There they are!

Nico: Didn't I say that?

Me: But this will be fun.

Another Jormungandr: (In a girls voice) It sure will guys!

Joey Wheeler: Wait it is them!

They reverted back and were twin girls with black hair and red eyes. They were the gene-slammers of Red-Eyes Zombie Dragon and Red-Eyes Darkness Dragon!

Serenity Wheeler: Janna and Jessie!

She went and hugged them!

Janna Wheeler: Good to see you Serenity and hey your eyes are all better! We're glad.

Serenity Wheeler: It was thanks to Joey.

Me: That was long ago.

Nico: It's great to see you girls.

Jessie Wheeler: You too Nico.

Me: Your cousin has come a long way on his travels.

Janna Wheeler: We can see that.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Jessie Wheeler: Friendly and one of them is making a great storm.

THUNDERCLAP!

Me: WHOA! We can see that.

Qin: Nice!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for backup! (TURNS DIAL) ROCKS OF MAYHEM!

She summoned Golem Monster (Winx Club), Falkon, Dr. Warpnik, Rock Gothlington, Rocky (Kirby) and Baron Rock.

Qin: YEAH!

Nico: And now we wait.

THUNDERCLAP!

Me: A Storm is coming!

Then the doors bursted open and a tornado came in. In came Another Unkar Plutt and Aurico!

Me: WHOA! What an entrance.

Qin: Yeah!

Another Unkar Plutt: (In a girls voice) It sure was.

She reverted back and it was the Avatar of the Storm Card!

Lincoln: Stormy Storm!

Stormy Storm: Good to see you Lincoln.

Lincoln: Same here.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Stormy Storm, Avatar of The Storm Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of the storms, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Storm Clow Card, and the magic of Clow Reed. She's The Storm Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Stormy Storm is a master of the powers of The Storm Clow Card and she's a powerful master of the storms and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Stormy Storm came to Royal Woods where she met Lincoln, and she taught him how to master the powers of the storms, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Storm Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of the storms, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Storm Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by summoning a powerful storm and they got blown away and sent back to their rooms.

Me: WHOA! Powerful.

Xenia: A True force of nature.

Camie: Yeah no kidding.

Ymir: Awesome.

Stormy Storm: Yep.

Nico: And your friend?

Another Aurico: Someone who is proud of her brother.

Aurico: (GASP) That voice.

She reverted back and was a girl with purple hair and blue eyes and had purple clothes and had purple angel wings and clothes.

Aurico: ORCRUS!

He went over to her and hugged her.

Orcrus: I'm glad you're okay bro.

Aurico: Me too.

Me: Your sister no doubt. Is she a ranger like you Aurico?

Aurico: She sure is.

Orcrus: I'm the purple Aquitar ranger.

Me: WHOA! That is cool!

Orion: Wow!

Me: It's a darn shame there are not that many purple rangers.

Lola: Yeah.

Kaito: (gets out Dairanger gear) Did Swartz promise you anything?

Zocks: (gets out Kakuranger gear) Because we can grant it instead.

They got weapons from said teams.

Stormy Storm: No he didn't. I used my powers to blow the lab all over the place in a massive hurricane and we ran.

Sakura Knudosn: That explains why there was a huge storm there.

Me: Powerful.

Nico: Yep.

Lana: HEY!

Lana saw Zig trying to eat Marina again!

Lana grabbed him and smashed him all over!

SMASH SMASH SMASH SMASH!

Lana: Don't even think about it Hyena breath!

She threw him and smashed him into the Flip Clone!

Me: WHOA! Nice one. Haven't seen that happen in a while.

Stormy Storm: I love Zig and Sharko and it's so funny.

Me: It sure is! Never get tired of that.

Marina: I know. Thanks Lana.

Lana: No problem.

Ymir: Who is who?

Me: Zig is a hyena with a ravenous appetite and he believes that eating Marina who is a mermaid will make him full forever. Sharko is a great white shark with a heart of gold and protects Marina from Zig.

Ymir: Oh I get it. Geez he doesn't stop does he.

Me: Nope.

Lana: He's that persistant.

Marina: Yes he is.

Me: Zig even did all kinds of crazy low down dirty tactics to eat her. He is that crafty.

Lana: Yep.

Zig went at Marina while posing as a pizza delivery man.

Me: Oh no you don't!

I teleported and grabbed him and threw him into the clones of Hawk and Hank!

Me: Nice try. See what I mean?

Ymir: I sure do.

Sougo (gets out Dairanger Ridewatch): You're from Aquitar too, right?

Geiz (gets out Alien Ridewatch): Does that mean you need water as well?

Sougo got RyuRangerArmor while Geiz got AlienRedArmor.

Orcrus: (Wheezing) Yes.

Maria: Here.

She fired waves of water and rehydrated her.

Orcrus: Ahh thank you.

Maria: When the Aquitar rangers first joined us I had to help rehydrate them to keep them full of energy. They are like fish and everyone knows fish can't live out of water.

Orcrus: You're right on that.

Qin: Yeah.

Me: Lets separate you girls first.

We did so.

Me: Lets do it!

Nico: (Gets out Unkar Plutt's Watch) IT'S MINE!

May: (Gets out Jormungandr's ridewatch) THIS IS THE WORLD SNAKE!

Universe 666 May: (Gets out Palladium's ridewatch) This is the element Tony used on his Arc Drive before Vibranium.

Maria: (Gets out Flea Mutant's ridewatch) I AM GOING TO ITCH YOU TO DEATH!

King Dedede: (Gets out K, Z and L's ridewatch) TIME FOR SOME SMASHING DEATH!

They used the powers of Unkar Plutt, K, Z and L, Jormungandr, Palladium, Gasmist Swimmer, Flea Mutant and Toxic Puffer and smashed the anothers all over!

Poromon: YEAH!

Then Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar, Demon Thunder, Wendell Bender, Elephant Zombie (Resident Evil), Cranky Doodle and Person Man came.

Me: WHOA!

Qin: WOW! Nice team Zombo!

Zombo: Thanks!

Pinkie Pie: Wait Mr. Cranky Doodle!? You are now in the M.O.E.?

Cranky Doodle: It's better pay.

Me: I can see that. But I know you always cranky but try not to give Vypra too many headaches.

Cranky Doodle: I'll try not to.

Me: Good. Wait Wendell Bender!?

Wendell Bender: Yep and it's going to be good to rip your teeth out J.D.

Me: I'll bite your fingers off before you do that.

Horsea: What about my teeth?

Wendell Bender:...can't see them.

He went to grab for my teeth but then...

CRUNCH!

I BIT HIS ENTIRE HAND CLEAR OFF HIS ARM!

HE SCREAMED IN AGONY AND BLOOD POUR OUT OF THE STUB OF HIS ARM!

Me: (SPITS) Blech! Your blood tastes like rotten used dental floss!

Nico: Really?

Me: I now have the same powers Lincoln does and I know how blood tastes.

Nico: YUCK!

Qin: Gross.

?: That is disgusting.

A Water Worm came.

Me: WHOA! Water Worm from MTG!

Nico: NICE!

Qin: SCARY!

Water Worm: (In a girls voice) I know.

Nico: Mina Glaucus Atlanticus! Whoa!

She reverted back.

Mina Glaucus Atlanticus: Good to see you Nico. I got this.

She fired waves of water and drenched the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Mina Glaucus Atlanticus: Thanks!

Me: Wait Mina your last and middle names are for the Blue Sea Dragon Sea Slug. That's one of the most beautiful Sea Slugs in the world.

Mina Glaucus Atlanticus: It sure is and it's also my cutie mark too because I love studying about marine life.

Nico: Yep.

Heidi: That is really awesome.

King Dedede: Do you have any good memories of Nico?

Mina Glaucus Atlanticus: I sure do. When me and Nico were at the aquarium and we saw a bunch of my favorite sea slugs. The Blue Sea Dragon. I got to see what my namesake creature was. Also I discovered there that I have the ability to talk and communicate with fish.

Aquaman: Like how I can.

Mina Glaucus Atlanticus: Exactly.

Qin: Yep. She has an amazing power. But she doesn't eat any fish at all. No meat neither.

Jared: Like me.

Mina Glaucus Atlanticus: Yep.

Nico: Yeah.

They hugged.

Nico: I've missed you.

Mina Glaucus Atlanticus: Same here.

Me: Awesome. Star, Marco, did you two have the most fun ever?

Star: We sure did! HUGS!

She hugged me!

Star and Marco hugged me.

Me: Glad you both had so much fun.

We later went back home.

Lincoln: Ah, we're here in Catatomba, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're here to take down the clone of StormSeiryudramon who has The Dark Storm Card in his hands, and once I suck out the powers of The Dark Storm Card, I'm going to absorb the clone of StormSeiryudramon.

Dark Necrobat: I have a feeling it's not gonna be easy.

Lincoln: No, it's not, it's in the hands of the clone of StormSeiryudramon, and I still remember when we faced him on Glaren when we went after Aku. While J.D. distracted him, I appeared behind him and sank my fangs into him and sucked him dry of all his immense powers over dragons, lightning, water, and the power to destroy entire planets.

We got a move-on, and then, we spotted our target: the clone of StormSeiryudramon and Lincoln fired an energy blast that hit her that forced The Dark Storm Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Storm Card and he began sucking out all its storm powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Storm Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Storm Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Storm Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of StormSeiryudramon.

We turned to the clone of StormSeiryudramon who roared at us and fired blasts of lightning and water, but Lincoln absorbed them and he got another supercharged power boost.

Lincoln: Hah! Nice try! Alright, let's get him.

Robin Hood went after the clone of StormSeiryudramon, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at him that transformed into many arrows with leaves surrounding them and he got hit all over the place.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of StormSeiryudramon and he also sucked out all the energy remaining in his soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Storm Card and Lincoln absorbed the clone of StormSeiryudramon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long green hair, blue eyes, massive green angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, green sleeveless strapless top, green skirt with Gem-Knight Seraphinite, white bridal gloves, green knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Seraphinite, she has a light greatsword, and with her are the eight girls.

Lincoln: (GASPS) Seras Seraphinite, Avatar and Gene-Slammer of Gem-Knight Seraphinite.

Serena Sardonyx: That's right, and I got the girls away from the clone of StormSeiryudramon and The Dark Storm Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Storm Card when I sucked out its powers and absorbed the clone of StormSeiryudramon. (To Seras Seraphinite) And it's so good to see you again, Seras.

Seras Seraphinite: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Seras Seraphinite had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Seras Seraphinite was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Seras Seraphinite: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Seras Seraphinite's waist and hugged her, and Seras Seraphinite is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Seras Seraphinite: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 50'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Seras Seraphinite, Avatar and Gene-Slammer of Gem-Knight Seraphinite, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Seraphinite gems and crystals. She's known as The Seraphinite Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Seras Seraphinite came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of seraphinite gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of seraphinite gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Seras' parents and her little sister, Serena, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Seras.

Lincoln with his massive muscular arms still wrapped around Seras Seraphinite's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Seras Seraphinite: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Seras Seraphinite with Seraphinite crystals on the gold lightning bolts and Seraphinite links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Seras Seraphinite: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Seras Seraphinite.

Seras Seraphinite had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Seras Seraphinite's waist, and he leaned down to her face and kissed her on the lips, and with Seras Seraphinite's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Seras Seraphinite had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Seras Seraphinite: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The eight girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eight girls are Miso Ho'ney, Funky Nefertiti, Trudy Uprights, Chastity, Sgt. Peppa, Kitty Pousoix, and Mary and Kate Holsom from Duke Nukem Forever.

Lincoln: Oh whoa, it's Miso Ho'ney, Funky Nefertiti, Trudy Uprights, Chastity, Sgt. Peppa, Kitty Pousoix, and Mary and Kate Holsom from Duke Nukem Forever.

Nicole: Uh oh, Travis and Red were right telling the boys to run and hide, they're sexy girls!

Lincoln: That makes them easy targets for someone who wants to hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Amy: Yes, we're okay, thanks to you.

Then, when Amy and the other seven girls saw who it was that saved them from The Dark Storm Card and the clone of StormSeiryudramon, their faces turned atomic red and their noses gushed out blood upon seeing the 50'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and Miso Ho'ney: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chastity: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miso Ho'ney, Funky Nefertiti, Trudy Uprights, Chastity, Sgt. Peppa, Kitty Pousoix, and Mary and Kate Holsom with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, long ocean blue hair with aqua blue streaks, aqua blue eyes, massive blue angel wings, she has on an aqua blue two-piece bikini, and a water greatsword.

Lincoln: (GASPS) Merista Mermaidaira, Queen of The Mermaidairans of Planet Mermaidaira.

Nico: The last surviving Mermaidairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, everyone, this is Merista Mermaidaira, Queen of The Mermaidairans of Planet Mermaidaira, she's Lincoln's Guardian Angel from Planet Mermaidaira, a planet of water and mermaids in The Forbidden Zone, she was The Queen of The Mermaidairans who ruled the planet of Mermaidaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over over water, the powers of the mermaids times infinity, all marine life, and an incredibly divine voice that hypnotizes criminals and forces them to do their bidding, and the ability to grow even stronger, but she was also born with angel wings, immense powers over water, the powers of the mermaids times infinity, all marine life, and an incredibly divine voice that hypnotizes criminals and forces them to do their bidding, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Merista Mermaidaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of water, the powers of the mermaids times infinity, all marine life, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of water, the powers of the mermaids times infinity, all marine life, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Mermaidairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did, but she knew that it was part of a vision her people had: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Mermaidairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix, and she also heard him sing before, and he did indeed have the voice of an angel. Lincoln made her an awesome water greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them drowned by a massive tidal wave with the power of Mermaidaira.

Merista Mermaidaira: And I knew Lincoln absorbed the souls of the male Mermaidairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Merista Mermaidaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Merista Mermaidaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Merista Mermaidaira with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his

rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Merista Mermaidaira: That's my special gift to him: Mermaidaira's Blessing of The Mermaid, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 50'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Merista Mermaidaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Mermaidairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Storm Card of all its powers and absorbed the clone of StormSeiryudramon after we took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Seras Seraphinite saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Seras Seraphinite: My God, I was right that Lincoln's really grown into a 50'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Seras, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Seras Seraphinite: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as

well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Seras Seraphinite: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Lincoln got into The Simulator and it activated, and he found himself in Toastarena, and we saw it on the big screen.

Lincoln: Ah, sunny and hot Toastarena.

Me: I hope you're gonna fight one of the villains in there like we did.

Alexander Avalon: (Sensed it) Afraid not, looks like Alecto Slytherin's sent three clones there: they're the clones of Kevin 11, Kevin 11,000, and Ultimate Kevin.

WE GASPED!

Nico: That snake!

Lincoln: I already know what to do: absorb them and assimilate their powers.

Ben Tennyson: Hope you're in for one immense power surge.

Lincoln headed to the pyramid and he traversed its chambers and dodged its traps, and he reached the top of the pyramid.

?: (THREE MULTIPLE VOICES) TENNYSON!

Then, he saw them, the clones of Kevin 11, Kevin 11,000, and Ultimate Kevin.

Kevin Levin: Taking on three of them at once, let's see what he's gonna do.

Alpha Werewolfairan Vampirairan Mythological Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(GROWLS) Oh yeah! This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in their souls and they faded away and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Then, Lincoln saw armies of Alecto's dark witches and dark wizards appear, and Lincoln really WENT WILD ON THEM AS HE TORE THEM APART: HE RIPPED THEM TO SHREDS AND WHEN HE WAS DONE, HE LET OUT THE LOUDEST AND MOST DOMINANT WOLF ROAR AND HOWL THAT ECHOED THROUGHOUT TOASTARENA AND WE HEARD IT IN HERE AS WELL!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Me: HO-LY...!

Nico: DAMN...!

Kevin Levin: (Laughs) Oh man! He took the clones down like they were nothing and absorbed them and he tore Alecto's soldiers apart! What a beast!

Lincoln used his telekinetic powers to close them, and then he exited The Simulator and holstered his massive greatsword on his back and powered down.

Lincoln: Thanks for the comment, Kevin.

Lincoln continued to work out, and it made him even stronger than ever.

Eli: He...! I...! I have no words to even say!

Me: No words are needed. Lincoln's getting even more stronger than ever!

Nico: Ever since the darkness of Dark Chase Young lifted, he's not only stronger, but he now feels even more lighter than ever.

Lanaia: You said it. (Voice Breaking) I'm so proud of my little bro...!

Lori: Uh oh...! EVERYONE, TAKE COVER!

Lanaia cried jets of tears and we sent them flying into a portal that opened up at Lynn's Table and they soaked the jerks.

Rita: Forgot to mention Lanaia also cries jets of tears and fires them at someone with the force of a high-powered hose.

Me: Wow...!

Nico: Yikes...!

Luna: Last time that happened, she soaked Flip and flooded his entire store! And this was long before J.D. moved in!

Me: I wondered why the streets looked like they were soaking wet when we arrived in Michigan.

Laney: We were laughing our butts off when that happened to Flip.

Lanaia: He had it coming though!

Nico: Don't tell me, another scam?

Lincoln: Yep, and she sent him right to the police, but he let one rip and he fled.

Nico: Gross...!

Me: Filthy mutant.

We got a shower, and then, Lincoln, Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula are heading to Onion Ocean, and joining them are the rest of

Lincoln's harem.

Lincoln snapped his fingers, and the 50'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Loona the Wolf Demon: Wow, we're here in Onion Ocean, it's so beautiful.

Lincoln: You said it, Loona, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Hikaridraco.

Anna Anyanova: Uh oh, is that...?!

Lincoln: A clone of Hikaridraco, Kari Kamiya's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Hikaridraco and he began absorbing her and assimilating Hikaridraco's powers of angels and light in its entirety and draconic powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Manaphantom, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no

Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Onion Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula are in your harem, Linky.

Lute the Hedgehog, Velvette the Cat, Anastasia Hoshin, Lapis Rosenberg, Scanty the Demon, Kneesocks the Demon, Loona the Wolf Demon, and Mini EV Nebula showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clone of Hikaridraco, the hypothetical Akuma of Kari Kamiya after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into her chest, and I absorbed her and assimilated her powers of angels and light in its entirety and draconic powers. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still

imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy,

Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

* * *

Later it was time for another awesome Skylanders adventure.

Nico: So who is next?

Me: Qin, Sheila, The Cutie Mark Crusaders, Kirby, Sprocket, Bouncer, Magna Charge, Spy Rise, Boomer Kuwanger and Hornet Man and we are going after Bruiser Cruiser as well as Stone Golem. And Kirby will like this. We're going to Pop Star for this.

Kirby: Awesome!

Me: Yep. I have something special planned for this one. You'll see what in a sec.

Qin: Cool!

Sheila: Lets get it on!

We went into the simulator and it activated and we were in in the forests of Pop Star.

Kirby: Awesome to be back home.

Apple Bloom: It sure is amazing.

Qin and Sheila had their jumpsuits on. Qin's was green and Sheila's was dark green brown.

Me: Good colors.

Qin: Thanks.

LOUD FART!

Eddy: Nice one Lumpy!

Qin: Tell us when we can go monster.

Me: Got it.

We went to find Bruiser Cruiser and Stone Golem.

Then Nico heard what sounded like running water.

Nico: Running water?

Then Nico had a sensation we all are familiar with.

Nico: WHOA! (DANCING UP AND DOWN) I GOT TO GO TO THE BATHROOM! I GOT TO GOT TO THE BATHROOM! I WISH I HADN'T DRANK 50 GLASSES OF TEA!

Bruiser Cruiser: Is it too late to say I'm sorrrryyyyyyyy...! Huh.

He got sucked in.

He was trapped in the trap.

Bruiser Cruiser: "Where am I, over? Wherever it is, this isn't over... over."

Stone Golem agreed.

Whispy Woods tried to crawl away.

Kirby: I'm amazed you can fit in there

Whispy Woods: Me too!

Qin: Yeah!

Nico: COME ON GUYS!

Me: We better get Nico to the bathroom quick!

We left the simulator and Nico ran to his bathroom.

UNZIPS FLY!

Lynn: I've been training her a lot for this. Last month May came to me and asked me to train her for it.

Aurico: I didn't expect that.

Manaphy: I GOTTA STOP HER OR SHE'LL DIE!

DING!

May and Karen went at each other!

The two dive at each other, screaming, until they collide. They wrestle and continue to wind up in twisted positions. They spin around and wind up wrestling with themselves. They realize this, and dive back at each other. Karen sits on top of May, holding her foot.

Karen: Forget hating Peter! This is personal!

[Karen takes off May's shoe and licks her foot slowly. May screams in agony. The two wrestle again. May sits on Karen's chest and screams as she lifts up a pencil with the eraser side pointing toward Karen. She slowly brings it down to her name tag and erases the "Karen' and replaces it with "Peter"]

Karen: [screams] No! [then yells out] My name's not Peter!

[Karen tackles May in a puff of smoke and the two wrestle once more]

Me: YEAH!

Velma: TEAR HER FUCKING HEAD OFF MAY! RIP HER FACE OFF AND GIVE HER A RAIL GRINDING BODY SLAM!

Nico: Velma control yourself.

Velma: Sorry.

Nico: Aqua, you, Sunny, and Harry are up for bonding time?

Aqua: Always ready.

Joey Felt: This will be fun.

Sunny: Remember when the 3 of us met you two?

Joey Felt: We sure do. We also battled lots of amazing villains.

Ed: And don't forget that Werechicken! He was so cute and scary yet something Ed loves! I love chickens!

Eddy: Ed shut up!

Joey Felt: That was fun though! And Sunny your smoothies are awesome.

Sunny Starscout: They sure are.

We were drinking some.

Me: (SLURPS) Ahh. And refreshing.

Harry: (British Accent) We gave you your own Keyblade.

Joey Felt: And it's really amazing too. We got a lot of training in under Aqua.

Aqua: I'm glad.

Me: Yep it's a lot of work and training.

Aqua: I also got to take out Tremaine

Cinderella: That monster deserved it for killing my father

Nico: Yeah she did.

Lola: No kidding!

Karen then grabbed May in a bonecrushing leg hold called the TOXIC SHOCK!

Meg: It's Aunt Karen's trademark move the Toxic Shock!

Armada Starscream: You okay, Manaphy?

Manaphy fainted!

May then popped through her leghold!

POP!

She grabbed Karen and Smashed her into the floor and jumped and turned her butt into iron!

Karen: THE IRON BUTT!

Then...

KRABLANG!

SHE SMASHED HEAVY FLO WITH A SICKENING CLANG AND SHE SHATTERED INTO A MILLION PIECES!

MAY WON!

DING DING DING!

Referee: WINNER MAYBELL THE MANGLER!

WE CHEERED WILDLY!

Manaphy: MAMA WON! MAMA WON!

Jetfire: (Australian Accent) Is she gonna be okay?

Manaphy: WOOHOOO! MAMA DID IT! WAY TO GO MAMA!

Meg: WOW! WAY TO GO MAY!

May: WHOA! THAT WAS AWESOME!

We got onto the ring!

Me: WAY TO GO MAY!

Nico: YEAH!

I swept up Karen and put her back together.

Karen: That was amazing! You slipped out of my Toxic Shock! How?

May: I breathed out and slipped through it and then used my move. The IRON BUTT CRUSH!

Qin: WHOA! NICE!

Lola: That was awesome!

Karen: You have the makings of a great wrestler in you!

Lynn: I taught her all I know.

Me: You sure did Lynn. Well done!

Manaphy hugged May.

Manaphy: That was awesome Mama!

May: Thanks Manaphy.

Referee: Congratulations May! You were amazing!

May: Thanks!

She was given all the money.

Me: What are you gonna do with all that dough?

May: Save it for later today.

Me: Awesome!

Then we heard a bird call.

Me: What the?

We went outside and we saw a MEGA HO-OH!

Me: WHOA! Mega Ho-Oh!

Qin: WOW!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Ash: I'll never forget seeing a Ho-Oh. That was a pretty sight.

Marina: Boy it must've been awesome.

Me: It was.

Stacy Storious: Lets see.

She used telepathy and gasped!

Stacy Storious: WHOA! It's our teammate Brihato.

Me: Lets go help her.

We flew up and went over to her.

Stacy Storious: Brihato it's okay. It's me Stacy.

She used Sacred Fire and we absorbed it.

Me: WHOA! POWERFUL!

I fired waves of energy and we blasted her all over.

I snapped my fingers and she reverted back. She had fiery orange hair and orange eyes and fire angel wings and had the symbol of Kamen Rider Falchion with a phoenix on her forehead and on her arm.

We wrapped her in a blanket and brought her over to us.

Me: There.

Qin: Wow.

She woke up.

Brihato: (Groans) What happened? I feel like I got blasted all over by my brother Bahato.

Stacy Storious: Are you okay Brihato?

Brihato: Stacy! You're okay!

She hugged her.

Brihato: Thank goodness.

Stacy Storious: Yeah.

Me: You were urned into a Mega Ho-Oh by dark gale.

Brihato: Oh man! I was fighting the Amanojaku Megid when it happened.

Me: That was who we faced last year. Intense battle.

Poromon: Your Rider name?

Brihato: I don't have a rider name. I help the Riders from time to time. But I also help my friends bring down the forces of Storious.

Stacy Storious: It's true. Bahato is her brother and he has given her lots of headaches before.

Qin: Oh boy.

Brihato: Yeah it's not funny. I have he powers of the Eternal Phoenix and it's intensely powerful.

Me: Wow!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange clothes and a phoenix sword.

Brihato: I look awesome.

Me: You sure do.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Meg and Rhonda came out in their junpsuits.

Shocker: (to Meg) You forgot to wear that yesterday.

Meg's was white and Rhonda's was brown.

Meg Verra: I know.

Rhonda Terrastar: We look awesome though.

Me: You sure do.

Applejack: (GROWLS)

Me: Applejack calm down.

Nico: Clearly, you need more time to get over it.

Me: Yep.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Master Vile, and he's coming after me to get revenge on me for what I did to Thrax and Rita Repulsa. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: So, Master Vile has finally come out of hiding!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Master Vile, and he's coming after J.D. to get revenge on him for what he did to Thrax and Rita Repulsa.

EVERYONE GASPED!

Aurico: So, Master Vile's shown up at long last.

Me: He was smart to go into hiding, and not show his face, but that ends here and now.

Nico: No doubt about it, now we can finally end him for good. Alright, team, let's go, it's time to put an end to Master Vile once and for all.

Lincoln: It's time to silence the evil father of the most hated monster in the universe, Rita Repulsa, and it'll serve as another prelude to our ultimate showdown with Lord Zedd.

Me: Yep.

The previous group came.

Black Manta: Can me, Grodd, Captain Cold, Toyman, Grundy, Riddler, Shade, Heatwave, Atomic Skull and Copperhead go with you guys?

Nico: Yes you all can come with us.

Grodd: We saw you defeat Heavy Flo, May. That was awesome!

May: Thanks!

Grodd: And congratulations to you and Marco, Star.

Star: Thanks. That was so fun!

Me: Yep.

Ghuul: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lets see...

LOUD NASTY HORRIBLE FART!

Nico: Sorry. Wall of Putrid Flesh next.

Me: OH GOOD GOD! That one is going to smell like shit.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Tovolar, the werewolf from Magic: The Gathering, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Tovolar, the werewolf from Magic: The Gathering, and he's come back for revenge on us again.

Luna: Seriously?! That guy just never learns.

Allie Aristeros: No doubt, this is Adrianl's doing. Well, looks like we'll be taking care of Tovolar for good, Lincoln.

Lincoln: After we get rid of Master Vile, I'm gonna show Tovolar who the true Alpha Werewolf is around here, or in this case, the true Alpha Werewolfairan.

Nico: You said a mouthful. Alright, team, let's go, it's time to put an end to Master Vile forever.

Lincoln: It's time we send that monster straight to The Black Abyss for good, and once we get done with him, you're next, Tovolar.

Allie Aristeros: My brother made a huge mistake bringing you back from the dead, Tovolar, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Angel Grove to destroy Master Vile and send him to The Black Abyss once and for all, and once we get rid of him and silence the legacy of Rita Repulsa forever, Allie Aristeros and Lincoln are going to destroy Tovolar and send him to The Black Abyss after Lincoln absorbs him.

We were off.

We arrived.

Me: Good to see Angel Grove again

Kimberly: It sure is.

Captain Cold: Let's call Firepower

Me: Good idea.

We did so.

Firepower came.

Firepower: I'm ready to blast.

Bai Tza: Aurico, me and Maria are going to keep you hydrated

Aurico: Thanks. Same for all of us.

Delphine: That's right.

Camie: Cool.

Orcrus: Thanks guys. We appreciate it.

Me: Cool. Wonder if Bulk and Skull are still causing problems.

Riddler: The answer to that riddle is simple: They're not. These days, they're nice guys. Just ask Spike's son Spike

Me: Sorry. Sometimes bad habits die hard. Especially because you know what they were like before.

Riddler: You'reright.

Nico: Yeah.

Tommy Oliver: (LAUGHS) Good times.

Me: Yeah that is true.

Kumiko: Is the Tyrannosaurus Dinozord ready?

Jason: It's ready.

Qin: Good.

Camie: Awesome.

Ymir: We're ready too.

Heatwave: Didn't we face Vile during the Battle against Void Queen?

Me: Yes we did.

Qin: Yep.

Heatwave: That was intense and I thought so.

Camie: We're ready for him again.

Leslie Gesneria: He's Rita Repulsa's dad, right?

Me: Yep and no doubt he is going to be coming for me because I killed her last year.

Qin: Yep.

Lola: No doubt about it.

Varie: Well soon he will join her in the Black Abyss.

Copperhead: And how powerful is he?

Aurico: Dangerous.

Me: Yeah and just as evil as his Daughter.

Qin: Yep.

Me: But we are infinitely more powerful than him.

Lola: We sure are.

Me: And like Lincoln said, this will be another precursor to when we kill Lord Zedd in the future.

Nico: Let me see if I can add a Battlizer for Aurico

Aurico: I would like that.

Qin: Sweet.

Xenia: Yep.

Manaphy: I was scared earlier, Mama.

May: I know. But I'm fine.

Nico: Good.

THUNDERCLAP!

Me: What the?

We saw a storm over us.

Me: Whoa!

Laney: Was it supposed to rain?

Lincoln: WHOA! No this is the work of Aurico's Akuma. His name is Aquaarashiryu. The Hypothetical Akuma of Aurico and he is a REALLY POWERFUL storm dragon and has intense weather control powers and can bring hurricanes and storms of intense magnitude. His power is REALLY STRONG! His name is Aquaarashiryu! He was made because of Lord Zedd killing his friends and vowed to kill him!

WE GASPED!

He showed us a sketch of him and he looked like a Red Leafy Sea Dragon

Me: WHOA! He looks like a scary red Leafy Sea Dragon.

Lola: No kidding!

Needlenose: Can he suffer from dehydration like Aurico?

Me: I think he can.

Laney: Here he comes!

We saw him!

HE WAS INTENSELY STRONG AND POWERFUL!

He landed by us!

Me: WHOA!

Qin: WOW!

Maria: Aurico is that you?

Aquaarashiryu: Yes Maria it's me.

Me: You look incredible as a Red Leafy Sea Dragon!

Aquaarashiryu: I sure do.

Atomic Skull: Any minute now, you're gonna suffer from dehydration!

Aquaarashiryu: We'll see.

Firepower: You need to calm down!

Aquaarashiryu: Not until Zedd is dead.

Me: Hey that rhymes!

Nice: I guess you leave us no choice!

I fired waves of fire and blasted him and Firepower blasted him with lasers and energy.

Aquaarashiryu: My turn!

He fired lightning blasts and Lincoln deflected them back and electrocuted him.

Then he started drying up like a prune!

He was then shrunk down to the size of an action figure and the storm vanished as suddenly as it appeared.

Sissi: What just happened?

Me: We beat him and the storm vanished.

Qin: Yep.

Me: Now to go after Vile.

We heard the maniacal laughter of Master Vile and we saw him causing havoc along with an army of Putties and we also heard the deranged laughter of Alecto Slytherin there as well.

Me: There's Master Vile, and speak of The Devil, Alecto Slytherin's there as well!

Suddenly, we heard the sounds of slashing and we saw a black clothed stranger attacking the Putties with two scythes in his hands and he was slaying them one by one and firing blasts of darkness and dark energy at them and he was annihilating them one by one!

Nico: WHOA!

Me: Damn, looks like we got a mysterious stranger helping us. Look at him tearing those Putties apart and blasting them!

Nicholette Torrington: (Sensed it)(Thinking) That Darkness and Dark Energy, it's like The Church of Necrom's but...! Oh God, it's him! Looks like we're in for a meeting with our resident angel of Dog City tomorrow.

Lincoln: Let's head over and give him a hand.

Nico: Alright, time to get in there.

Atomic Skull: Wait. Is that Aquaarashiryu's version of Zedd?

I fired an energy blast and it hit him and exploded and obliterated him and banished him to the Black Abyss.

Master Vile: YOU! So, the murderer of my dearly beloved daughter has shown up!

Me: Oh please, your daughter's a monster who terrorized everyone in her path, and so are you! (Smirks) Oh, and here's proof your daughter's never coming back!

Master Vile: AGH! What's this?! Alecto Slytherin, you...!

Alecto Slytherin: (CACKLING INSANELY) You really thought I was going to help you or Anti-Monitor or even Darkseid? Idiot! You're nothing more than a plaything for me to discard, and you've played your role in this world long enough!

Alecto Slytherin raised his staff at Master Vile and the massive green orb glowed with green death magic!

Alecto Slytherin: And now, it's time for me to kill you! AVADA...!

SLASH!

The stranger slashed Alecto Slytherin with his scythes and that made Alecto super mad as they clash head on!

Mysterious Stranger: Hurry! Get rid of Master Vile, I'll keep the snake busy!

Eli: Got it.

I teleported and punched Master Vile in his face and kicked him and punched him brutally!

I kicked him in his face 30 times and kicked him in his face and knocked him down!

Retrax: No Void Queen to help you now!

Master Vile: I don't need her to kill you all! STARTING WITH J.D.!

I fired a massive energy blast and Vile fired a blast of darkness energy and the blasts collided and exploded with incredible power!

Rhonda: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Driller Worm, Mega Castform, Mega Ho-Oh and Mega Gengar and they transformed and fired waves of energy and elements and blasted Vile.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Master Vile with silver bullets from his guns and he blasted them with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Master Vile as he was riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at Master Vile with darkness and malice. Caleb landed as the barrier came down.

Master Vile: DAMN YOU! DAMN YOU ALL! ALL OF YOU JUST DIE! I HATE YOU ALL!

OUR RAINBOW ENERGY AURAS FLARED UP EXTREMELY!

SUDDENLY, CALEB MAXWELL, TYLER MAXWELL, ALEXANDER MAXWELL, ALLIE MAXWELL, AND MARLENE MAXWELL GOT PISSED OFF AND THEY LET OUT AN ANGRY SCREAM LIKE LOLA AND THEIR SKIN TURNED RED AND THEIR HAIR TURNED INTO FIRE, AND THEY GOT PISSED OFF BIG TIME AND WERE ABOUT TO ATTACK HIM, BUT WE RESTRAINED THEM!

THEN, LINCOLN FIRED COLORED FIRE BLASTS WITH A SWING OF HIS MASSIVE GREATSWORD AS THEY TOOK ON THE FORMS OF HIM AND HIS SISTERS AND THEY LET OUT AN ANGRY LOUD SCREAM AND THEY RAN AT AND POUNCED ON MASTER VILE AS THEY LET OUT ANOTHER ANGRY LOUD SCREAM AND THEY GOT INTO A HUGE FIGHT CLOUD AND STARTED BEATING THE SHIT OUT OF HIM!

THEY WERE PULVERIZING THAT MONSTER, AND IT WAS WAY WORSE THAN WHEN WE SAW THE KANKERS BEAT EACH OTHER UP!

When they were done and the flames vanished, Master Vile had a bloody nose, broken arms, and broken legs!

Nico: JESUS! A LOUD HOUSE-STYLE BEATDOWN! (Smirks) Nice one.

Nicole: Hadn't seen that in a while, and it's better than letting you guys attack him!

Lincoln, Aurico, Nico, and I and the rest of us went after Master Vile and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Master Vile, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Emerald, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this really pissed Master Vile off even more, and we also shattered The Monitor Orb on his forehead and we not only gained a massive power boost, but he wound up in serious pain.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs, and they formed into a purifying field that hits Master Vile and we all found ourselves not only in Heaven, but also, in space.

Master Vile: I AM YOUR MASTER! OBEY ME!

I fired a massive blast of energy and blasted his arm clear off!

Me: YOU don't tell our frenemies what to do you motherfucker! They only answer to Vypra! No one else!

Electro: So because of Tim Buktu, we're not gonna see anymore enemy bodybuilders?

Nico: That's right.

Mysterio: Fine by me.

Hydro Man: That was getting old anyway.

Me: But I have a feeling there's a much greater threat looming on the horizon.

Hydro Man: Oh boy.

Scorpion: We heard you fought Mina Loveberry.

Nico: We sure did.

Jack O Lantern: (to Green Arrow) You should take care of that Mega Decidueye

Green Arrow: Oh I will.

?: Awesome!

A figure came out and it was LILA ROSSI!?

Me: Lila Rossi!?

Lila?: (In a different voice) Wrong

He was really CLONETRON from episode 12 of Beast Morphers!

He was created when Blaze infected a copying machine. He then scanned the Copier Man and assumed his form. He and Blaze then attacked a park and waited for the Rangers to show up. While Blaze distracted the Rangers, Clonetron assumed his regular form and secretly scanned Nate. Ravi suddenly noticed Clonetron and a fight ensued, during which Clonetron grappled with Nate. Steel tried to shoot Clonetron, but a Tronic bumped into him and he missed, nearly hitting Nate instead. Clonetron then ran off.

Later, Clonetron and Blaze arrived outside Grid Battleforce Headquarters, and Clonetron assumed Nate's form. Blaze ordered Clonetron to sabotage the Zord computer inside Grid Battleforce. Disguised as Nate, Clonetron entered the building unchallenged. While looking for the Zord computer, he ran into Steel, who mistook him for the real Nate. When Steel apologised for his and Nate's earlier argument, Clonetron pretended to understand what Steel was talking about, then sent Steel on a wild goose chase by claiming that there were some supplies in a car outside he needed help carrying.

Eventually, Clonetron found the Zord computer inside Nate's lab. He was about to smash it with a hammer, only to be stopped by Steel, who'd figured out he was not the real Nate. The two fought, and Clonetron assumed Steel's form. When the other Rangers entered the lab, they were shocked to discover two Steels fighting. The two Steels argued about who was the real one. The real Steel managed to prove he was real, by telling Nate about the conversation he overheard him and Zoey having about not being good at sports. His cover blown, Clonetron blasted the zord computer, disabling it, then fled.

Once outside of Grid Battleforce, he assumed his regular form. Devon, Ravi, and Zoey confronted him and they fought, with Clonetron proving to be a subpar fighter. While Devon left to deal with an incoming Gigadrone, Ravi and Zoey destroyed Clonetron with their Beast-X Cannons.

Steel: Clonetron!

Clonetron: Been a while Steel!

Me: I remember you! You were sent to attack a park and steal its energy! But Nate got hurt in the process!

Clonetron: That's right! Good memory.

Me: Thanks! You had me fooled there. We thought you were Lila.

Clonetron: Not a bad impression.

Clonetron: And here are more clones!

Out came clones of many of our dangerous enemies! We saw Voldemort, Bellatrix Lestrange and many others.

Me: All of our most dangerous enemies!

Voldemort Clone: (British Accent) I will be long gone and you will be dead.

Me: You're the one that will die you Satan-Worshiping Genocidal Racist!

I fired energy blasts and killed the clones!

Me: Fucking assholes!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway!

Lincoln Loud, Carol Ferris, Slab, Kurumu, Moka, Yukari, Ruby Tojo, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Elena and Shocker VS Electro, Evil Elec Man, Piedmon, Toguro, Android 14, Sergeant Weenie Arms, Zarudan Hou and Hothead (Theme including Carol Ferris) - Nico's rescue was Star Butterfly's wedding with Marco and we battled Mina Loveberry

---

Electro was first.

Electro (to Lincoln): Nico's rescue was Star Butterfly's wedding with Marco. He battled Mina Loveberry.

Lincoln: He sure did and it was really awesome! Solaria Butterfly tried to get through to her but she was completely insane and a totally lost cause.

Carol Ferris: Yeah o kidding! Mina was determined to wipe out all monsters in the name of Solaria Butterfly! Including Star Butterfly and Marco!

Slab: That girl was absolutely insane!

Twilight Sparkle: Yeah no kidding there! She was really nuts! She was also the very girl that stabbed Marco in the stomach!

Stellar Sparkle: What a jerk!

Harmony Sparkle: Big time!

Starshine Sparkle: I agree there!

Spyro: That was awesome that we destroyed her forever.

Electro: Thank goodness for that. Also Congratulations to Star and Marco. After everything they went through together, they earned it. Lets do it!

Lincoln used Electro's ring and fired waves of lightning and they fired waves of lightning and magic and smashed them down!

Mysterio was next.

Mysterio (to Yusei): The Anothers were the gene-slammers of Red Eyes Darkness Dragon and Red Eyes Zombie Dragon. And which Heartless Robots should I summon this time?

Yusei: How about Invisible Heartless?

Mysterio: Good choice.

Yusei: Also yeah and Nico and everyone did a great job battling them. But you would not believe what happened to Applejack's Orchard!

Mysterio: Uh oh. What happened?

Yusei: The next Underground City monster we found completely ate all the apple trees there! Except for the Zap Apple Trees.

Mysterio: OH MAN! That is rough! What monster was it this time?

Yusei: It was Driller Worm. Her real name was Rhonda Terrastar. She was turned into what's called a Obsidomian Dreadworm. They come from the planet Obsidios and they are deadly worms that have INTENSELY RAVENOUS appetites. They are as big as the sandworms from Dune. They are vegetarian worms and eat all forms of vegetables.

Mysterio: WHOA MAN! That is scary!

Volt Catfish: It was! She ate all of Applejack's entire Apple Orchard except for the Zap Apple Trees! She was EXTREMELY PISSED OFF AT HER! Applejack mistook it for a Vampire Fruit Bat attack but it wasn't like that. Vampire Fruit Bats don't eat the trees from underneath.

Chuck Chicken: Applejack was more angrier than a swarm of rabid hornets!

Mysterio: Oh man that is awful!

Applejack: Yeah! I'm never going to forgive her for that!

Mysterio: Easy Applejack. But how did J.D. get her to come?

Yusei: He used one of those really cool thumpers to get her to come. Like the ones from the movie Dune.

Mysterio: WHOA! That is awesome! Very clever too. What is her story?

Yusei: She comes from a family of emerald miners that lived in Colombia and mining emeralds is how they got rich. They mined gold, diamonds and platinum too.

Mysterio: Wow! Did you guys grow back the apple trees?

Yusei: Yes we did thank goodness.

Mysterio: Good. What about Dark Gale Gene-slammers?

Yusei: We met a Mega Gengar and Mega Castform. They were Naomi and Wendy Hidari and they were Kamen Riders Nightmare and Weather.

THEY GASPED!

Tenaya 7: More of Philip and Shotaro's sisters? How many relatives and family members do they have?

Yusei: They said they have a REALLY Big family.

Applejack: Yeah they sure do. Just as big as the Apple Family. We were really amazed too.

Emily Douglas: We sure were!

Apple Star: I agree there myself.

Wolf Moon Bloom: No kidding there.

Apple Bloom: That was amazing to see though.

Flashwing: No kidding!

Mysterio: Boy you guys have had a really crazy rescue though. Lets do it!

Evil Aero Man: HOLY CRUD! That's a lot of money!

Evil Aero Man: Wait you mean the famous Heavy Flo!? I didn't know Peter's sister was a wrestler let alone a champion. A famous one at that.

Vulture: Me neither.

Inferno Titan: We were surprised too! And during Aqua, Sunny Starscout and Harry Potter's bonding time with the Atomic Puppet crew, May really showed her stuff and put Heavy Flo in her place! Also Karen showed her niece Meg respect for beating her.

Vulture: Wait Meg beat her own aunt? How?

Inferno Titan: All it took was one hit to her head with a chair! And she went as Teen La Queefa.

Vulture: WOW! That was awesome! Was she glad that her so-called brother and all of Quahog got destroyed?

Inferno Titan: She was. She said that Loser Peter Griffin and that godforsaken town got what was coming.

Vulture: Awesome! What was May's wrestling name?

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Tovolar's chest and he began absorbing him and assimilated Tovolar's Enhanced strength and speed, Hand to hand combat training, Manipulation over wolves and werewolves, Shapeshifting, and Dark magic, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Tovolar and he also sucked out all the energy remaining in his soul and Tovolar was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Allie Aristeros' new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Allie Aristeros: It's over for you, Tovolar, and to this we say good riddance. Thanks for helping me get rid of Tovolar, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Allie.

Me and Nico: Our pleasure, Allie.

Suddenly, Allie Aristeros wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Allie Aristeros' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Allie Aristeros sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Allie Aristeros: And that's it for my brother's contingency plan, but his other cronies are still out there.

Me: That's for sure, but we'll take care of them as well and piss off Alecto Slytherin even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Topaz.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Topaz.

Catherine Diamantis: There's only one person who matches this: Tanya Topaz, Avatar and Gene-Slammer of Gem-Knight Topaz, and you guys are going to love her, Tanya Topaz, Avatar and Gene-Slammer of Gem-Knight Topaz, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of topaz gems and crystals. She's known as The Topaz Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Tanya Topaz came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of topaz gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of topaz gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Tanya's parents and her little sister, Tara, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Tanya lost her parents, and her sister, Tara, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Vulture: That's another of Rita Repulsa's family dead.

Me: Good fucking riddance.

Grizzly: Now only Zedd's left.

WE HEARD ZEDD SCREAM WITH INTENSE RAGE AND FURY FROM INSIDE THE BOOK OF VILE DARKNESS!

Nicole: Lord Zedd is MAJORLY PISSED BIG TIME

Living Laser: He sure is.

Griffin: How should we celebrate?

Boomerang: Maybe at the Youth Center?

Me: That works.

Nico: And another of the rangers big baddies is gone.

Qin:Yep.

Nico: Great job today everyone.

Me: Tomorrow is the 4th of July guys.

Nico: Awesome!

Qin: (To the viewers) That was an awesome adventure.

Me: It sure was.

We went to the Youth Center for some fun and celebration

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, Master Vile is finally gone!

Anna Anyanova: This is already setting in motion the future showdown with Lord Zedd and we'll make him pay for 30 years of chaos and evil.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln in an orange speedo and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Storm Card, but tomorrow, I got a feeling we're going to take on the dark version of The Float Card, this thing caused a lot of trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

THE END

Another awesome chapter done.

INDEPENDENCE DAY BATTLE 2024

HAPPY INDEPENDENCE DAY 2024

This is where we destroy the homeworld of The Harvesters and the aliens of the movie Independence Day forever.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a crimson red planet of nuclear spicy hot peppers and nuclear spicy hot sauces in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and had incredible superhuman strength, but had powers over fire, hot sauce, chili peppers, and Full Heat Nirvana, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Chiliraira, a planet of nuclear hot spicy chili peppers and neverending hot sauce rivers in The Forbidden Zone that was inhabited by powerful warrior angels called The Chilirairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over fire, hot sauce, chili peppers, and Full Heat Nirvana, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Chilirairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day., but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Mermaidairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln: Whoa! Now, this is something I got to check out!

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Chiliraira once inhabited by The Chilirairans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city with trees full to the brim of Chili peppers and rivers and seas of neverending nuclear hot spicy hot sauces.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Chiliraira, this is so awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Chiliraira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a crimson red gem surrounded by mermaids and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of crimson red souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Chiliraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Chiliraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense powers over fire, flames, hot sauce, chili peppers, and Full Heat Nirvana, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and crimson red aura with chili peppers and flames surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their immense superhuman strength, immense powers over fire, hot sauce, chili peppers, and Full Heat Nirvana, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Chiliraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense and infernal spicy heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Chiliraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his

forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Chiliraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Chiliraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others, and I'm also in Full Heat Nirvana yet again.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger and he went Full Heat Nirvana.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Uh oh, looks like someone's now really REALLY aroused.

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?! (Realizes what happened) You're in Full Heat Nirvana and you're now even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later.

Morning came and Poliwag woke up.

Poliwag: (YAWNS) (GASP) It's the 4th of July!

He woke up and shook Nico and May awake!

Poliwag: WAKE UP GUYS! IT'S JULY 4TH! WAKE UP!

May: July 4th! Oh boy!

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night,

Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: Oh man, I remember Chiliraira, that was the spiciest planet I have even been to, I hate those chili peppers and drank the hot sauce like it was nothing.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) Yeah, I remember that you were belching out flames like a crazy flamethrower.

Me: Holy jumping Chili Peppers, so you found a planet of super hot nuclear spicy chili peppers? That's so awesome!

Lincoln made plants appear, and they had bright neon red peppers with surrounding flames, and the heat coming off them is really immense. I ate them and my rainbow eyes turned neon red and I was suddenly in Full Heat Nirvana, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my

999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surrounded my rainbow protective aura, and I'd gained a massively astronomical power boost.

And I was also sweating like crazy!

Me: WHOA! WHOO! OH MAN, THOSE PEPPERS ARE SUPER SPICY! (Flexes my massive muscles and my massive biceps bulged even more and veins formed)(GROWLS) RRGH! I also feel even more stronger than ever! Lincoln, what are these peppers?

Lincoln: Those are The Chili Peppers of Chiliraira, these hot peppers are the hottest and spiciest of hot peppers, only a true spice demon can eat these, and they are immediately given superhuman strength, immense power over fire, flames, hot peppers of all kinds, hot sauces, Full Heat Nirvana, immortality, invincibility, Omnipotence, Omniscience, omnipotent power, and the powers of the Chilirairans times infinity. But, for me and J.D., if we eat these, this gives our superhuman strength, immense power over fire, flames, hot peppers of all kinds, hot sauces, Full Heat Nirvana, Omnipotence, Omniscience, and omnipotent power another infinite power boost, and we're already immortal and invincible.

Me: WHOO! Man, you're not kidding, Lincoln, these peppers are really powerful!

We gave them to our other spice demons and the other members of the team, and they too were also immediately immense power over hot peppers of all kinds, hot sauces, Full Heat Nirvana, and the powers of the Chilirairans times infinity, and their Omnipotence, Omniscience, and omnipotent power gained yet another infinite power boost.

Lynn: WHOO! Oh man! Those peppers really are even spicier than the ones here on Earth! Wait, that means...!

Lincoln: Lynn, no spoilers.

Lynn: Oh, right. And since we're already immortal and invincible, this really made us even stronger than ever, I can't wait to go Full Heat Nirvana on the next chump.

Nico: YEAH!

Qin: That is awesome!

Me: And I have a feeling I can do that as well.

Lincoln: You sure can.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was William Tavington, our old enemy, he's back from the dead and wants revenge.

Lincoln: And I think we just found said chump.

Me: William Tavington! Today's The 4th of July, this means...!

Nico: Oh yeah. Time we gave Tavington a permanent send off to The Black Abyss for good.

Lincoln: Along with The Harvester Aliens later on today, and I got a few nasty surprises in store for them. Plus, I found out where

Tavington is at.

Lincoln formed an orb like planet of honey in his left hand.

Lincoln: He's on Honyana, a honey swamp planet that's like Honey Marsh from Spyro times 10.

Me: Ooh.

Eli: Oh boy...! He's gonna be stuck in a messy pile of honey.

Lincoln: That'll make this much easier. Alright, now let's finish breakfast and get after Tavington.

Nico: Let's do this.

We finished breakfast, and we headed out to Honyana to help Granny Smith unlock her Rainbow Power and kill William Tavington and send that traitor to The Black Abyss for good.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14147.1: The U.S.S. Valorous Phoenix is en route to the planet Honyana for a battle themed for the 4th of July. We're going there to battle William Tavington who is back from the dead to get revenge. Our mission is to end him.

Nico: Dr. Scott, you're a scientist, right?

Dr. Scott: I sure am. I specialize in Jungle Diseases and learn how to cure them.

Dr. Scott: Yeah no kidding.

Dr. Scott: We sure are. And so far we have. Unlike a certain dentist too.

Me: Dr. Chicago.

Ymir: Dr. Chicago?

Me: He's a dentist from Illinois that turned to a life of crime.

Rita Loud: And he gives dentists like me a bad name.

Me: Yeah. Also he's in the M.O.E.

Vypra: Yep. but he did great on our teeth.

Vypra smiled and her teeth were shining white like diamonds.

TING!

Dark Spicer: Awesome smile!

Qin: Nice!

Knightbrace: That is a smile I can be proud of too.

Me: Yep.

Ymir: Also who is William Tavington?

Me: Oh he was a Revolutionary War Colonel that we fought back over 243 years ago. We battled him during the Siege of Yorktown in 1781.

I went over his history

Col. William Tavington is the main antagonist of the 2000 historical war film The Patriot.

Being the direct subordinate of General Cornwallis, while seemingly a sophisticated and cunning individual, his tactics are brutally barbaric and he fully believes in the end justifies the means, willing to commit obscene atrocities to complete his goals. His campaign of terror and cruelty made him Benjamin Martin's archenemy. He is supported by his subordinate Captain Wilkins and his chief intelligence officer Captain Bordon.

He was portrayed by Jason Isaacs, who also played Colonel Mekum in Soldier, Lucius Malfoy and the Basilisk in the Harry Potter film franchise, Captain James Hook in the 2003 Peter Pan film, Zhao in Avatar: The Last Airbender, Ra's al Ghul in Batman: Under the Red Hood.

When a young man named Gabriel Martin signs up to join the Continental Army during the American Revolution in 1776, he is eventually forced to return home to his father, a French and Indian War veteran named Benjamin Martin, and his six siblings following the Siege of Charleston. Gabriel is accompanied by many British and American soldiers who were also injured during the battle, but as Benjamin and his family take care of them, Tavington and his Dragoons appear in an attempt to arrest Gabriel. When Benjamin's son Thomas tries to free Gabriel from Tavington's men, Tavington shoots him dead. As Benjamin grieves for his son, Tavington has his house burned down and orders every wounded American soldier to be executed. Benjamin and his other two sons, Nathan and Samuel, track the redcoats holding Gabriel and ambush them in the forest, brutally murdering them. Tavington hears this news from a lone survivor, though he is unable to discover who is behind the massacre and labels the assailant as the "Ghost".

Benjamin is soon given the rank of colonel by his former commanding officer, Colonel Harry Burwell, and he and Gabriel then plan to fight the British forces. Lord Cornwallis, a general in the British army who Tavington is serving under, discovers that the "Ghost" and his followers have been attacking his units, stealing his belongings (including his two Great Danes given to him by King George III) and destroying his ferries heading to Charleston. Cornwallis angrily blames Tavington for provoking the attackers with his brutal mannerisms, yet Tavington manages to persuade Cornwallis to allow him to use these mannerisms to deal with them. Tavington goes out in search of the identities of some of the assailants and murders their families before burning their houses down. He discovers Benjamin's identity and travels to the house of Benjamin's sister-in-law, Charlotte, who is looking after his children. Tavington and his men search the house but Charlotte and the children manage to hide from them. Tavington later rides to the town that supplies Benjamin's forces and assembles its inhabitants within the church, claiming that they will be forgiven for their actions if they reveal to him where Benjamin's secret hideout is located. One man reveals the location to him but Tavington has the church burned down anyway by Captain Witkins, killing everyone inside, including Gabriel's new wife, Anne.

Gabriel hears word of Tavington's slaughter and furiously attacks him and his men at their encampment. When only Tavington remains, Gabriel shoots him and he collapses to the ground. Unsure if he is dead or not, Gabriel slowly approaches the body in an attempt to stab him, only to have Tavington rise up and stab Gabriel himself before fleeing. Benjamin arrives and cradles his dying son in his arms, but manages to gather enough strength to continue fighting after being reminded of Gabriel's dedication to the cause.

Benjamin, his followers, and a Continental Army regiment later attack Cornwallis' forces in a grueling battle, during which Tavington targets Benjamin personally. Benjamin manages to knock Tavington off his horse and prepares to shoot him, but ends up hitting him in the shoulder after an explosion distracts his aim. Tavington attacks Benjamin with a sword and despite Benjamin's attempts to block him, he is soon beaten and Tavington prepares to deliver the final blow. However, Benjamin ducks just in time and grabs a bayonet lying nearby before stabbing Tavington in the gut. Tavington stumbles and gasps, and Benjamin finally avenges his two sons by stabbing Tavington once more through the throat, killing him.

After Tavington's death, Cornwallis and his men surrendered in 1781 in Yorktown Virginia, thus giving the USA their independence.

When it was done everyone that hadn't heard about him was shocked and horrified!

Janet: Whoa he is bad news!

Me: Yeah and then some.

Nico: I remember how he burned down that church

Me: Yeah this guy was sick to the Nth degree! The British showed no mercy back in those days.

Ymir: Why?

Me: Well it was a war for our Independence. Back from 1773 to 1781 we were locked in a terrible war for our freedom. King George III wanted over rule over us with an Iron Fist and make sure NO ONE gets free.

Nico: Yep but we wouldn't let that happen.

Me: Yeah. The Siege of Yorktown proved to be a decisive factor. The French helped us by forming a blockade that prevented the British from getting in and out back then. Which lead to the British surrendering on October 19th, 1781.

Nico: Yep.

Me: The French helped us because they HATED England for the humiliating defeat they dealt them back during the Seven Years War during the 1750s.

Ymir: Oh man!

Poromon: It's true.

Me: Yeah.

Ymir: Oh man. This guy is horrible!

Me: Yeah.

Nico: I hate this guy with a passion.

Me: Me too.

Ymir: I don't blame you.

Camie: Same here.

Qin: Yeah.

Aurico: But yesterday was fun too. We've seen the last of Master Vile.

Me: Yep. Now he is with his daughter in the Black Abyss!

Aurico: That is for sure!

Nico: Did you like your Battlizer, Aurico?

Aurico: It was amazing! J.D. and you all did an amazing job.

Me: Nico works on the battlizers. I work on the finishing weapons.

Nico: I've been planning to have some of the Rangers that don't have battlizers get them too.

Me: Yeah.

Aurico: You never mentioned that before but that is awesome.

Firepower: Boy that battlizer really packed a punch.

Xenia: It sure did.

Lola: Yeah!

Aurico: I liked the cannon too.

Me: Thanks.

Camie: All the weapons we've seen are awesome.

Xenia: They sure are.

Me: Yep. Now we've seen the last of another of the Rangers big baddies.

Laney: You got that right. And Lord Zedd released a terrible scream from the Book of Vile Darkness.

Nicole: He sure did. Lord Zedd is REALLY going to be out for dad's blood now.

Nico: Let him try.

Me: I still have an unsettled score with him. But soon it'll all be worth it.

Nico: Yep.

Vypra: I'm hungry for barbecue later today.

Dark Spicer: Me too.

Qin: Same here.

Poromon: We're going to shoot off fireworks too.

Me: Sweet!

Homer: Mmm barbecue. (Drools)

Bart: Dad, you're drooling

Homer: Oh sorry.

Me: He just is excited for having our barbecue today.

Shanan: After we deal with another problem.

Ymir: Which is?

Me: The Harvester Aliens.

Ymir: Harvester Aliens?

Shanan showed what they looked like.

Shanan: These guys are really bad news. They want to wipe out all life in the universe so they can harvest planets resources.

Nico: Yep.

Shanan went over their history

The Harvesters are the main antagonists of the Independence Day franchise. They are a space-faring genocidal race of hostile alien species that destroy planets, and take their orders from their Queens, the overarching antagonists of the franchise. When they destroyed the Sphere's race, she rescued other aliens from the Harvesters.

Their vocal sound effects were provided by Frank Welker, who was also the voice of: Megatron in the Transformers franchise; Max 3000 in Man's Best Friend; Red Death in How to Train Your Dragon; The Devil in The Golden Child; Rudy in Ice Age: Dawn of the Dinosaurs; Ludmilla in Bartok the Magnificent; Stripe in Gremlins; Sabor in Tarzan; Joanna the Goanna in The Rescuers Down Under; Sandford "Dr. Claw" Scolex in Inspector Gadget (TV series only); Rhino in James and the Giant Peach; and Mor'du in Brave;

In an unspecified time in the past, the Harvesters presented themselves as a threat to the universe itself, due to their plague-like nature. Attacking from their own homeworld, their empire encountered a highly-advanced civilization of trans-sentient beings which they pushed to the brink of extinction.

For thousands of years, the Harvester Empire has been at war against a coalition of many alien races, who lost their planets to the Harvesters. This war remains at a stalemate as the Harvesters could not locate their enemies' planet of origin. Because of this, the Harvesters attempt to hunt down a sapient artificial intelligence known as the Sphere for its vital information on their enemies. The remnants from this civilization escaped with technology that they stored at a sanctuary world, where they have since actively prepared species with the necessary tools to combat the Harvesters. Recognizing the beings as a threat, the Harvesters are determined to discover the sanctuary world and prevent the spread of the means that can defeat them.

The first recorded interaction between humanity and the aliens was in 1947, when an Attacker crashed on the Foster Ranch outside of

Roswell, New Mexico. In the crash, two aliens were killed, while a third was seriously injured. The crashed ship, the two bodies and the injured alien were brought to the new Air Force installation outside of Rachel, Nevada called Homey Airport, (better known as "Area 51"). The survivor died within a matter of weeks. Over the next 49 years, scientists at Area 51 studied the Attacker, attempted to repair it and studied the physiology of the three alien corpses. However, none of the technology of the Attacker could be accessed, either for experiments or reverse engineering, as there was no Mothership nearby and human technology were unable to duplicate the power source of the Attacker.

Vietnam War veteran Russell Casse claimed to have been abducted by the aliens in 1986, with the purpose of conducting horrific experiments upon him. However, the veracity of these claims are debatable and as such, Casse was largely dismissed for suffering Post-Traumatic Stress Disorder (PTSD).

On July 2, 1996, a Mothership arrives at the Moon and begins to transmit command signals into Earth's satellite system. During this time, a number of satellites crash into the Mothership, which significantly disrupts terrestrial communications. After establishing a permanent position, the Mothership deploys three dozen city-sized City Destroyers to position themselves over major cities. The signal progressively becomes weaker after every new transmission, with the end of the signal indicating when each City Destroyer should fire upon cities.

On July 3, 1996, humanity is devastated, as the largest cities are now in ruins and hundreds of millions of people are dead. The City Destroyers move on to other major cities, with the intention being to destroy every last one within a matter of days. There are a number of attempts by humans to defend themselves against the City Destroyers, but each of these ends in utter failure, while the alien casualties are minimal, with only one reported crashed Attacker.

On July 4, 1996, the tide of war takes an abrupt turn. In the early Nevada morning, the captured Attacker from 1947 is deployed from Area 51 by the humans, with Captain Steven Hiller piloting and computer scientist David Levinson as a passenger. The Mothership summons the Attacker and docks it in the center of the ship.

Levinson connects to the aliens' internal network and uploads a computer virus that disrupts the Mothership's systems and causes the shields to go down for fifteen minutes. With this slim window of opportunity, the United States Air Force manages to destroy a City Destroyer when Casse goes kamikaze into the primary weapon. This strategy is shared with other nations and the City Destroyers everywhere are destroyed. A City Destroyer that previously landed and drills into the earth's crust in the Congo issues a distress signal, calling for other civilizations to come to their aid. Soon after, Hiller and Levinson shoot a nuclear missile into the transport hub of the Mothership and escape. The Mothership then explodes, thus ending the first invasion.

In the twenty years following the first invasion, humanity has worked industriously to prepare for another global threat. The nations have unified to create a defense grid around the planet and Moon that cannibalizes the Harvester's technology from the debris of the first invasion.

A massive Harvester Mothership in the midst of a mission receives the distress beacon from the first mission. Infuriated, the Queen orders an assault on Earth. Their enemy, the Sphere, arrives shortly before they arrival of the Harvester Mothership, but is mistaken for the aliens, so it is shot down by the humans. The Harvester arrives and promptly disables Earth's defenses and situates itself over the Atlantic Ocean.

Upon detecting the presence of the Queen, the humans launch a defensive strike against the Harvester Mothership, with the intention of killing her. Predicting this move, the Queen allows the humans close to her, then has Attackers swarm the scene. A sparse number of humans infiltrate the Harvester and crash land in the ship's interior ecosystem, due to an electromagnetic pulse issued.

The Sphere is activated, which prompts lures the Queen's ship. Taking advantage of her determination, Levinson reroutes the signal from the Enemy to a space tug carrying cold fusion bombs, piloted by former President Whitmore. Through a sacrificial mission, Whitmore flies into the Queen's ship and detonates the bombs directly in front of her. The Queen, however, survives and continues her pursuit of the Enemy. Upon snagging the Enemy, the Queen is attacked and killed by ships piloted by Dylan Hiller and Jake Morrison. With the death of the Queen, the aliens go catatonic, the Harvester releases its grip on Earth and the second invasion ends.

When it was done everyone that hadn't heard about it was shocked and horrified!

Ymir: That is horrible! They are worse than the anything I have seen.

Me: Much worse.

Nico: Whitmore sacrificed himself that day

Lincoln: Yeah he did. That's what lead to me suffering from emotional breakdowns.

Camie: Yeah.

Qin: It was bad.

Ymir: Oh man.

Anna Anyanova: At least he was brought back later on.

Me: Yeah no kidding there.

Horsea was drinking beer

Horsea: Are we almost there? (BARNEY GUMBLE BELCH)

Nico: We should be just about there.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we arrived at a yellow stormy planet.

Maria: We're already here.

Me: Wow so that's Honyana. Beautiful from up here.

Xenia: It sure is.

We saw flashes of light in the clouds.

Me: Wow it's really intensely stormy.

Nico: Lets land.

We got to landing.

We got out and saw that it was a scary swamp world.

Me: WHOA! So this is Honyana!

Xenia: Wow! Look at the storm clouds! Frightening.

May: It sure is...

TRIP

May: WHOA!

SPLORF!

She fell face first into the swamp mud!

Manaphy: Mama!

Manaphy went over to her.

Manaphy: OH YUCK! Wait! (Slurps) This isn't swamp mud. It's honey! (Slurps) Yummy!

I licked some.

Me: (Slurps) It is honey!

Spyro: Wow! This entire planet reminds me of the Honey Marsh realm from my world.

Horsea licked some.

Horsea: Yummy!

Seashell: (Slurps) Yummy! Boy this is an amazing planet.

Me: It sure is.

Spyro: When I went to Honey Marsh there were rivers and lakes of honey and storm clouds like these on the horizon.

Me: I'll never forget seeing those on my rescues. That was scary.

Nico: Wow!

Poromon licked some.

Poromon: Yummy!

Qin: Boy what a planet.

Me: But we're seeing the storm clouds up close. Look at the lightning in them.

THUNDERCLAP!

Lightning streaked across the clouds with intense fury.

Me: WHOA!

Xenia: WOW!

THUNDERCLAP!

Qin: Scary!

Laney: Wow! No kidding!

Poliwag licked some honey.

Poliwag: Yummy! This may be a scary planet but it's tasty.

Lincoln: Okay, guys, we're in for one explosive fight, we're here on Honyana to help Granny Smith unlock her Rainbow Power and kill William Tavington and send that traitor to The Black Abyss for good.

We had all of TLPS and The MOE with us.

Vypra: We're ready for this too.

Me: We sure are.

Xenia: Yeah!

?: Afraid that isn't possible.

Suddenly, Nicholette Torrington and her friends sensed the darkness, and there we saw a tall man, and dressed in a long black leather trenchcoat, black shirt, black pants, and black knee-high boots, but his head was covered by a black hood.

Me: Wait, you're...?

Von Lycaon: That is the mysterious stranger who helped us against Master Vile and Alecto Slytherin yesterday at Angel Grove. Hmm, the scent is that of a German Shepherd, but I sense something else: I believe that you were once human, but you were killed.

We were confused at first, but then, Von Lycaon pointed out another clue.

Von Lycaon: I did not know who you were at the time, but I believed Miss. Torrington and her friends suspected something when they sensed your energy, a demonic darkness that their old enemies, The Church of Necrom, had carried with them until two years ago when they and Master Lincoln killed all of them. Would you mind revealing yourself to us, if you don't mind?

Mysterious Stranger: Okay, as you wish.

The stranger removed his hood, and we saw our mysterious stranger: he was a 20'11" tall male adult German Shepherd with massive upper and lower body muscles, dark brown hair, blood red eyes and black sclera, twelve pack abs, and he was dressed in a long black leather trenchcoat, black shirt, black pants, and black knee-high boots.

Nico: So, you're the person who helped us yesterday against Master Vile and Alecto Slytherin, you have our thanks for the assistance, but who are you?

Zachary Hart: My name is Zachary Hart, but nine years ago, I was a human by the name of Zachary Ramirez, my sister is Roxie Hart, The Angel Dog Detective of Dog City, but we set out on different paths. Our parents got kidnapped and thrown into the ocean by Bugsy Vile, Dog City's notorious canine crime lord, and she swore to bring him and his gang to justice, but she couldn't do it alone not by herself, so she joined Ace Hart after he adopted her as his sister, and she set out to bring down Bugsy Vile and his gang along with Dog City's other notorious criminals, but she also had a challenge as well, and it wasn't just from Bugsy Vile and his gang along with the other criminals of Dog City: it was me.

Me: What? But why?

Zachary Hart: Although Roxie set out to get justice for both of our parents by sending Bugsy Vile and his gang along with the other criminals of Dog City to the slammer, I wanted revenge on them, and I swore to turn the criminal underworld of Dog City into a blazing inferno of ruin. I couldn't stand the fact that Bugsy Vile along with his gang and many of Dog City's notorious criminals were still alive, but my hatred towards them destroyed my life. That night, I set out to kill Bugsy Vile, but in the end, I got caught by Bugsy's men and I was shot in the heart and killed.

Eli: Oh man.

Zachary Hart: As I laid dying that night nine years ago, I realized my hatred against Bugsy Vile and his gang and all of Dog City's criminals had caused me to burn the bridges with Roxie, and I would die all alone with no one there for me, and it led me straight into Hell forever. But, when you guys killed The Church of Necrom, the demonic darkness released by the deaths of The Church of Necrom and the destruction of The Staff of Xiyoega brought me back from the dead, but I changed completely from a human into a full-blooded German Shepherd and I gained the immense dark demonic powers of the members of The Church of Necrom including massive black angel wings, the immense powers of darkness, dark magic, black magic, Satanic Magic, immortality, invincibility, Omniscience, Cosmic Awareness, and the abilities and strengths of all dogs combined, but I didn't let that demonic evil control me, instead I purged it from my body.

WE WERE STUNNED!

Nicholette Torrington: No way! You survived being corrupted by the darkness of The Church of Necrom's demonic dark powers?! But, that's impossible! No one is able to survive that!

Von Lycaon: From what you told us about them, I almost thought the same, but apparently, it appears Mr. Hart was too strong and pure of heart to be corrupted by their demonic influence and reigned in that darkness.

Lincoln: That's incredible. But, if you're here, that means Roxie Hart is on her way. But, won't she be angry to...

Zachary Hart: No, she won't. After I came back from the dead and purged the demonic presences of those demon-worshipping monsters, I'd given up my desire for revenge, and instead, I'd wanted to prevent others from suffering the same fate I was given nine years ago, so I assisted Roxie and Ace from the shadows and I kept my dark gift hidden from Dog City. I knew I wasn't human anymore, but I'm fine with it.

Starlight heard a Pokémon cry

Starlight Glimmer: (GASP) Look guys!

We saw a Sudowoodo!

Me: A Sudowoodo! That is cool!

Brock: Just like the one I have.

Me: Wow!

Sudowoodo: This is a scary planet.

Starlight Glimmer: I know. Here.

She gave it apples.

Sudowoodo: Thanks.

It ate them.

Starlight Glimmer: You're welcome. Want to come with me?

Sudowoodo: I would like that.

Me: Awesome!

Laney: Sweet!

But then...

HOING!

An invisible force gave me a NASTY ATOMIC WEDGIE!

Me: (SQUEALS IN PAIN) HEY!

SNAP!

It pulled my underwear over my head and face!

Me: HEY! I CAN'T SEE!

Poromon: Who did that?!

I pulled my underwear off me.

Me: Ow. YEAH! OKAY WHO IS THE WISEASS!?

Then we heard laughing and saw a MEGA KECLEON!

Me: A Mega Kecleon! No wonder! Give me a wedgie will ya!?

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

But then...

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

I got zapped with intense lightning!

Me: WHOA! That didn't even hurt me.

Ed: Zappity Zap Zap.

Nico: Look!

We saw a Mega Electrode and a Mega Venomoth too

Me: WHOA! Mega Electrode and Mega Venomoth too!

Poromon: Wow!

Mega Venomoth used Sleep Dust and it hit May and knocked her out cold.

May: Nighty night. (Falls asleep)

SPLAT!

She fell asleep in the honey.

Manaphy: Mama!

Philip: Lets see.

He used telepathy and gasped!

Philip: Oh man! More of our sisters! The Mega Kecleon is Ikari. The Mega Electrode is Luna. And the Mega Venomoth is Celica!

Qin: WHOA!

Melanie Hidari: Wow! That is awesome!

Me: Lets go help them!

We went over.

Shotaro: Girls came down. It's me and Philip.

Mega Kecleon turned invisible

Laney: What the? Where did it go?

Then...

HOING!

It gave Nico a nasty atomic wedgie and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!

A hand grenade exploded in his underwear!

Nico: OUCH!

Me: OUCH! That had to hurt!

Nico: HEY!

Me: Quite the mischievous one isn't she?

Philip: She sure is.

I looked with my infrared vision and saw her on Maria and she pulled her ears!

HOING!

Maria: YEOWCH!

She then pulled her nose!

Maria: OOOOWW!

SNAP!

She then plucked a nose hair!

POINK!

Mega Kecleon pounded on her head like a drum and the grabbed her and threw her into the honey!

SPLORF!

Maria: HEY!

Me: Okay that tears it! (Activates Scorpion's ridewatch) GET OVER HERE!

I threw a whip and it grabbed Mega Kecleon and brought her over!

Horsea went over to Maria

Horsea: You okay?

Maria: Oh you call being pulled and plucked and mashed being okay?

Horsea: Sorry.

I snapped my fingers and they reverted back.

Ikari was a girl with blue hair and blue eyes and had blue angel wings and Mega Kecleon on her forehead and had the Invisible Gaia Memory Symbol with the W Symbol on her arm.

Luna had yellow hair and yellow eyes and had yellow angel wings with Mega Electrode on her forehead and the Luna Memory Symbol and W Symbol on her arm.

Celica was a girl with green hair and green eyes and had green angel wings and Mega Venomoth on her forehead and the Cyclone

Memory Symbol and W Symbol on her arm.

We wrapped them in blankets and brought them over.

Me: Geez!

Nico: I'm going to be feeling the burns from that for a while.

Maria: No kidding.

May: (Snoring)

They woke up.

Ikari Hidari: (Groans) What hit me?

Luna Hidari: I feel like I was hit by the Luna Dopant.

Celica Hidari: Same here.

Philip: You girls okay?

Ikari, Luna and Cellica: (GASP) BROTHERS!

They hugged them.

Celica Hidari: We're glad you're safe!

Philip: Same here.

Me: You 3 were turned into a Mega Kecleon, Mega Electrode and Mega Venomoth by Dark Gale. Ikari you gave me and Nico atomic wedgies and stuffed a hand grenade down his pants.

Maria: And you pulled me and splattered me into the honey!

Manaphy: And Celica you knocked out Mama with sleep dust!

Horsea: I'll wake her up

Eddy: Allow me.

Eddy grabbed May.

Eddy: She looks so natural. Oh May? May? (Shakes her hard) WAKE UP GOLDILOCKS!

DONKEY BRAYS!

May: Okay okay I'm awake.

Qin: At least that wasn't from sleepwalking this time.

Ikari: But man we're sorry. I can't believe I would be so mischievous.

Me: No worries.

Luna Hidari: We were fighting some of NEVER when it happened.

Nuju: We battled them on my big day. That was intense.

Poromon: Your Rider names?

Ikari: I'm Kamen Rider Invisible. I use invisibility to get our enemies.

Luna Hidari: I'm Kamen Rider Luna. I use moonlight and whips to lash and bash our enemies.

Celica: And I'm Kamen Rider Cyclone and as you can guess I use wind.

Qin: Cool!

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them knew clothes. Ikari's were green, Luna's were yellow and Celica's were dark green.

They got their Rider Belts too.

Celica: We look amazing.

Me: You sure do.

But then...

KRABONK!

I got bashed in the head with a Coconut!

Me: OW!

Patrick: DAHAHAHA! That guy got hit in the head with a coconut!

Me: Patrick that guy was me!

Nico: Who is it this time?

Laney: I think him!

We saw a giant meerkat monster!

Moondancer: Oh man is that a Mook?!

Laney: No that's Meerkatosaurus!

It was a tall and slender yellowish-tan partially theropod- and partially meerkat-like monster with strong forearms and three large claws in each hand, two long tusks protruding out of the lover jaw, blunt snout, glowing red eyes and row of large bony spikes protruding from her head and down to her tail.

Meerkatosaurus: Mook! Mook!

Timon: Hey who are you calling a mook ya mook!

Shanan: Oh man that is a Suricatian Mookmeer! They are meerkat creatures from the planet Surica and they share all of the aspects of Dr. Screwloose's work, the Mooks. They are strong and deadly and love eating bugs.

2003 Mikey and 2012 Mikey screamed like little girls.

Meerkatosaurus: Mook! Mook!

Me: You're the mook!

Nico: Reminds me of Timon

Timon: Did you forget that Dr. Screwloose made the Mooks from me?

Moondancer: He's right.

Ed turned into Edzilla!

Edzilla: ED SMASH!

Ed fired waves of fire from his mouth and blasted her.

Meerkatosaurus: Mook! Mook!

She fired coconuts and I got hit by them!

BONK BONK BONK BONK BONK BONK!

Me: OWW! Why am I getting hit this time!?

Eddy: I didn't know Edzilla can breathe fire now

Me: He did so for a while.

Eddy: Oh.

Me: Lets cure her before I get more lumps on my head!

Edzilla roared at her in challenge

He bashed and smashed her with powerful punches!

Me: CHAKRA CHAIN RESTRAINT

I formed Chakra Chains and they held her down.

Nico took a vial of serum and injected her and she reverted back.

She was a girl with golden brown hair and blue eyes.

We wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS!

Eddy: You said it!

She woke up.

Eli: Are you okay?

Girl: I think so.

Camie: What's your name?

Timothea: Timothea Timon.

Me: Wait the famous scientist that's making the perfect fruit?

Timothea: That's right.

Timon: And they looked like creatures a mad scientist made after me.

Nico: What do you remember?

Timothea: I was heading to the store to get fruit for my research. Then everything went black after that.

Me: Oh man.

Shanan: You were turned into what's called a Suricatian Mookmeer.

She showed hologram of it.

Timon: And they looked like creatures a mad scientist made after me.

Timothea: Really? How bizarre.

Me: I know.

Sydney: Do you remember me?

Timothea: I sure do Sydney. You loved my research in fruits.

Sydney: Yeah.

Me: Wait I heard your father was in the nuthouse for some reason.

Timothea: Yes because he killed 20 people in a psychotic breakdown. He was a scientist that tried to make the most lethal kind of pepper.

Me: Whoa! Sounds like something I would like and I love nuclear hot food.

Timothea laughed.

Deadpool: The High Mage is dead

Timothea: Good. Now we can be free.

Rarity: Lets get you new clothes darling.

The fashion brigade gave her new yellow and blue clothes.

Timothea: I look awesome.

Me: You sure do.

TImon: You and I are gonna get along great!

Pumbaa: With me too.

Timothea Timon: Awesome and I also like eating bugs.

Lana: Awesome!

Timon: You are definitely going to fit in!

Pumbaa: I'll say!

Simba: Yeah!

Timon: Hakuna Matata.

Timothea Timon: What?

Pumbaa: Ha-ku-na Ma-Ta-ta.

Me: It means no worries.

Timon: Say it!

Timothea Timon: Hakuna matata.

Pumbaa: It's our motto.

Timothea Timon: What's a motto?

Timon: Nothing what's a motto with you!?

WE LAUGHED HYSTERICALLY!

Simba: (LAUGHS) I remember saying it myself.

Pumbaa: Say it louder!

Timothea Timon: HAKUNA MATATA!

WE CHEERED!

Lana: YEAH!

Horsea: Can we get going now?

Me: Oh right. We got a job to do.

Lincoln: (Sensed for William Tavington) AHA! Gotcha, I just spotted William Tavington, he's 20 yards away, but it appears he's fighting someone, and this one's overflowing with pure hate on the level of The Orichalcos.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see a black-haired male with red eyes full of hatred, he was dressed in black clothes, and he had The Orichalcos symbol on his forehead and he's fighting William Tavington and trying to kill him.

Lincoln: Figures, the next of Dartz' conspirators is none other than Shiloh Shunoros.

Sina Shunoros: So, he's fighting my younger brother.

Nico: Right, time to clean this mess up.

We then took off to destroy William Tavington and send him to The

Black Abyss, but before we do, we're getting rid of Shiloh Shunoros first.

We were flying, and we saw William Tavington fighting Shiloh Shunoros, one of the ten conspirators who helped Dartz in his plan to unleash The Orichalcos 10,000 years ago.

Zachary Hart: That's Shiloh Shunoros? I got him.

Zachary Hart summoned two pitch black scythes and he charged at Shiloh Shunoros and slashed him in the chest and we landed.

William Tavington: (British Accent) YOU!

Me: Figures you'd get angry if you saw us again, well, we're also surprised you'd returned as well.

Nico: Too bad this is the last time we have to deal with you, murderer.

Me: I can't believe you are still like this even after over 240 years!

Wililam Tavington: Because America does not deserve to be free!

Me: Uh newsflash that happened over 240 years ago! Stick with the current time!

Nico: I'll never forget or forget what you did to Anne in that church!

William Tavington: That bitch got what was coming to her!

Me: You have no heart and no soul! I knew the British were like this back in those days but you are the worst!

But then Tavington looked at me like he saw me before.

William Tavington: Wait. YOU! You're that fool Job Sumner!

I GASPED!

Me: That was my ancestral uncle's grandfather!

Nico: Really!? You mean Brigadier General Job Sumner!? Oh wow!

Poromon: I didn't see that coming

Me: Yeah. He was one of the major generals of the Continental Army.

Nico: That is amazing!

Me: Well then time for some well deserved retribution from 240 years ago!

I went at him and punched Tavington and kicked him and punched him in his stomach and dealt a deadly uppercut to his face!

POW KROW BIFF WHAM!

Me: That was for burning down that church!

I kicked him in his face!

Me: That was for all the crimes you did over 240 years ago!

Sudowoodo charged at him and blasted him with leaves and slashed him

Georgina Washington: As my ancestor would say, I Cannot tell a lie, you are the most despicable member of the Redcoats I ever had the honor of destroying!

William Tavington: What?! Who are you?

Georgina Washington: Georgina Washington! Descendant of America's first president, George Washinton!

She fired cherry bombs and blasted him all over the place.

Me: YEAH!

Poromon pecked him.

POINK POINK POINK POINK POINK POJNK POINK!

Poromon: You like that!? How about this!? (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

William Tavington aimed his gun at Poromon

I kicked it out of his hand and grabbed it and fired it at his shoulder!

BANG!

Me: WHOA! We used these guns a lot back over 240 years ago.

Nico: We sure did!

He got out a Flintlock Rifle and he fired at me!

BANG!

I grabbed the lead round in mid air with faster than lightning speed!

I showed it to him

Me: Nice try.

I flicked it back!

BANG!

I hit him in his leg!

He aimed his gun at Horsea

But I grabbed it before he could fire.

Me: Not fast enough.

Qin: I can't believe it took us a while to load guns like that all those years ago.

Xenia: No kidding. We had to put in the gunpowder and round through the muzzle.

Qin: Yep.

He then unsheathed his sword and I formed a sword like his.

Me: Lets make this even.

I clashed with him.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Sparks flew all over the place with intense force!

Horsea: WHOA! That was a close one.

Maria: No kidding!

Qin: J.D.'s speed really bested that.

Horsea: It sure did.

Maria: You're not scared, Horsea?

Horsea: Not at all!

She fired a Bubblebeam blast and blasted Tavington and then...

SLASH!

I slashed him across his face and left a bleeding cut on his face!

Me: That was for Anne Patricia Howard!

Nico: You weren't planning to spare her in the first place!

Me: She was just an innocent woman! You slaughtered her without even so much as a second thought!

Eli: YEAH!

William Tavington: That bitch deserved to die like the dog that she was!

Me: Just like you!

I kicked him!

William Tavington: (to Benjamin Martin) It appears you are not the better man.

Benjamin Martin: You're right. My sons were better men.

Me: And so are the descendants of the Revolution!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

He landed on Tavington's back with a sickening crunch!

Manaphy headbutt him!

Mevya belched in his face!

Me: If War Crimes were recognized as an offense back in the 1700s you know what they would do to you Tavington? They would slash your head off and mount it on a pike for the crimes and atrocities you and your fellow redcoats did back all those years ago!

Nico: Forget your fellow redcoats. At least they never committed the horrible acts you fucking did!

Me: When I speak for him I meant all the Redcoats involved.

Nico: Oh right.

I kicked Tavington in his face.

Me: King George III should have never been made king and just let us run things the way we should have!

I kicked him again!

Jirachi rained anvils on him and Tentacool fired laser blasts and blasted him.

Lincoln got out his Sentai Ring And fired waves of the elements and lightning and blasted him all over!

Lincoln: I'm not really sure if any of my family's ancestors ever fought in the American Revolutionary War but I would make sure all the Redcoats paid for their crimes!

Anna Anyanova: But we do know that Lincoln's ancestors back during the Salem Witch Trials were executed for witchcraft!

Me: That was back during the 17th Century and I'm willing to bet it was Chase Young that had some involvement!

I kicked Tavington in his face!

Winter Icyin: (British Accent) It is highly likely!

Me: We'll have to look it up when we get back.

Yusei got out his Sentai Ring and fired Stardust Dragon's Cosmic Flare Blast and it smashed him down.

Me: YEAH!

Sly Cooper: I'm also willing to bet that like me and my family that the Louds kept coming back to spite Chase Young. Like how w made Clockwerk mad.

Nico: Yeah no kidding!

Hay Lin got out her Sentai Ring and fired waves of wind and blew him around in a tornado.

Me: Take that!

Duncan got out his Sentai Ring

Duncan: I may be a jerk and a punk bully but I would never do the things you did! I have my limits!

He fired waves of energy and blasted Tavington all over.

Iron Man got out his Sentai Ring And fired energy and missile blasts and blasted him all over.

Iron Man: Our independence was secured from tyrannical people like you!

He punched Iron Man but hit his suit

BLANG!

Tavington had his hand broken.

Me: OUCH! That was really stupid.

Megan got out her Sentai Ring and fired lasers and stars.

Megan McCallister: Even I wouldn't do all the things you did to my brother! I have too much honor for that!

Jimmy Neutron got out his Sentai Ring and fired laser blasts.

Jimmy Neutron: That is an affirmative. We have grown in honor and morale.

Qin: Yes we have!

Green Arrow got out his Sentai Ring.

Green Arrow: William Tavington you have failed our country!

Qin: Yes he has!

He fired arrows and bashed him all over the place with them.

Nick got out his Sentai Ring and fired waves of fire and magic and blasted him all over.

Carol fired waves of Gravity lightning and blasted him all over.

Celica: Now for the fun! Lets do it!

INVISIBLE! LUNA! CYCLONE!

Ikari, Luna and Celica: HENSHIN!

They transformed!

Ikari: OUT OF SIGHT AND STRIKING WITH INVISIBILITY! KAMEN RIDER INVISIBLE!

Luna: STRIKING DOWN IN THE NIGHT WITH THE LIGHT OF THE MOON! KAMEN RIDER LUNA!

Celica: THE FURY OF THE STORM! KAMEN RIDER CYCLONE!

Qin: COOL!

Me: Awesome!

Camie: YEAH!

Shotaro: Like old times?

Ikari: you know it!

Shotaro, Philip, Luna, Ikari and Celica: DOUBLE STORM RIDE BLAST!

They fired waves of energy and elements and blasted Tavington all over the place.

Qin: YEAH! TAKE THAT!

Nico punched him in his face!

May fired ice blasts and froze him.

Lincoln fired a blast of Orichalcos Darkness at Shiloh Shunoros and it hit him, and then, Lincoln began sucking out all of Shiloh Shunoros' excessive negative energy and hatred along with all of Adrian Aristeros' powers of The Orichalcos and his powers of Orichalcos Shunoros and it flowed into Lincoln as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Zachary Hart: Lincoln, wait.

Lincoln ceased before he was about to suck out Shiloh Shunoros' soul.

Zachary Hart: Let me end him for good.

Suddenly, Zachary Hart's red eyes turned neon red and he was surrounded by a black and red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and red hellish flames, darkness, dark magic, black magic, Satanic Magic, demons, demon hounds, phoenixes, and angels, and as he approached Shiloh Shunoros, he left black and red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and red hellish flames, darkness, dark magic, black magic, Satanic Magic, demons, demon hounds, phoenixes, and angels with every step.

Zachary Hart: If there's one thing I can't stand, it's trash like you who think you can get away with trying to act like that, this is unforgiveable, and for that, I will put you down once and for all.

Suddenly, Zachary Hart exploded with power and he was surrounded by a massive vortex of black and red, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, black and red hellish flames, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are demons, demon hounds, phoenixes, and angels flying and running around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Shiloh Shunoros: the blood red eyes of eternal death, eternal damnation, and eternal judgement and we saw heavenly lights shining down on the vortex and demonic flames rising from the ground.

Then, as the vortex faded, Zachary Hart emerged, but he was changed forever.

Werewolfairan Vampirairan Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We're not the same as we were when we went after you, and now, we'll make absolutely sure you draw your final breath, Tavington.

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る強力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Tavington and attacked him with fierce fury.

Then, Lincoln joined them and he let out a war cry that thundered all over the place, and the warriors also bellowed out a war cry and they rushed at Tavington and they began attacking him with their claymores, war swords, and greatsword.

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

RIGHT HAND AND KILLED HIM AND HE LET HIM DROP TO THE GROUND AS LYCAON'S GAUNTLETS WENT BACK ON, AND TAVINGTON WAS BANISHED TO THE BLACK ABYSS!

Wise: Just like what happened long ago.

Von Lycaon powered down, and his new body, clothes, jewelry, Third Eye, larger ears, longer tail, large gold halo and large Yata no Kagami mirror with snowflake ring-shaped frame with embedded ice blue gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with snowflake ring-shaped frames with embedded ice blue gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999 large white and black planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999 smaller white and black planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized white and black planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings are permanent, and Zachary Hart's new body, clothes, jewelry, Third Eye, larger ears, longer tail, large gold halo and large Yata no Kagami mirror with crescent moon ring-shaped frame with embedded crimson red gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with crescent moon ring-shaped frames with embedded crimson red gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999 large black and crimson red planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999 smaller black and crimson red planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and crimson red planets orbiting around his wrists and ankles and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large black angel wings underneath his enormous black angel wings are permanent.

We cheered as we holstered our weapons and powered down!

Zachary Hart: And that's that.

Von Lycaon: Yes, and with what I said, I know you were supposed to keep it a secret, Master Lincoln.

Lincoln: Actually, I made everyone aware of it, Lycaon, through telepathy.

Nico: He's right, and Lincoln's got some surprises in store for Team Buktu and Darkseid as well.

Me: That's for sure, we're not letting them get away with their schemes.

Lincoln: That's right, they're going to pay for what they've done.

Von Lycaon: And I must apologize for what all of you had to see. Tavington's actions reminded me of my former partner, and...I had to kill him for he was a dangerous man and a cold-blooded murderer with no remorse.

Me: I had no idea about that.

Nico: Same here.

Belle: We didn't want to ask Lycaon about his past, so we kept it subtle. But, you guys deserved to know the truth. Lycaon's former partner's name is Hugo Vlad Ravenlock, a member of Mockingbird, one of the factions in New Eridu, and as Lycaon said, Hugo is a dangerous man and a cold-blooded murderer, he tried to murder Wise and I, but Lycaon saved us, and...!

Lincoln picked Belle up and hugged her.

Von Lycaon: That memory of what Hugo tried to do, that haunted them, but they recovered from that experience, and Hugo, he didn't survive, my hand pierced his chest and his heart, and thus, the wound was fatal.

Nico: Just like what we saw with Tavington. If Hugo returns, we'll be ready.

Von Lycaon: Thank you.

We went back to Earth and we were in the park.

Nico: God bless the USA.

Me: Yeah you said it.

Qin: That is for sure.

Lola: I'm glad our country is just as awesome as it is.

Nico: Yep.

Nico: Nice job, Sudowoodo

Sudowoodo: Thanks! That was fun.

Poromon: Want some beer?

Sudowoodo: Oh no thanks. I only drink maple syrup.

Me: What? No pancakes?

Sudowoodo: Love pancakes with it.

Me: Good.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Sudowoodo: Aww the puppy eyes? SO CUTE! SO... (CRYING HARD AND LOUD)

Poliwag: It's working!

Nico: No it means he is crying from cuteness overload!

Sudowoodo: (CRYING HARD) IT'S TRUE! ALL THINGS CUTE MAKE ME CRY!

Lola: That is silly.

Nico: George, what do you like to do in your free time?

George: George like helping animal friends of the jungle.

Ape: George has always been there to help us whenever needed.

Qin: Awesome!

Janet: If we see that jerk Lyle I'm going to give him the worst wedgie and the worst smashing ever.

Nico: NICE!

Ymir: Lyle?

Me: His name is Lyle Van De Groot. He was Ursula Stanhope's ex-fiance in the movie. Long nasty story.

Eli: Yeah.

Jamesdean5842: He was arranged to be married to Ursula in an arranged marriage to make them rich.

Ymir: No love in there at all.

Qin: Yeah!

Nico: Now for the Anothers.

Qin: Yep.

Von Lycaon: (Sensed the Anothers as he got out his pocketwatch) Ah, it appears the Anothers are coming, right on time.

Lincoln: (Sensed The Anothers) Yep, they're coming.

Eli: (Sensed The Anothers) They're right, I sense them, and two of them: one of them is The Avatar of The Float Card and the other is someone from Dog City.

Zachary Hart: That's no doubt my sister, Roxie.

Eli: And there's no hostile Another Footsoldiers coming.

Me: Good.

Qin: Yeah!

Me: So we got Another Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar, Demon Thunder, Wendell Bender, Elephant Zombie (Resident Evil), Cranky Doodle and Person Man.

Qin: Yep.

Me: George, Ursula, Magnolia, Ape, Tookie, Shep, Janet, Dr. Scott, Tarzan and Jane are up.

Qin: Cool.

Nico: There they are!

We saw Another Kerchak, Captain Gravyhead, Circuit Gurumar, Demon Thunder, Wendell Bender, Elephant Zombie (Resident Evil), Cranky Doodle and Person Man.

Me: WHOA! This will be awesome.

Another Kerchak: (In a girls voice) It sure will.

They reverted back and they were the gene-slammers of Levia-Dragon Daedalus, Kairyu-Shin, Yormongarde, Spike Seadra, Roaring Ocean Snake, Water Dragon Tyrant and Ocean Dragon Lord - Neo Daedalus and Ocean Dragon Lord - Kairyu-Shin and the Avatar of the Float Card.

Me: WHOA! The gene-slammers of Levia-Dragon Daedalus, Kairyu-Shin, Yormongarde, Spike Seadra, Roaring Ocean Snake, Water Dragon Tyrant and Ocean Dragon Lord - Neo Daedalus and Ocean Dragon Lord - Kairyu-Shin

Grace Hudson: That's right.

Lincoln: And Fayla Float. Awesome to see you.

Fayla Float: You too Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure this is Fayla Float, Avatar of The Float Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of flight, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Float Clow Card, and the magic of Clow Reed. She's The Float Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Fayla Float is a master of the powers of The Float Clow Card and she's a powerful master of flight and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Fayla Float came to Royal Woods where she met Lincoln, and she taught him how to master the powers of flight, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Float Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of flight, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Float Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by making them float in mid-air, but she had them floating over a pool of gelatin, and she sent them crashing into the pool of gelatin.

Me: WHOA!

Qin: Nice!

Nico: Also Grace and her friends are my friends from my Oceanography classes. We did it all there with mapping and studying the oceans.

Qin: Fun times in those.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Christina Cook: Friendly. Also the Another George coming is going to be fun.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Nico: WHEW! No shit!

We glared at the Another George 2!

Poromon: What's the big idea?!

Then Another Zombo came.

Another Zombo: (In a girls voice) Sorry about that.

She reverted back and it was ROXIE HART!

Zachary Hart: (GASP) ROXIE!

Roxie Hart: ZACHERY!

She and Zachery hugged and were reunited!

Nico: Care to introduce us?

Anna Anyanova: Sure this is Roxie Hart, Angel Dog Detective of Dog City, she's Lincoln's Guardian Angel from Dog City and a German Shepherd-Human Hybrid and she's the adopted sister of Ace Hart, Dog City's Private Eye Dog, she's a powerful angel born with rainbow angel wings, Cosmic Pyrokinesis, Cosmic Cryokinesis, Cosmic Hydrokinesis, Cosmic Geokinesis, Cosmic Aerokinesis, Cosmic Electrokinesis, Cosmic Photokinesis, Cosmic Umbrakinesis, immense power over the elemental forces, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the abilities and strengths of all dogs combined, and she's also a very skilled detective finding clues and putting the clues together to find the culprit. But, of course, she also had some problems with Dog City's criminal underworld, when she was little, her parents were kidnapped and thrown into the ocean by Bugsy Vile, Dog City's notorious canine crime lord, and she swore to bring him and his gang to justice, but she couldn't do it alone not by herself. She'd joined Ace Hart, and there she set out to bring down Bugsy Vile and his gang along with Dog City's other notorious criminals, but she also had a challenge as well, and it wasn't just from Bugsy Vile and his gang along with the other criminals of Dog City: it was her older brother, Zachary Ramirez. Although Roxie set out to get justice for her parents by sending Bugsy Vile and his gang along with the other criminals of Dog City to the slammer, Zachary, her older brother, wanted revenge on them, and he swore to turn the criminal underworld of Dog City into a blazing inferno of ruin, and he couldn't stand the fact that Bugsy Vile along with his gang and many of Dog City's notorious criminals are still alive, and his hatred towards them destroyed his life when one night nine years ago, he set out to kill Bugsy Vile, but in the end, he got caught and he was shot in the heart and killed, and he realized that his hatred against Bugsy Vile and his gang and all of Dog City's criminals had caused him to burn the bridge with his sister, Roxie, and he would die all alone with no one with him. But, years later, the darkness released by the demise of The Church of Necrom brought Zachary Ramirez back from the dead, but he turned from human into a full-blooded German Shepherd and he gained all of the dark demonic powers of

The Church of Necrom including massive black angel wings, the immense powers of darkness, dark magic, black magic, Satanic Magic, immortality, invincibility, Omniscience, Cosmic Awareness, and the abilities and strengths of all dogs combined, but he didn't let that demonic evil control him, instead he purged it from him, and he instead wanted to prevent others from suffering the same fate as him, so he assisted Roxie and Ace from the shadows and he kept his dark gift hidden from Dog City. Roxie Hart moved to Royal Woods, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, Cosmic Cryokinesis, Cosmic Hydrokinesis, Cosmic Geokinesis, Cosmic Aerokinesis, Cosmic Electrokinesis, Cosmic Photokinesis, Cosmic Umbrakinesis, immense power over the elemental forces, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the abilities and strengths of all dogs combined, and over time, Lincoln gained Cosmic Pyrokinesis, Cosmic Cryokinesis, Cosmic Hydrokinesis, Cosmic Geokinesis, Cosmic Aerokinesis, Cosmic Electrokinesis, Cosmic Photokinesis, Cosmic Umbrakinesis, immense power over the elemental forces, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the abilities and strengths of all dogs combined, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew, and they even helped the police by investigating, and Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a passion, and she swore to bring him down and send him and his entire family to prison, and here's a shocker: she's been after him and his family for nine years for a whole litany of crimes that made them the hated pariahs of Royal Woods, Michigan.

Me: WHOA MAN!

Qin: That is nuts!

Nico: And your friend?

Another George 2: (Gets up) Someone who is there to help is friends and brother.

George: (GASP) George know voice!

She reverted back and was an orange hair girl with red angel wings and a red jungle bikini.

George: Camille!

She went and hugged George and cracked three coconuts on his head and rubbed his face in her armpits!

WE LAUGHED!

Ape: That is their greeting they would do together and it's fun.

Roxie Hart: No he didn't. Because Camille here smashed him in lots of coconuts.

Me: Nice!

Sakura Knudson: That explains why I found him covered in coconuts.

Me: Yikes.

Camille: Yeah! Hey J.D. I heard you say something funny in Swahili back in 2020. Can you say it?

Me: Sure. (Speaking Swahili) Nisamehe wasichana. Najua unahisi baharia hapa juu sasa. Lakini ikiwa utaniruhusu niagize bakuli la utaftaji wa kukaanga ... Sote tunaweza kuwa na ndui kesho asubuhi. (Pardon me girls. I know you're feeling sailor up here about now. But if you would just let me order a bowl of fried clams... We all can have smallpox tomorrow morning.)

N'Dugo, Kip, and Baleto Laughed hysterically and so did Hunter's friend Tshibangu! So did Naserian and Nalutuesha the Sandfang Gene-Slammer!

Nico: That is funny!

Ymir: What did he say?

Tshibangu: (LAUGHS) (Congo Accent) He said "Pardon me girls. I know you're feeling sailor up here about now. But if you would just let me order a bowl of fried clams... We all can have smallpox tomorrow morning." That was one of the funniest things we've ever heard!

Ymir: (LAUGHS) THAT IS FUNNY!

Qin: (LAUGHS) Yeah!

Laney: Yeah! We've never seen them laugh that hard!

Me: That makes them laugh really hard! That and seeing a bad guy fall face first into a pile of fresh elephant shit!

WE LAUGHED EVEN MORE!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju Armor.

Camille: That is funny! I liked that!

Qin: YEAH!

Me: Lets separate you girls first.

We did so.

Me: Lets dance!

Nico: I'll show you! (Gets out Zombo's ridewatch) STAY AWAY FROM JIPNER'S JOYLAND! OR ELSE!

May: (Gets out Elephant Zombie's ridewatch) (ELEPHANT TRUMPET)

Universe 666 May: (Gets out Cranky Doodle's ridewatch) I AM A CRANKY GUY AND PROUD OF IT!

Cranky Doodle: You got that right!

Maria: (Gets out Person Man's ridewatch)

Maria threw a frying pan and it hit me in the head!

CLANG!

Me: OW! WHAT THE FUCK WAS THAT FOR!?

Maria: Sorry.

Dr. Scott: (Gets out Wendell Bender's ridewatch) I'm going to rip your teeth out!

Me: If Dr. Bender went after me i would bite his throat open!

They used the powers of Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar, Demon Thunder, Wendell Bender, Elephant Zombie (Resident Evil), Cranky Doodle and Person Man and smashed the Anothers all over.

Poromon: Yeah!

Trapdoor Crab (Skull Island), Psycho Pirate, Burning Leo, Rocky (Looney Tunes), Bankumashroom and Jerk Turkey (Tex Avery) Came.

Me: WHOA!

Trapdoor Crab roared.

Nico: Wow nice team Trapdoor Crab.

Trapdoor Crab roared in agreement.

Me: Brainstorm's team next.

Brainstorm: Indeed.

Qin: Cool.

But then we smelled a REALLY HORRIBLE FOUL ODOR!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR!?

Eddy: P.U.! NICO DID SOMETHING CRAWL ON YOU AND DIE!?

Nico: IT'S NOT ME!

Me: ED?!

Ed: Not me!

But then a massive wall formed and it was WALL OF PUTRID FLESH!

Me: WHOA! WALL OF PUTRID FLESH!

Nico: HOLY SHIT YOU ARE STINKY!

Wall of Putrid Flesh: (In a girls voice) And it's awesome.

Nico: Lana Langsley Rotfest! No wonder.

She reverted back.

Lana Langsley Rotfest: Good to see you Nico. I got this.

She fired a stench and rotten flesh blast and it hit the anothers and they exploded. I caught the ridewatches and purified them.

Me: Yeah. But man! Lana you smell horrible! When was the last time you took a shower or a bath?

Lana Langsley Rotfest: Never even took a bath for 20 years.

All of us: EW!

Me: OH GOOD GOD!

Nico: Nice job! BUT YOU ARE GOING RIGHT INTO THE TUB RIGHT THIS MINUTE!

Lana: I like the smell! She smells awesome.

Me: Lana would you rather have us throw up all over from the stench? It smells worse than Lori's farts!

Lori: I HEARD THAT!

Dr. Scott: Do you have any good memories of Nico?

Lana Langsley Rotfest: I do. When me and Nico went and battled cheese smugglers and I used my overwhelming stink to make them surrender.

Me: GEEZ That is some really nasty stench.

Nico: No kidding! Lets get you home and cleaned up. And I missed

you.

Lana Langsley Rotfest: Same here.

Nico: While you guys get her cleaned up I'm gonna go nap. All those bones being reset wore me out.

Me: Now you know how I felt.

We went back home and got her into the tub right away! We got her cleaned up good. Nico went and took a nap.

George of The Jungle: George has feeling it's not gonna be easy.

Lincoln: No, it's not, it's in the hands of the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon, and I still remember when we faced Blue-Eyes Dark Dragon when we went after Gozaburo Kaiba. But, not Blue-Eyes Ultimate Dark Dragon, you thought Blue-Eyes Dark Dragon was powerful, Blue-Eyes Ultimate Dark Dragon is FAR MORE powerful than him! He's the second hypothetical Akuma of Seto Kaiba, and he is a master of lightning, light and dragons. He was made because of Pegasus, Dartz and Gozaburo Kaiba causing all the pain in his life and vowed to destroy them all with the intense power of Blue-Eyes Ultimate Dragon times 100,000,000 at 450,000,000,000 power!

Lincoln got out his sketchbook and we saw him, he's a dark version of Blue-Eyes Ultimate Dragon with 450,000,000,000 Attack Power!

Nico: Oh man! We're in for a wild fight!

We got a move-on, and then, we spotted our target: the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon who has The Dark Float Card and Lincoln fired an energy blast that hit them that forced The Dark Float Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Float Card and he began sucking out all its float powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Float Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Float Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Float Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon.

We turned to the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon who roared at us and fired blasts of lightning and light, but Lincoln absorbed them and he got another supercharged power boost.

Lincoln: Hah! Nice try! Alright, let's get them.

Robin Hood went after the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked them with the blades on his bow leaving scars on him, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in their soul and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Float Card and Lincoln absorbed the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long yellow hair, blue eyes, massive yellow angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, yellow sleeveless strapless top, yellow skirt with Gem-Knight Topaz, white bridal gloves, yellow knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Topaz, she has a light greatsword, and with her are the fourteen girls.

Lincoln: (GASPS) Tanya Topaz, Avatar and Gene-Slammer of Gem-Knight Topaz.

Serena Sardonyx: That's right, and I got the girls away from the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon and The Dark Float Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Float Card when I sucked out its powers and absorbed the clones. (To Tanya Topaz) And it's so good to see you again, Tanya.

Tanya Topaz: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Tanya Topaz had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Tanya Topaz was done, Lincoln was covered in lipstick marks on his

face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Tanya Topaz: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Tanya Topaz's waist and hugged her, and Tanya Topaz is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white

Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tanya Topaz: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 50'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Tanya Topaz, Avatar and Gene-Slammer of Gem-Knight Topaz, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of topaz gems and crystals. She's known as The Topaz Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Tanya Topaz came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of topaz gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of topaz gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Tanya's parents and her little sister, Tara, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Tanya.

Lincoln with his massive muscular arms still wrapped around Tanya Topaz's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Tanya Topaz: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tanya Topaz with topaz crystals on the gold lightning bolts and topaz links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Tanya Topaz: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Tanya Topaz.

Tanya Topaz had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Tanya Topaz's waist, and he leaned down to her face and kissed her on the lips, and with Tanya Topaz's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Tanya Topaz had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Tanya Topaz: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The fourteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the fourteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the fourteen girls are Empress, Phantom, Quick Camel, Valkyrie, Veronica, Tachi, BoRyeon, Olivia, Atalanta, BaekTo, Perrault, Keumran, Sunny, and Ellie from Last Origin.

Lincoln: Oh whoa, it's Empress, Phantom, Quick Camel, Valkyrie, Veronica, Tachi, BoRyeon, Olivia, Atalanta, BaekTo, Perrault, Keumran, Sunny, and Ellie from Last Origin.

Nicole: Uh oh, Travis and Red were right telling the boys to run and hide, they're sexy girls!

Lincoln: That makes them easy targets for someone who wants to hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Empress: Yes, we're okay, thanks to you.

Then, when Empress and the other thirteen girls saw who it was that saved them from The Dark Float Card and the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon, their faces turned atomic red and their noses gushed out blood upon seeing the 50'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline thick brown goatee on his chin, long wild rainbow hair going down to the upper part Empress: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks

healed and the puncture marks sealed up, and he also kissed where he bit them.

Phantom: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Empress, Phantom, Quick Camel, Valkyrie, Veronica, Tachi, BoRyeon, Olivia, Atalanta, BaekTo, Perrault, Keumran, Sunny, and Ellie with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, long crimson red hair, crimson red eyes, massive fire-colored angel wings, she has on an orange two-piece bikini, and a fire greatsword.

Lincoln: (GASPS) Carmen Chiliraira, Queen of The Chilirairans of Planet Chiliraira.

Nico: The last surviving Chiliraíran. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, everyone, this is Carmen Chiliraira, Queen of The Chilirairans of Planet Chiliraira, she's Lincoln's Guardian Angel from Planet Hououaira, a planet of spicy nuclear hot chili peppers in The Forbidden Zone, she was The Queen of The Chilirairans who ruled the planet of Chiliaira and a powerful lover of spicy nuclear hot chili peppers and she's also far more powerful than her own people: in addition to being a natural born fighter and born with superhuman strength and Full Heat Nirvana, having immense power over fire, flames, nuclear hot spicy chili peppers, nuclear hot spicy hot sauces, and the ability to grow even stronger, but she was also born with angel wings, superhuman strength, immense powers over fire, flames, nuclear hot spicy chili peppers, nuclear hot spicy hot sauces, Full Heat Nirvana, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Carmen Chiliraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of superhuman strength, immense power over fire, flames, nuclear hot spicy chili peppers, nuclear hot spicy hot sauces, Full Heat Nirvana, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and over time, Lincoln gained omnipotent power and superhuman strength and the immense powers over fire, flames, nuclear hot spicy chili peppers, nuclear hot spicy chili peppers, Full Heat Nirvana, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Chilirairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength and powers even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did, but she knew that it was part of a vision her people had: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of the male Chilirairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix, and she saw that he's a powerful lover of nuclear hot spicy peppers and nuclear hot spicy hot sauces. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them burned to death with the power of Chiliraira!

Carmen Chiliraira: And I knew Lincoln absorbed the souls of the male Chilirairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Carmen Chiliraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Carmen Chiliraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carmen Chiliraira with crimson red gems on the gold lightning bolts and Carmen Chiliraira crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper

and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Carmen Chiliraira: That's my special gift to him: Chiliraira's Blessing of The Spice Demons, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 50'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Carmen Chiliraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Chilirairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Float Card of all its powers and absorbed the clones of Blue-Eyes Ultimate Dark Dragon and Blue-Eyes Dark Dragon after we took them down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Tanya Topaz saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Tanya Topaz: My God, I was right that Lincoln's really grown into a

50'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Tanya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Tanya Topaz: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Tanya Topaz: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Lincoln got into The Simulator and it activated, and he found himself in The Sensei Fire Realm, and we saw it on the big screen.

Lincoln: Ah, The Sensei Fire Realm.

Me: I hope you're gonna fight one of the villains in there like we did.

Alexander Avalon: (Sensed it) Afraid not, looks like Alecto Slytherin's sent clones of The Celestials: Arishem the Judge, Ashema the Listener, The Blue Celestial, The Celestial Gardener, Devron the Experimenter, The Dreaming Celestial, Ea the Wise, Eson the Searcher, Exitar the Exterminator,The Fallen, Gamiel the Manipulator, Gammenon the Gatherer, Hargen the Measurer, Jemiah the Analyzer, Nezarr the Calculator, The One Above All, Oneg the Prober, The Red Celestial, The Red/Blue Judge, Scathan the Approver, Tefral the Surveyor, and Ziran the Tester, and The Monitors: Mar Novu, Anti-Monitor, Bob, Solomon, Nix Uotan, Zillo Valla, Weeja Dell, Mandrakk, Tahoteh, Zip Hermuz, Rox Ogama, and Ray-Lan.

Nico: Hope you're in for one immense power surge.

Lincoln headed to the shrine, and he'd slain many Fire Spell Punks and sucked out their powers and made them his own.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in their souls and they faded away and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Then, Lincoln saw armies of Alecto's dark witches and dark wizards appear, and Lincoln really WENT WILD ON THEM AS HE TORE THEM APART: HE RIPPED THEM TO SHREDS AND WHEN HE WAS DONE, HE LET OUT THE LOUDEST AND MOST DOMINANT WOLF ROAR AND HOWL THAT ECHOED THROUGHOUT THE SENSEI FIRE REALM AND WE HEARD IT IN HERE AS WELL!

OUR JAWS DROPPED TO THE FLOOR!

Me: HO-LY...!

Nico: DAMN...!

Lincoln used his telekinetic powers to close them, and then he exited The Simulator and powered down.

Lincoln: Guys, if you keep this up, you're gonna get flies in your mouth one of these days.

Suddenly, Lincoln even felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Anna Anyanova: Oh shit, Lincoln's gonna evolve even more!

We felt it!

Luna: Oh, dudes, he's gonna explode even more with power!

Eli: Whoa! Luna's right, Lincoln's energy and power is exploding even more!

HEAVENLY MUSIC AND THE LOUD HOUSE INSTRUMENTAL INTRO PLAYS

Suddenly, Lincoln grew from 50'11" to 60'11' in height, his abnormally massive and powerful upper and lower body muscles covered in brown fur grew much larger for his new body and he still

We were literally stunned, amazed, and struck with total awe at Lincoln's brand-new evolution, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Lincoln: Heh, well, I'll be.

I saw myself in the mirror, and I was stunned.

Me: What the?! Oh man!

Lincoln and I holstered our massive greatswords and Lincoln and I continued to work out.

Eli: He...! I...! I have no words to even say!

Me: No words are needed. Lincoln's getting even more stronger than ever!

Nico: Ever since the darkness of Dark Chase Young lifted, he's not only stronger, but he now feels even more lighter than ever.

Lanaia: You said it. (Voice Breaking) I'm so proud of my little bro...!

We all knew Lincoln's changed so much: it was due to the fact that Dark Chase Young is gone forever, the prophecy was fulfilled, and the dark cloud hanging over him and his family was finally gone, and he's now an even more stronger man. Team Buktu was going to face a brand-new Lincoln, and those shitheads are going to regret this with their lives especially Alecto Slytherin and the many villains on the loose.

We got a shower, and then, Lincoln, Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie are heading to Seaside Hill, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 60'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all. And we also found out about Universe 45 from Braeden Carnes, it's a universe where heroes and villains live together in peace and headed by Universe 45 Lord Raiden and Universe 45 Slade.

Molly (Hazbin Hotel): Wow, we're here in Seaside Hill, it's so beautiful.

Lincoln: You said it, Molly, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Xemnas the Dark, Xigbar the Space, Xaldin the Wind, Vexen the Ice, Lexaeus the Earth, Zexion the Illusion, Saix the Moon, Axel the Fire, Demyx the Water, Luxord the Time, Marluxia the Flower, Larxene the Lightning, Roxas the Light, and Xion the Sun.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clones of Xemnas the Dark, Xigbar the Space, Xaldin the Wind, Vexen the Ice, Lexaeus the Earth, Zexion the Illusion, Saix the Moon, Axel the Fire, Demyx the Water, Luxord the Time, Marluxia the Flower, Larxene the Lightning, Roxas the Light, and Xion the Sun.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Xemnas the Dark, Xigbar the Space, Xaldin the Wind, Vexen the Ice, Lexaeus the Earth, Zexion the Illusion, Saix the Moon, Axel the Fire, Demyx the Water, Luxord the Time, Marluxia the Flower, Larxene the Lightning, Roxas the Light, and Xion the Sun and he began absorbing them and assimilating Xemnas the Dark, Xigbar the Space, Xaldin the Wind, Vexen the Ice, Lexaeus the Earth, Zexion the Illusion, Saix the Moon, Axel the Fire, Demyx the Water, Luxord the Time, Marluxia the Flower, Larxene the Lightning, Roxas the Light, and Xion the Sun's powers of darkness, space, wind, ice, earth, illusions, the moon, fire, water, time, flowers, lightning, light, and The Sun, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones, and Lincoln sucked out every last bit of energy from the clones' soul and the clones faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his

forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Universe 45 Cinder Fall, Molly, Black Forest Cookie, and Wedding Cake Cookie are in your harem, Linky.

Universe 45 Cinder Fall, Molly (Hazbin Hotel), Black Forest Cookie, and Wedding Cake Cookie showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clones of Xemnas the Dark, Xigbar the Space, Xaldin the Wind, Vexen the Ice, Lexaeus the Earth, Zexion the Illusion, Saix the Moon, Axel the Fire, Demyx the Water, Luxord the Time, Marluxia the Flower, Larxene the Lightning, Roxas the Light, and Xion the Sun after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated their powers of darkness, space, wind, ice, earth, illusions, the moon, fire, water, time, flowers, lightning, light, and The Sun. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our showdown with The Harvesters starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Poliwag and the mascots were heading to the door.

Poliwag: We're off to get fireworks!

Me: OOH!

Major Glory: Some of us will go with you.

Me: Good idea.

Poromon: Sure thing.

Me: I know where there's a good fireworks tent. It's down at the end of the block.

We went with them.

Just now

We arrived at the tent.

Captain America: Is this it?

Me: Yep this is it Steve.

It was a like a circus tent but with fireworks.

We went in and saw everything. Rockets, smoke bombs, poppers, fizzers, sparklers, everything.

Qin: Wow look at all these.

Camie: So many to choose from.

Timothea Timon: Wonder if there are any roman candles.

Lola: Loads of them.

We saw that they were over $20.00 for some of them.

Swindle: Amazing prices!

Me: Yeah.

Homer: I hope they have big ones like the one I bought.

Bart: Dad bought a big one and accidentally lit it and threw it in the dishwasher and it exploded. (Season 7 Episode 25)

Nico: Really?

Bart: Yeah he sure did. Slop spilled everywhere.

Homer: It was an M-320.

Me: Whoa! That one packs a wallop.

Poliwag got out a match.

Sunstreaker: POLIWAG, NO!

Poliwag: Oops!

He put it back.

Me: Whew!

Qin: Nice try though.

We went to the vendor.

Vendor: What can we get for our heroes of Team Loud Phoenix Storm?

Me: We'll buy all you got.

I pulled out a big bag of money.

Vendor: Sold!

Nico: WOW! That was fast!

We grabbed all they had in the tent.

Vendor: No customers came for me and it was boring. You made up for it all.

Me: That sucks. Must be because shooting off some fireworks is illegal.

Vendor: Yeah.

Nico: Probably because of places with gasoline

Me: No primarily because of trees and the weather conditions.

Nico: That too.

We left the tent. It was emptied out.

Me: This will be fun.

Poromon: Yeah!

But then we saw something dark coming.

Me: Uh oh.

We saw THE BLOOD AND HONEY VERSIONS OF POOH AND FRIENDS COMING AT US!

Me: UH OH!

Poromon: LOOK AT IT! Wait a minute we destroyed them!

Me: Wait look!

We saw Mega Darkrai!

Me: A Mega Darkrai! No wonder!

Poromon screamed!

Poromon: (SCREAMS IN FRIGHT)

Nico: WHOA! Must be one of Dark Gale's work

Stacy Storious: Lets see.

She used Telepathy and gasped

Stacy Storious: WHOA! It's our teammate Gwen Hayato Fukamiya!

Nico: WHOA! She must be related to Hayato.

Megan: WOW!

Me: Lets go help her.

We went over.

Stacy Storious: Gwen calm down. It's me Stacy!

She used Dark Void on Horsea but she put her clone in front of her.

The clone got blasted by it and was knocked out.

Me: WHOA! Powerful! Okay.

We fired waves of light and blasted her.

I snapped my fingers and she reverted back.

She was a girl with black hair, purple eyes and black angel wings and had the symbol of Kamen Rider Calibur with a Voodoo Dreamcatcher with a Satanic Pentagram and a beating heart and a skull on it on her forehead and arm as a cutie mark.

We wrapped her in a blanket and brought her over to a bench.

Me: There.

She woke up to see Horsea's smiling face.

Gwen Hayato Fukamiya: (Groans) Whoa I feel like I just came out of an eternal nightmare. And you are a cute Horsea.

Horsea: I sure am and you hit my clone!

Maria picked her up.

Me: You were turned into a Mega Darkrai by Dark Gale.

Gwen Hayato Fukamiya: Oh man! I was fighting my own brother Hayato Fukamiya. You see we have a NASTY history. We hate each other.

Me: Why?

Gwen Hayato Fukamiya: Well he is Kamen Rider Calibur and I have all his powers and more.

Stacy Storious: Gwen used to hate her brother with a vengeance for all his crimes during Touma's adventures. But after realizing it was my brother Storious that was behind it all, she vowed to kill him too.

Poromon: Your Rider name?

Gwen Hayato Fukamiya: I don't have a Rider Name unfortunately.

Stacy Storious: She helped the riders like how me and all my team do. I forgot to tell you this. We are known as the Sisterhood of The Saber Riders. We are the sisters of the Saber Riders and we have all their powers and mastery of the sword and use our powers to help our siblings battle their enemies.

Megan: That is amazing!

Stacy Storious: Yep. And primarily it's against my brother Storious.

Megan: Whoa.

Gwen Hayato Fukamiya: Yep. I have the powers of darkness and even can bring nightmares to life and also have the powers of Shadow Dragons.

Me: Dark!

Rarity: Goodness! Lets get you some new clothes darling.

The fashion brigade gave her new black clothes and a darkness sword.

Gwen Hayato Fukamiya: I look amazing.

Nico: You sure do.

We went back to the estate.

Poromon, Poliwag, Manaphy, and Horsea: Happy 4th of July, everybody!

Me: Same to you guys.

Vypra: I love this day.

Dark Spicer: Me too.

Lord Drakkon: It's fun.

Camie: It sure is.

Ymir: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Harvesters, and they're going to plan their attack on Earth. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: Finally, the time has arrived.

Eli: The Harvesters...!

Lincoln: Yep, but this is where they meet their end.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Harvesters, and they're going to plan their attack on Earth.

EVERYONE GASPED!

May: They must've found out about what we did to Tavington.

Lincoln: Which is why we're taking the fight to their homeworld planet, and we're going to end every last one of them.

Then, Vincent Valentine and Lucretia Crescent arrived.

Tifa: Vincent, Lucretia, what brings you guys here?

Lucretia Crescent: We'd heard Lincoln's premonition, and we've gotten some additional help.

Eli: You mean...?

Then, a portal opened, and out came Cait Sith, Red XIII, Barret Wallace, Biggs, Wedge, Billy Bob, Nayo, and Polk.

Eli: Oh man, Cait Sith, Red XIII, Barret Wallace, Biggs, Wedge, Billy Bob, Nayo, and Polk.

Red XIII: Nice to see you again, Eli, Tifa, Cloud, Aerith, and Yuffie.

Yuffie: You too, guys.

Cloud Strife: Lincoln's already known Sephiroth would return, so he'd gone to get additional help.

Aerith: From our friends we met on our journey when we set out to stop Sephiroth.

Vincent Valentine: We're still recruiting more of our allies as well. Reeve is working with a clone that Lincoln sent to assist him.

Eli: That's some smart planning, and it's good to see you guys again.

Cait Sith: (Scottish Accent) Aye, you too, Eli lad. Soon, we'll be ready to take the fight to Sephiroth and give him what for.

Barret: Now, then, let's get this show on the road.

Nico: Now, you're speaking my language, Barret. Alright, let's deploy The U.S.S. Valorous Phoenix and head for The Harvester Homeworld.

Lincoln: Time to put an end to those invaders once and for all and blow their entire planet to space dust.

Qin: Sweet!

Vypra: You know we'll all go with you.

Starline: (to Starlight) You should take care of that Sudowoodo

Starlight Glimmer: I will and this will be awesome!

Qin: It sure will.

Camie: I can't wait to destroy those aliens.

Vypra: Me too.

Me: Because of them President Whitmore made the ultimate sacrifice.

Lincoln: And caused a lot of pain inside me.

Nico: That Audrey Madison amplified.

Lincoln: Yeah!

Me: But this time we're going to end them forever.

Poromon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Oh right can't forget the mandatory question. Wall of Fire next.

Me: Fiery!

Xenia: Yeah!

Vypra: Here guys you'll need these.

She gave us a bunch of weapons called the Destroyers of The Harvesters, they're a massive collection of holy greatswords, blasters, spellbooks, and magic rings infused by holy magic and the powers of The Gods and Goddesses of The Ancient World and the power of God, The Angels, and Archangels of Heaven that'll really hurt those evil aliens!

Me: Thanks Vypra!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Olivia Voldaren from Magic: The Gathering, and she's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Olivia Voldaren from Magic: The Gathering, and she's come back for revenge on us again.

Luna: Ugh, that vampire just doesn't know when to quit.

Sina Shunoros: This is Shiloh's doing alright, we'll make sure Olivia Voldaren is vanquished for good.

Lincoln: When I drain her dry of blood and all her powers and abilities.

Nico: You said a mouthful. Alright, team, let's go, it's time to put an end to The Harvesters for good.

Lincoln: They have made too many attempts to invade Earth for the last time, this ends here, and once we get done with them, you're next, Olivia Voldaren.

Sina Shunoros: My brother made a huge mistake bringing you back from the dead, Olivia Voldaren, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we deployed The U.S.S. Valorous Phoenix and we headed to The Harvester homeworld to destroy The Harvesters and destroy their planet and send them all to The Black Abyss once and for all, and once we get rid of the Harvesters forever, Sina Shunoros and Lincoln are going to destroy Olivia Voldaren and send her to The Black Abyss after Lincoln absorbs her.

we were off

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14148.3: The U.S.S. Valorous Phoenix is en route to the home planet of the Harvester Aliens and we're heading there to destroy them once and for all. The threat they pose to the entire universe ends right now.

Poromon: Are we there yet?

Me: We won't be there for at least another half an hour. But President Whitmore would like to say something.

I saluted him and gave him the intercom.

President Whitmore: Good afternoon. In less than an hour, aircraft from here will join others from around the world. And you will be launching the largest aerial battle in this history of mankind. Mankind - that word should have new meaning for all of us today. We can't be consumed by our petty differences anymore. We will be united in our common interests. Perhaps its fate that today is the 4th of July, and you will once again be fighting for our freedom, not from tyranny, oppression, or persecution - but from annihilation. We're fighting for our right to live, to exist. And should we win the day, the 4th of July will no longer be known as an American holiday, but as the day when the world declared in one voice: "We will not go quietly into the night! We will not vanish without a fight! We're going to live on! We're going to survive!" Today, we celebrate our Independence Day!

WE CHEERED WILDLY! IT WAS OUR INDEPENDENCE DAY! OUR FREEDOM FROM THE TERRORS OF THE HARVESTER ALIENS! THE UNIVERSE WILL UNITE AGAINST THE HARVESTER ALIENS AND DESTROY ThEM FOREVER!

Poliwag: Yeah!

Jirachi: LETS DO IT!

The ship arrived at an unknown solar system.

We were passing through a nebula and then we saw it! THE HARVESTER HOMEWORLD!

Me: Target sighted!

Nico: Yep. All hands red alert! Man your battlestations!

The alarms sounded and we locked and loaded and manned our battlestations!

Nico: Ready the fleets and ships and launch!

Me: Roger!

We went to our starships and fighters.

Nico: Fire all EMP bombs!

We fired Electromagnetic Pulse bombs and they blasted off and disabled their ships and defenses.

We launched and our ships were locked on.

Red Leader: All wings report in.

Me: Phoenix Leader standing by.

Nico: Blue Leader Standing by.

Vince: Purple Leader Standing by.

Red Leader: Lock S-Foils in Attack Position.

We did so.

Me: This is it boys!

Nico: Fire at will!

Me: Fire at will!

We fired laser and energy missiles and energy blasts and they hit NUMEROUS CITY DESTROYERS AND MOTHERSHIPS AND BLEW THEM ALL INTO OBLIVION IN MASSIVE AND HUGE FIERY EXPLOSIONS!

NUMEROUS AND POWERFUL FIERY EXPLOSIONS OF INCREDIBLE POWER!

NUMEROUS FIGHTER SHIPS CAME AT US!

President Whitmore: Evasive Manuevers!

Me: Evasive Action!

We blasted NUMEROUS SHIPS All over and massive explosions were seen everywhere!

Nico: Superlaser cannons fire at will!

Fu: FIRE!

The ship fired SUPERLASER BLASTS!

MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSIONS!

BLOWING NUMEROUS MOTHERSHIPS AND COLONY SHIPS TO SMITHEREENS

I fired numerous laser and energy blasts and blew numerous fighter ships to dust!

Nico: NO ONE MESSES WITH EARTH AND GETS AWAY WITH IT!

Timothea charged at them And blasted them with energy blasts and more!

Laney: Nico sensors show that we have them on the ropes!

Nico: Excellent.

Me: This is for all the millions of people you killed on Earth!

We were blasting them left and right!

Timothea was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with the others.

Timothea Timon: NO! We control the power. It doesn't control us.

Timothea and the others reigned in their transformations and put their ships on autopilot.

They got out and transformed into Meerkatosaurus and Mega Darkrai, Mega Venomoth, Mega Electrode and Mega Kecleon and blasted the ships left and right all over the place.

Me: YEAH!

Then we saw THE HARVESTER ALIENS QUEEN HERSELF!

She came out and we faced her.

SHE WAS UGLY!

We saw the Harvester Queen herself.

Caleb Maxwell: Is that...?

Nico: That's The Harvester Queen, and she's got her Elite Guards.

Me: This is where they're going to make their last stand.

Lincoln: Then, let's get this final battle started with a bang.

Me: WHOA! You are ONE UGLY BITCH!

Harvester Queen: (In alien language)

I turned on our translators.

Harvester Queen: (Telepathy) You are all a bunch of fools for coming to our world!

Me: You attacked us first! So this is payback for what you did!

Nico: It's only fair!

Harvester Queen: All life in the universe is meaningless. We are here to destroy everything and everyone so that only we can live.

Me: Well you fucked around with the wrong planet! And you fucked around with us! It's payback time!

We fired more lasers and energy blasts and blew her guards apart!

Me, Ben, Bella, Jen and us scanned her and her kind with our Omnitrixes and got new aliens to morph into.

Dark Spicer: Lets see how you like this.

He turned into a Harvester Alien hybrid! It looked like the queen but with wings and had NUMEROUS SPIKED tentacles!

Harvros: MEET HARVROS!

Shanan: WHOA! A Harvester Queen Hybrid! That is awesome!

Nico: Well done Dark!

Harvros: Let's see what he can do.

He fired NUMEROUS laser blasts from his tentacles and blasted numerous ships and guards all over in massve and powerful fiery explosions!

Vypra: WHOA! Way to got Dark!

Harvros: Now that is awesome asskicking!

Nico: YEAH!

?: Sorry we're late guys!

We saw A MASSIVE ARMADA OF HUGE AND SMALL SHIPS! IT WAS NUMEROUS SHIPS FROM ALL OVER THE UNIVERSE!

Captain Kirk: We thought you all could use a hand for this on the 4th of July.

Me: We appreciate it Kirk! Great timing!

Captain Kirk: Thanks! Lets get them!

They blasted numerous ships all over!

ALL OF OUR ALLIES AND FRIENDS FROM ALL OVER THE UNIVERSE CAME AND BLASTED THE SHIPS LEFT AND RIGHT!

Adrian Morrigan went after The Harvester Queen and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit her, and he also whacked her and blasted her with his staff. Then, he also attacked her by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at her which hit her hard.

POW!

Caleb Maxwell punched The Harvester Queen hard in the face and he slashed her in the stomach with his gold-armored dragon claws, and he kicked her into another wall, and we saw the anger in Caleb's eyes: he was out for blood, and the skies turned black and red.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at The Harvester Queen with silver bullets from his guns and he blasted them with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at The Harvester Queen as she was riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at The Harvester Queen with darkness and malice. Caleb landed as the barrier came down.

Harvester Queen: DAMN YOU! DAMN YOU ALL! ALL OF YOU JUST DIE! I HATE YOU ALL!

OUR RAINBOW ENERGY AURAS FLARED UP EXTREMELY!

SUDDENLY, CALEB MAXWELL, TYLER MAXWELL, ALEXANDER MAXWELL, ALLIE MAXWELL, AND MARLENE MAXWELL GOT PISSED OFF AND THEY LET OUT AN ANGRY SCREAM LIKE LOLA AND THEIR SKIN TURNED RED AND THEIR HAIR TURNED INTO FIRE, AND THEY GOT PISSED OFF BIG TIME AND THEY RAN AT AND POUNCED ON THE HARVESTER QUEEN AS THEY LET OUT ANOTHER ANGRY LOLA LOUD STYLE SHRIEK AND THEY GOT INTO A HUGE FIGHT CLOUD AND STARTED BEATING THE SHIT OUT OF HER!

When they were done, The Harvester Queen had a bloody nose and gouged out eyes, and Caleb, Alexander, Tyler, and Allie slashed off her tentacles, arms, and legs!

Nico: OH MY GOD! THAT'S JUST GRODY!

Nicole: Jesus, next time you guys do something like that again, you're gonna be washing Dad's dirty clothes, same with Lana's and Lynn's! And you'll be dealing with the smell of Lynn's stinky socks and jerseys and Lana's dirty smelly overalls and shoes and socks!

Alecto Slytherin: No! No! I WILL NOT LET THIS HAPPEN!

Alecto Slytherin appeared and tried to attack us again, but Lincoln fired a massive wall of light that hit Alecto Slytherin and he got burned.

Alecto Slytherin: (ENRAGED SCREAM) DAMN YOU ALL! I HOPE DARKSEID AND TEAM BUKTU KILLS YOU BEFORE I DO ALONG

WITH THE LAST REMNANTS OF DARTZ' CONSPIRATORS AND MY CLONES OF THE HYPOTHETICAL AKUMAS, YOU FUCKING MURDERERS!

Alecto Slytherin ran back to his lair: we knew we were going to face Team Buktu along with Darkseid in the days to come, but we are ready for them, and Alecto's clones of the Hypothetical Akumas and the remnants of Dartz' conspirators aren't even a match for any of us, same with Alecto, so we had responded with these chose words.

Everyone on TLPS and The MOE: Oh, go jump off a cliff, you fucked-up snake!

Lincoln, Poliwag, Nico, and I and the rest of us went after The Harvester Queen and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Harvester Queen, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this really pissed The Harvester Queen off even more, and we also shattered The Monitor Orb on her forehead and we not only gained a massive power boost, but she wound up in serious pain.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

Then, Lincoln and I flew with incredible superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and we punched The Harvester Queen really super hard in the stomach and it caused a massive cluster of rainbow, white, golden yellow, and blue flames to explode out of her back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 60'9" massive, wide, double-edged gold blade and I formed a very massive glowing rainbow energy blade surrounding the 60'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln and Me: NOW, GO TO HELL AND TAKE YOUR FRIENDS WITH YOU!

Lincoln and I attacked The Harvester Queen with a last and powerful downward swing of his massive greatsword and that caused a massive explosion to erupt and the chains broke and The Harvester Queen was on her last legs as Lincoln and I landed in front of the team, and it also exposed Olivia Voldaren, our secondary target who was then put into suspended animation until later.

Me and my harem: AMERICAN HISTORY FINAL SMASH: AMERICAN TIME PERIOD HADOUKEN BARRAGE!

We fired a massive barrage of Hadouken blasts based on the time periods of America's history.

Lincoln and his harem: AMERICAN PRESIDENT FINAL SMASH: PRESIDENTIAL KAMEHAMEHA!

We fired a massive Kamehameha Wave with the Earth pictured into it and the blasts all combined and we got out of there as the blast slammed into the planet and it all exploded with enough power to obliterate 10,000 planets!

TREMENDOUSLY MASSIVE KRABOOM!

All the Harvester Aliens were all completely obliterated in an instant along with their planet and they were sent to The Black Abyss! Never again would they torment another planet!

We also salvaged much of their technology to use for our benefits.

We cheered as we holstered our weapons and powered down, and we went to the gym at Lynn's Table.

Nico: And that is the end of The Harvesters once and for all!

Me: Good riddance!

Lincoln: Now, they will never terrorize another planet ever again. Now, there's one last thing to do and one last loose end to tie up:

Olivia Voldaren.

We turn our attention to Olivia Voldaren who's still trying to get out, but couldn't.

Olivia Voldaren: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Olivia Voldaren's chest and he began absorbing her and assimilated Olivia Voldaren's Enhanced strength and speed, Hand to hand combat training, Charm magic, flight, and vampirism, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Olivia Voldaren and he also sucked out all the energy remaining in her soul and Olivia Voldaren was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Sina Shunoros' new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Sina Shunoros: It's over for you, Olivia Voldaren, and to this we say good riddance. Thanks for helping me get rid of Olivia Voldaren, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Sina.

Me and Nico: Our pleasure, Sina.

Suddenly, Sina Shunoros wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sina Shunoros' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sina Shunoros sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sina Shunoros: And that's it for my brother's contingency plan, but his other cronies are still out there.

Me: That's for sure, but we'll take care of them as well and piss off Alecto Slytherin even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbols of The Gem-Knight Order of Crystal Justice with Gem-Knight Tourmaline and Gem-Knight Zirconia.

Lincoln: The symbols of The Gem-Knight Order of Crystal Justice with Gem-Knight Topaz and Gem-Knight Zirconia.

Catherine Diamantis: There's only one person who matches Gem-Knight Tourmaline: Teresa Tourmaline, Avatar and Gene-Slammer of Gem-Knight Tourmaline, and you guys are going to love her, Teresa Tourmaline, Avatar and Gene-Slammer of Gem-Knight Tourmaline, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals. She's known as The Tourmaline Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Teresa Tourmaline came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Teresa's parents and her little sister, Tanya, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Melanie Diamanda: And the one for Gem-Knight Zirconia: that would be none other than Zarya Zirconia, Avatar and Gene-Slammer of Gem-Knight Zirconia, and you guys are going to love her, Zarya Zirconia, Avatar and Gene-Slammer of Gem-Knight Zirconia, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of zircon gems and crystals. She's known as The Zirconia Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Zarya Zirconia came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of zircon gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of zircons and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Zarya's parents and her little sister, Zennia, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Teresa and Zarya lost their parents, and their sisters, Tanya and Zennia, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Horsea: God Bless the USA!

Nico: You said it!

We went back home to Earth and had a great barbecue and had a great time shooting off fireworks and more.

WE WERE PROUD TO BE AMERICA!

FIREWORKS FROM THE CITY SHOT OFF TOO AND IT WAS FUN!

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, The Harvesters are finally gone!

Anna Anyanova: Yep, but now comes tomorrow: the war against Darkseid and Team Buktu. Now that Xehanort is finally gone and Lincoln's now free of Dark Chase Young, we'll put an end to their smear campaign, and Lincoln's got a plan set to take Team Buktu down and he and J.D. are working on making the same weapons J.D. used to destroy Darkseid long ago. This is gonna be a tough battle.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in an orange speedo and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme

increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Float Card, but tomorrow, I got a feeling we're going to take on the dark version of The Erase Card, this thing caused a lot of trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and tomorrow, we are going to war against Team Buktu and Darkseid, and we'll make those monsters pay for their crimes with their lives.

THE END

Next up is Volcana's day to shine and for part 1 of this new saga we're going to battle Lego Deathstorm.

See you all next time.

DC SUPERVILLAINS PART 1

Part 1: The Saga Begins, Lego Deathstorm

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a pink planet of magic and genies in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and had incredible superhuman strength, but had powers over magic, the powers of the genies times infinity, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Genimagicaira, a pink planet of amazing magic in The Forbidden Zone that was inhabited by powerful warrior angels called The Genimagicairans, the males were not only natural born fighters, but had powers over all forms of magic and the powers of the genies, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Genimagicairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Whoa! A planet of magic and genies, now, this is something I got to check out!

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Genimagicaira once inhabited by The Genimagicairans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city with magic and power.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Genimagicaira, this is so awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Genimagicaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a pink gem surrounded by genies and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of pink souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Genimagicaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Genimagicaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense powers over magic, the powers of the genies times infinity, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and pink aura with magic, stars, and genie smoke surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their immense superhuman strength, immense powers over magic, the powers of the genies times infinity, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Genimagicaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Genimagicaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Genimagicaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Genimagicaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room,

and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger and he went Full Heat Nirvana.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Uh oh, looks like someone's now really REALLY aroused.

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?! (Realizes what happened) You're in Full Heat Nirvana and you're now even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra

large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: Oh man, I remember Genimagicaira, it's a powerful planet of magical genies where genies get their magic from.

Me: Really? That's awesome!

Lincoln 2: (Through the rainbow Thunderbird and animals on

Lincoln's forehead) That's only for the genies of Genimagicaira, J.D.

Suddenly, we wound up getting visited by the citizens.

Male Citizen: Guys, can we also help in defending you? We know Team Buktu is already launching a smear campaign in a different world, and you need all the help you can get.

We were stunned.

Nico: Are you sure about this? You realize you're gonna put yourselves at risk.

Male Citizen: We know, but you guys have not only done so much for everyone on Earth, but across the universe and beyond. We have known for eight years that you guys are true heroes, Team Buktu had tried to destroy your reputations two years ago.

Female Citizen: And for that, we can never forgive them, at least, Albedo realized this was wrong and turned his back on them two years ago.

We felt it in our hearts.

Lincoln: I know of how you can help. Get online and spread all of Team Buktu's crimes all over in the world we're going to, and in case you need help.

Lincoln handed them copies of the crime files of Scott the Jerk, Evil Jimmy Neutron, Obadiah Stane A.K.A. Iron Monger, Evil Sasuke, and Tim Buktu.

Male Citizen: Got it.

The citizens left to help us.

Me: Wow, the people are going to help us in a really huge way.

Nico: That they are. Wow.

In Volcana's room, her room was a volcanic lava cave.

Gigantamax Moltres came in.

Then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive fiery explosion blasted out of the middle of a pool of lava and rising out in her bed was Volcana!

Volcana woke up to see Gigantamax Moltres staring at her.

Volcana: Morning Gigantamax Moltres.

Gigantamax Moltres: That is cool that you can sleep in lava like that.

Volcana: It sure is.

Gigantamax Moltres: Yeah. Time for breakfast.

She went nd got dressed and went to the table.

Me: Morning Claire.

Volcana: Morning J.D.

We gave her breakfast.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was a young girl by the name of Serena Abaddon, and she's on Planet Lunradias and she's fighting an evil version of the Superfriends version of The Legion of Doom.

Lincoln: (Gasps) She's there, we found her!

Me: Who's her?

Anna Anyanova: That's Serena Abaddon, one of Lincoln's Guardian Angels, specifically a young Guardian Angel-In-Training, and she's the sister of Isabella Abaddon.

WE GASPED!

Nico: But, what is she doing on that jungle planet?

Lincoln: She came to Lunradias by herself, and she's been living there for eight long years. This all happened when Isabella Abaddon got corrupted by Dark Chase Young, and Serena Abaddon was sent there due to fear for her sister's corruption by Dark Chase Young.

Me: That piece of shit...! But, she's going to be glad to hear that not only the prophecy was fulfilled, but her sister's been freed and forgiven, and that evil version of the Superfriends version of The Legion of Doom, we better get to Lunradias and fast before she takes all the fun out of it. I'm sure Serena's really strong.

Lincoln: Oh, she is. Not only does she have nature powers, but she was born with green angel wings, superhuman strength, superhuman durability, superhuman agility, superhuman senses, superhuman endurance, immortality, invincibility, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of the jungle, nature, and animals, and she's as strong as 999 Septillion Tarzans and George of the Jungles.

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Lincoln used his telekinesis to close our jaws!

Me: HOLY MOLY!

Von Lycaon: I believe we're going to hear more of her story when we meet her.

Suddenly, Von Lycaon's red eyes turned neon red and he was surrounded by a white and black, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels.

Von Lycaon: Oh dear, looks like I'm about to evolve even more.

ZENLESS ZEN ZERO OST: VON LYCAON CHARACTER DEMO - WOLFISHLY CHARMING PLAYS

Von Lycaon grew from 50'11" to 60'11" in height, his abnormally massive and powerful upper and lower body muscles grew much larger for his new body and he still has twelve-pack abs. Then, Von Lycaon felt a sharp pain on his even more wider and even more muscular back, and then, his enormous white angel wings with black tips on the now large 65'11" white feathers grew larger for his body with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,

Von Lycaon: It seems as though I've evolved just like you, Masters J.D. and Lincoln.

Me: That seems to be the case.

Lincoln: He did transform when we went after Tavington yesterday. Well, no need to worry that much about it. Alright, let's finish breakfast and head for Lunradias to help Serena take down that evil version of the Superfriends version of The Legion of Doom.

Nico: This is gonna be one awesome fight.

We finished breakfast, and we headed out to Lunradias to help Sunshine Smiles unlock her Rainbow Power and meet up with Serena Abaddon and send the evil version of the Superfriends version of the Legion of Doom to The Black Abyss.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14160.8: We are on our way to the distant planet of Lunradias and we are heading there to find Serena Abaddon and reunite her with her sister Isabella and also to destroy the Superfriends version of the Legion Of Doom and it will be awesome.

Camie: Me too! Superfriends Lex Luthor is going to get his butt kicked big time.

Ymir: You got that right.

Xenia: This will be fun.

Brainstorm: I'm really ready to let loose some quantum photomolecular supertachyonic analytics on them.

Nico: (HEAD SPARKS)

Eli kicked his butt.

Nico: Um OW! Wow that is smart.

Xenia: Yeah.

Nico: Brainstorm, I want to thank you, Trapdoor Crab, and your teams for coming.

Brainstorm: My dear Nico it's a pleasure to be part of this.

Me: It sure is.

Professor X: I'm glad to be with this too.

Me: Same here Charles.

Nico: Charles, are you happy that humans and mutants live in peace now?

Professor X: I sure am Nico and you all have J.D. to thank for that.

Ymir: How did you do it J.D.?

Me: I gave everyone a big reprimanding and showed that mutants are people too like everyone else and they have amazing powers and gifts that can help people like we do.

Nico: It's true.

Professor X: And we all will always be grateful for that J.D.

Me: I'm glad Charles. I did the same thing in the Yost dimension for them too and they put aside their hatred too.

Ymir: Wow!

Nico: I know. J.D. has been really good at helping to show people how wrong they are.

Me: Don't give me a swollen head Nico but yes it's true.

Nico: The MRD have all been disbanded.

Me: And Trask is dead along with many Mutant killing extremists.

Nico: Yep.

Ymir: M.R.D.?

Me: Mutant Response Division. It was made to kill all mutants.

Nico: Yeah. Jerks.

Jean Grey: Just glad that we don't have to worry about them.

Me: I know. You guys went through a lot of shit because of all that.

Wolverine: I know. It was awful.

Nightwalker: But we're glad all that is behind us. Thanks to all of you guys.

Me: Yeah.

Selene: If we face my former leader Sebastian Shaw he will go into the M.O.E.

Vypra: I will keep him under control.

Nico: We faced him once.

Me: Yeah but killing him once is more than enough. Now we got much bigger fish to fry.

Xenia: We sure do.

Emma Frost: I agree there.

Storm: Yes that's true.

Magneto: I'm just glad we all can live in peace together now.

Professor X: Same here my old friend.

Magneto and Professor X were playing chess together like they did for a long time.

Nico: I remember seeing in Dark Phoenix that you and Magneto played Chess a lot.

Professor X: We have played it all the time when we were growing up.

Nico: Good hobby.

Professor X: Indeed. J.D. has played with me too. His mind is just as sharp and strong as mine is.

Me: I don't like to brag.

Nico: Good. Also you all did a great job yesterday. Now the universe is rid of the Harvester Aliens.

Qin: Good riddance.

Poromon: Yeah! And we had a great time!

Vypra: We sure did.

Dark Spicer: And I got a new alien out of it.

Me: We all did.

Nico: And no one died

Me: Thank goodness.

Qin: Yeah.

Nico: But that was really intense.

Jubilee: It sure was.

Shadowcat: I'm just glad we never have to deal with the Harvester Aliens again.

Shanan: Same with the entire universe Kitty. They were a great threat to the entire universe in general.

Horsea: We had a nice 4th of July

Me: We sure did.

Xenia: Yeah.

Qin: That will be one to remember.

Lola: It sure will.

Poromon: We made sure there were fireworks

Me: Yeah we cleaned out the entire tent.

Xenia: We sure did.

Vypra: And the barbecue we had was awesome. (BURPS) Oh excuse me.

Me: Some of us are still full from yesterday.

Dark Spicer: We sure are.

Me: Yeah.

Nico: That was fun.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw we were at a dark green planet.

Maria: We're here.

Me: Lunradias.

Nico: WOW!

We got to landing.

We went down and landed. We got out and saw the surface of Lunradias. It was a really scary jungle world!

Me: So this is Lunradias!

Qin: WHOA! It's amazing!

Poromon: Look at this place

Nico: Amazing. The mountains and jungles here are really breathtaking.

Camie: They sure are.

Lincoln: We're here. Alright, guys, we're here for one action-packed adventure, we're here on Planet Lunradias to help Sunshine Smiles unlock her Rainbow Power and meet up with Serena Abaddon and send the evil version of the Superfriends version of the Legion of Doom to The Black Abyss.

We had all of TLPS and The MOE with us.

Lincoln. (Smells something) Hmm, wait, I smell the scent of Plumeria and Gardenia in the air, these tropical flowers are used for perfumes. Even the earthy scent of the trees can't mask the scent.

Suddenly, we saw a beautiful 9'0" tall girl, she has the body of a goddess, large breasts, tanned skin, blue eyes, long brown hair with green flower in her hair, she has on a green two-piece bikini, and she has a nature greatsword.

Lincoln: (GASPS) Serena Abaddon, Guardian Angel of Nature.

Serena Abaddon: Lincoln? Is that...!

Suddenly, Lincoln ran up to her and hugged her, and she hugged him back.

Anna Anyanova: We hadn't seen you in eight years, not since what happened to your sister.

Serena Abaddon: Isabella?

Then, Isabella Abaddon walked up to Serena, and then, she had tears in her eyes and she hugged her.

Nico: We didn't even know your sister was corrupted by Dark Chase Young, and that she was actually human.

Serena Abaddon: Yes, that's correct, I was the only Guardian Angel, but Isabella, my younger sister, was born human. I began my training as a Guardian Angel, but it was right around that time...!

Von Lycaon: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Fury Victorian Alpha Wolf Thiren Werewolf Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Fury Victorian Alpha Wolf Thiren Werewolf Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and

Trust) That your younger sister became corrupted by Dark Chase Young. Ms. Anna and the others explained everything, well, most of the story, but we hadn't been fully introduced.

Anna Anyanova: Ah, right. Everyone, this is Serena Abaddon, Guardian Angel of Nature, she's Lincoln's Guardian Angel from Royal Woods, Michigan, and she's a Young Guardian Angel in Training, but she's also a very powerful angel of the forces of nature, she was born with green angel wings, superhuman strength, superhuman durability, superhuman agility, superhuman senses, superhuman endurance, immortality, invincibility, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of the jungle, nature, and the animals, and she's also as strong as 999 Septillion Tarzans and George of the Jungles. But, she has a tragic past: it turns out that she's the older sister of Isabella Abaddon, and eight years ago, she saw her sister who was still human getting corrupted by Dark Chase Young and turned into his evil disciple and tried to destroy Lincoln and his Guardian Angels and even enlisted the help of Lori, Lynn, Lola, Lisa, and Luan for that, so Serena ran to Lincoln and the others for help, and she, Lincoln, and the rest of his Guardian Angels defeated Isabella Abaddon, Lori, Lynn, Lola, Lisa, and Luan. Serena tied up Lori, Lynn, Lola, Lisa, and Luan and sent them back to The Louds to be punished, but she got back in time to see Isabella Abaddon turn into a literal absolute demon from Hell, and as punishment for her sins, God had Isabella Abaddon sent to Hell for all eternity. Serena fearing that she too would be targeted by Dark Chase Young for what she did left Royal Woods and fled to the jungle planet of Lunradias where she spent the next eight years training in the jungle planet where she developed even more nature powers as well, and she swore that she would free her sister and make Dark Chase Young pay. Serena Abaddon trained Lincoln and taught him in everything he knows, and over time, Lincoln gained even more incredible superhuman strength, superhuman durability, superhuman agility, superhuman senses, superhuman endurance, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of the jungle, nature, and the animals, and he became as strong as 999 Septillion Tarzans and George of the Jungles, and she knew he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-

Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and survival out in the jungle. Lincoln made her a nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem and he swore to reunite with her when the time comes, and she hates Dark Chase Young for everything that he did including for what he did to her younger sister.

Lincoln: That's right, and you don't have to worry, Serena. We freed and forgiven Isabella whom we'd made a Guardian Angel and destroyed Dark Chase Young and fulfilled the prophecy.

Serena Abaddon: I saw. I knew this day would come, it's finally over at last.

Suddenly, Lincoln pinned Serena Abaddon to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Abaddon with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Wes heard a Pokémon cry

Wes: Look guys.

We saw a Mudkip.

Me: Cool a Mudkip!

Qin: Awesome!

Mud: Just like the one I have.

Camie: Nice.

Mudkip: This place is creepy.

Me: I know.

Wes: Here.

He gave it apples.

Mudkip: Thanks.

He ate them.

Mudkip: Ahh.

Wes: Want to come with me?

Mudkip: I would like that.

Me: Awesome!

Poromon: YAY!

Little did we know however, we were being watched by something with infrared vision.

Poromon: You get the feeling we're being watched?

Me: Yes I do.

Nico: I sense it.

A screech was hear and we jumped out of the way and an Arachne creature appeared!

It was DEVILANTULA! A slender black humanoid monster with the eight glowing yellow eyes, a devil-like horns on top of the head, pincers in the mouth, and eight large-clawed spider-like legs instead of human legs.

WE GASPED!

Laney: Devilantula!

Shanan: WHOA MAN! That's a Latrodecean Vampwidow. They are bloodthirsty Arachne spider aliens from the distant alien planet of Latrodeces and they are VERY VOLATILE and dangerous creatures that also have a DEADLY poisonous bite that is strong enough to kill over 500,000 people.

Me: HOLY SHIT! That is lethal!

2003 Mikey screamed like a little girl

Same with 2012 Mikey!

AAAAAAAAAAHHHH!

She spit poison at us and we dodged it.

It hit a bunch of trees and burned them into sizzling slop in an instant!

Me: HOLY CRAP! That is SUPER STRONG acid!

Ed turned into Edzilla!

Edzilla: ED SMASH!

Me and Edzilla went at her and clashed and blocked her strikes and I fired waves of energy and blasted her all over.

Me: CHAKRA CHAIN RESTRAINT!

I formed chains and they held her down.

Ed smashed her all over.

Then I loaded a vial of serum and injected her. She reverted back and was a girl with brown hair and yellow eye.

I wrapped her in a blanket and brought her over to us.

Me: Yeah!

Edzilla: ED STRONGEST THERE IS!

He roared and reverted back.

The girl woke up.

Girl: (Groans) What happened?

Me: Are you okay?

Girl: I think so.

Me: Who are you?

Terresa Arachnos: I'm Teressa Arachnos.

Brittney: (Gasp) You're from the family of spider scientists.

Terresa Arachnos: That's right. My family is obsessed with studying about spiders.

Me: Wow!

Shanan: You were turned into what's called a Latrodecean Vampwidow by the Shredder.

She showed a hologram of it.

Terresa Arachnos: Oh man! I was working on a new antidote to get rid of Brazilian Wandering Spider poison when it happened. Everything went black after.

Sydney: Do you remember me?

Terresa: I do Sydney and I'm glad you and everyone are okay. Where's the High Mage?

Me: Dead. We didn't kill him however.

Camie: Yeah ugly story on that.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new yellow and dark red clothes.

Terresa: I look amazing.

Deadpool: There are just some things you're better off not knowing.

Me: I agree.

Qin: Yep.

Lola: Wait hear that?

We heard rumbling.

Me: Rumbling?

Xenia: Look!

We saw a Mega Copperajah and Mega Dewgong coming!

Me: WHOA! Mega Copperajah and Mega Dewgong!

Nico: DIVE ASIDE!

We dove aside!

Nico: Where did they come from?!

Me: They must be two of Dark Gale's work!

Philip: Lets see.

He used Telepathy and gasped!

Philip: Oh man! The Mega Copperajah is Zoey and the Mega Dewgong is Aurora!

Shotaro: 2 more of our sisters!

Qin: WHOA!

Me: Lets go help them.

We went over.

Philip: Girls calm down. It's us.

Shotaro: Philip and Shotaro?

The Mega Dewgong used Ice Beam on Horsea but she put her clone in front of her

The beam turned the clone into a block of ice!

FROZEN CLONE-SICLE!

Horsea: COLD!

Mega Copperajah charged and I held out a cape and then...

KRABLANG!

IT SMASHED HEAD ON INTO A HUGE ANVIL!

Nico: That had to hurt!

She had a massive lump on her head.

Me: Okay then.

I snapped my fingers and they reverted back. Zoe was a girl with purple hair and purple eyes and wings and had Mega Copperajah on her forehead and the Elephant memory and W Symbol on her arm.

Aurora was a girl with dark blue hair and green blue eyes and had green blue angel wings and had Mega Dewgong on her forehead and had the Aurora Memory and W Symbols on her arm.

We wrapped them in blankets and brought them over.

Aurora woke up and She woke up to see Horsea's smiling face

Aurora: (Groan) What happened? A Horsea?

Horsea: You hit my clone with an ice beam!

Maria picked her up.

Zoey: OW! My head! What hit me!?

Me: (Whistling)

Philip: You girls okay?

Aurora and Zoey: Brothers!

They hugged them!

Zoey: We're glad you're okay.

Shotaro: Same here.

Me: You both were turned into a Mega Copperajah and Mega Dewgong by Dark Gale.

Aurora: Oh man! We were fighting the Brachiosaurus Dopant when that happened.

Nuju: That was Tokime here.

Tokime: Yeah. I remember.

Aurora: It's good to see you again Tokime.

Me: I remember that. She was a Manga exclusive Dopant.

Horsea licked the ice.

Me: Horsea you don't want to get your tongue stuck.

Horsea: Oh right.

Poromon: What are your rider names?

Zoey: I am Kamen Rider Elephant. I have the strength and power of 100,000 elephants in me.

Raj: (India Accent) That is most impressive there.

Ironhide (Beast Wars: i'll say.

Aurora Hidari: And I am Kamen Rider Aurora. I have the powers of the dazzling Aurora Borealis.

Me: Wow!

Camie: Just like how I do it with my Quirk.

Me: Yep.

Universe 666 May: That is really awesome too.

Me: It sure is.

Rarity: Lets get you both some new clothes.

The fashion brigade gave them new clothes. Zoey's were purple sports clothes and Aurora's were dark blue and teal and she had an aurora sword.

Aurora Hidari: We look amazing.

Me: You sure do.

Nico: We're not done yet.

Me: Now we got the Superfriends Legion of Doom to deal with.

Lincoln: (Sensed for the evil version of The Superfriends version of The Legion of Doom) AHA! Got them, I just spotted the evil version of The Superfriends version of The Legion of Doom, they're 20 yards away.

Ellie Mirror: Any sign of Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora?

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window, but no sign of Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora.

Lincoln: No sign of them.

Nico: Right, time to clean this mess up.

We then took off to destroy the evil version of The Superfriends version of The Legion of Doom and send them to The Black Abyss.

We were flying in the air, and we spotted the headquarters of the evil version of The Superfriends version of The Legion of Doom rise out of the water and they were in there all right, but we spotted something else: it was Verse A.K.A. Re Verse, the servant of Otoma-Raga, the embodiment of negative energy and rage, and collector of souls from King of Fighters.

Lincoln: It's Verse A.K.A. Re Verse, the servant of Otoma-Raga, the embodiment of negative energy and rage, and collector of souls from King of Fighters, and it looks like he's going to try and kill them.

Nicole: Otoma-Raga, you have some nerve.

Lincoln blasted Verse who became enraged beyond measure and transformed into Re Verse and came after us

Lincoln: Gotcha.

Me: I got an awesome entrance for this.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Verse's chest and he began absorbing him and assimilated Verse's Godly powers, Immortality, Strong fighting abilities, Levitation, Pyrokinesis, Negikinesis, and Sharp claws as Re Verse along with all the negative energy and rage he's absorbed, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Verse and he also sucked out all the energy remaining in his soul and Verse was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Nicole: That'll send a warning to Otoma-Raga that we're coming for her next.

Muskie: Can I attack now?

Me: Patience. Watch.

We flew over toit.

Superfriends Luthor: We call this meeting of the Legion of Doom to order.

But then the spirits of the flames of hell came in.

Superfriends Black Manta: WHAT!? What's this!?

They moaned with intense horror and then they converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted out through the wall and then a massive wall of intense fire formed!

I appeared out of the flames like the Devil coming to claim his next target!

Flames swirled around me and a Phoenix Cry was heard and out came all of us!

Lincoln fired rainbow, white, golden yellow, and blue energy blasts at the evil version of the Superfriends version of The Legion of Doom, and that pissed them off, and we landed.

Superfriends Lex Luthor: WHAT!? Team Loud Phoenix Storm and the Powderpuff Girls!?

Buttercup: UCH! Why do people always get that wrong!?

Blossom: It's POWERPUFF!

Bubbles: NO D!

Bunny: YEAH Get it right!

Superfriends Lex Luthor: How informative well there is a D in destroy as in DESTROY THEM!

Me: And there's a K in the word Kill! KILL THEM ALL!

Thor threw Mjolnir at Superfriends Cheetah And bashed her.

Me: All right guys! Choose your victim! Lex is mine!

Mudkip charged at Superfriends Captain Cold and blasted him with bubblebeam blasts.

Qin fired waves of fire and Superfriends Captain Cold fired waves of ice and the blasts collided and a massive cloud of steam came out!

POW!

I punched Superfriends Lex Luthor and kicked him in the face and chest!

POW! CRUNCH!

Me: You may not be the prime universe version but you are still just as inferior as he is!

Superfriends Lex went at me and I dodged his strike!

ZOOM ZOOM ZOOM ZOOM ZOOM ZOOM ZOOM!

Rainbow Dash zoomed fast and outclassed Cheetah's speed!

Rainbow Dash: I'm faster than you!

Thor threw Mjolnir at Superfriends Cheetah and bashed her again and Rainbow Dash kicked her all over and punched her all over with intense speed and lightning streamed out of each punch and kick!

THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Ant Man charged at Superfriends Black Manta before shrinking!

Superfriends Black Manta: WHAT!? Where did he go!?

He felt a tap on his shoulder. He looked behind him and then...

KRASMASH!

He was punched in the face by Ant Man's huge fist!

Yusuke: SPIRIT GUN!

He fired an energy blast from his finger and it hit him and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

That had to hurt!

Lola: How about a little fire Scarecrow?

She formed a ball of fire in her hand and fired a massive blast of fire like a flamethrower! It ignited him and set him on fire!

Superfriends Black Manta looked around for Ant Man

He saw him gone and then he re-appeared behind him again and punched him again!

Nico punched Superfriends Brainiac!

KRASMASH!

Nico kicked him in the face!

Nico: Your prime universe version put up a much better fight than you.

Vision charged at Superfriends Brainiac.

Superfriends Brainiac: You think you can beat me?

Vision: Well I was born yesterday.

He fired a massive blast of energy from his forehead and blasted him down.

Hawkeye fired an arrow at Superfriends Grodd

SLASH!

It slashed him on his arm.

Scarlet Witch charged at Superfriends Sinestro And fired magic blasts.

He blocked them with his ring powers.

But Applejack got behind him and punched him down with intense force!

Naomi Hidari: You aren't the only one that has the power to instill fear! Lets see you survive this!

She used her powers of nightmares and brought his worst fears to life! IT WAS THE BLAIR MONSTER!

Applejack lifted him up and smashed him into the floor!

Ymir faced Superfriends Toyman! He fired waves of jets and they fired lasers!

She deflected the blasts at him!

She then fired waves of lightning blasts and blasted him big time!

Ymir: You should know better than to attack the Founder of Titans!

Poromon licked him!

Superfriends Toyman: EW!

Poromon gave a raspberry!

Poliwag slapped him with his tail!

WHAP! CRASH!

He crashed into Superfriends Cheetah!

Tecna: Riddle me this, riddle me that. Who's afraid of being beat by a girl and all that?

Superfriends Riddler: It's me, isn't it?

Tecna: That is correct!

She punched him in the face and kicked him in his crotch!

DING!

Captain America threw his shield at Superfriends Luthor And bashed him on his head!

I kicked Lex in his face!

Superfriends Giganta grew 20 feet and Ms. Marvel did so too and punched her down.

Qin: YEAH!

Poromon flew fast and pecked them all over.

Volcana: Another reason why I left you all? Because I was shown that I can be a great rather than a villain!

She fired waves of fire and blasted them all over!

Poliwag slapped them all over with his tail!

MULTIPLE SLAPS!

Manaphy hopped over to them And bashed them on their heads!

Mevya belched in their faces and Horsea squirted ink and blinded them.

Jirachi bashed them with anvils.

Me: HIIIYOOOHAAAAAA!

Nico: Mighty Eagle's cry!

Mighty Eagle: MIGHTY! EAGLE!

HE BUSTED THROUGH THE ROOF AND WAS READY TO SMASH!

He smashed the Superfriends Legion of Doom all over!

Nico: OH YEAH!

Eclair fired waves of fire and blasted them all over!

Eclair: How does it feel to be thrashed by the immortal Phoenix Priestess!

Poromon got out a beer bottle and shook it And launched it and smashed it on Superfriends Lex.

Me: YEAH! It figures Team Buktu would create and send you lot after us.

Nico: They're nothing more than trash to pull something like this on us.

Evil Superfriends Lex Luthor: Why you...! We'll see how smug you all are when we kill you all!

He charged at us first, but Von Lycaon punched him hard in the stomach and caused him to cough up blood before he was sent flying into the others.

Nico: WHOA!

Eli: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

We are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

Inside a rainbow sphere with intense flames and elemental forces, Sunshine Smiles then underwent an intense and amazing transformation! Sunshine Smiles had Rainbow Flame patterns and rings appear on her and obliques and rainbow sun and moon on her dress and she also gained intense rainbow flame patterns and suns on her forearms, she also got rainbow lines on her hair. She then had her Cutie Mark change into many rainbow suns, and her massive angel wings had intense rainbow fire on them.

SUNSHINE SMILES UNLOCKED HER RAINBOW POWER! THE RAINBOW SUN OF JOY!

Rarity: My word! Sunshine Smiles unlocked her Rainbow Power.

Sunshine Smiles: Now, it's time for the curtain to fall on your reign of evil!

Sunshine Smile fired rainbow suns and stars at the villains and they exploded.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of the evil version of the Superfriends Legion of Doom, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 60'9" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 60'9" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit the evil version of the Superfriends Legion of Doom hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and the evil version of the Superfriends Legion of Doom were on their last legs and they were really really mangled.

Suddenly, the evil version of the Superfriends Legion of Doom got stabbed by four massive Rinkaku Kagune and they coughed up blood, and they were dragged deep into the forest, and the last thing we heard was the sound of their screams and the sound of blood being spilled and flesh being torn.

We powered down and we headed deep into the forest, but there, we found the evil version of the Superfriends Legion of Doom, but they had their stomachs ripped open, and it looks like their organs were ripped out and devoured.

Me: Oh man! That's gruesome!

Nicole: No doubt about it. Take a look at this. (Points to the stomach) It looks like their stomachs were ripped open and their organs ripped out and devoured, but not by one lone person, but by many.

Nico: And what were those crimson red tentacles that came out of the forest and attacked them like that?

Lincoln: Those weren't tentacles, those were Kagune.

Nicole: Kagune, the predatory organ and main weapon of the Ghouls from Tokyo Ghoul?

WE GASPED!

Eli: This means, there's ghouls here.

Lincoln: But, the Ghouls and humans are living in peace ever since, and those Kagune were Rinkaku Kagune, then, that means...! (Sensed it) I see you, come out of the shadows, Ken Kaneki.

We saw a tall white-haired man about 21 years old come out, it was Ken Kaneki from Tokyo Ghoul.

Ken Kaneki: You...you were able to sense me?

Me: You guessed it.

Nico: Yep. But, what were you doing here?

Ken Kaneki: I'd overheard on the news about what Team Buktu was trying to do, so I came over to help. By the way, my friends and I along with my wife, Touka, had just moved to Gotham Royal York.

Maria: How come we didn't hear about...? Oh, right, this is recent.

Nicole: Exactly. In any case, you finished the job we were about to do, Kaneki.

Lincoln banished the evil version of the Superfriends Legion of Doom to The Black Abyss.

Lincoln: That should do it.

Ken Kaneki: So, that was The Black Abyss.

Nicole: Yep. Wait, you only used your Rinkaku Kagune to drag them to you, but we also know you're a Kakuja.

Suddenly, Ken Kaneki took on his Version 7 Kakuja form as an armor like structure forms and wrapped around his body, forming blades from his shoulders and behemoth-sized Armor Wings.

Me: WHOA!

Lincoln: That's the form you unlocked after being freed from that Dragon and used that to kill Furuta for good.

Ken Kaneki: Yes. Though by spending time with you guys, I might develop the same powers you guys have.

Lincoln: That's right.

We welcomed Ken Kaneki to the team same with his friends when we got back home.

Nico: I like how 7 of the Avengers helped out with this

Captain America: That was a lot of fun.

Me: It sure was Steve.

Professor X: It sure was.

Me: At least that proved to be a good warmup for when we face Team Buktu later on.

Nico: Yep. Good start.

Mudkip: I'll say!

Nico: Great job Mudkip.

Mudkip: Thanks! Got any beer?

Poromon: Here ya go!

Poromon gave him a bottle.

Mudkip: Oh boy!

He opened it and drank it all down.

Mudkip: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Poliwag: Sing the ABCs!

Mudkip: (DRUNK SINGING) Nobody knows (HIC) How dry I am (HIC) Nobody knows (HIC) How dry (HIC) I am!

WE LAUGHED!

Me: That is still funny!

Poliwag: (LAUGHS) You're right!

We reverted him back.

Nico: Any plans later?

Me: Well we're going to the park to have Luna, Samurai Jack, Marina and Hikaru's bonding session.

Lincoln: (GASP) Oh dear god! I just got a premonition! I saw an akuma coming.

Me: Already!?

Lincoln: Yes but it's going to appear in the park. It's Bambi's Akuma, Deerreckon! The Hypothetical Akuma of Bambi and he is a REALLY NASTY AND BLOODTHIRSTY DEER that is hellbent on revenge. He was made because of hunters killing his mother and he vowed to destroy all humans to get revenge on all the people for killing his mother

WE GASPED IN SHOCK AND HORROR!

Lincoln showed a sketch of him and we saw that he looked like Bambi from Bambi The Reckoning and he was HORRIFYING! HE WAS KILLING PEOPLE LEFT AND RIGHT AND DESTROYING CARS!

Me: HOLY FUCKING SHIT ON A STICK!

Nico: Well, fuck.

Bambi: I can't believe I would turn into that!

Me: Blame the people that made Blood and Honey for it!

Poromon: LOOK AT IT!

Me: Poromon.

Poromon: Sorry.

Nico: Oh, Brainstorm, what do you like to do in your free time?

Brainstorm: I teach at the local university and specialize in the studies of the pythagorean mathematical equations on the universal theorem of the circumference on the diameter and mass of the singularity of 4th dimensional space in a black hole.

Nico's head then exploded!

SPLAT!

Me: (Head sparks) OW! But that is really complex!

Lisa Loud: Wow that is really amazing and impressive.

Brainstorm: Indeed my dear Lisa.

Nico's head regenerated.

Nico: WHOA! That is hard to understand.

Me: It's the mass of a Singulatity inside a black hole.

Nico: WHOA! Still complicated

Me: Yep.

Nico: Now for the Anothers

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is the Avatar of The Erase Clow Card.

Me: Ooh, this should be good.

Lincoln: Especially when you hear her story and of how she taught Lori, Lynn, Lola, Lisa, and Luan a lesson.

Nico: (Snickers) I hope it was something that pissed off those Dark Side bitches big time.

Nico: So we got Another Trapdoor Crab (Skull Island), Psycho Pirate, Burning Leo, Rocky (Looney Tunes), Bankumashroom and Jerk Turkey (Tex Avery).

Me: Yep and Brainstorm, Professor X, Jeremie (Code Lyoko), Even (Kingdom Hearts), Microchips (MLP), and Phoebe (Hey Arnold) are up.

Lola: Cool!

Nico: There they are!

We saw Another Psycho Pirate, Burning Leo, Rocky (Looney Tunes), Bankumashroom and Jerk Turkey (Tex Avery).

Me: WHOA! I am going to coook Another Jerk Turkey for dinner!

Qin: YEAH!

Another Burning Leo: (In a girls voice) We're ready to eat!

They reverted back and were the gene-slammers of Icebergodon and Lancephorynchus!

Nico: Landra Lance and Irene Iceberg!

Irene Iceberg: Good to see you Nico.

Landra Lance: It has been a while.

Nico: I know.

Me: Lancephorynchus and Icebergodon's gene-slammers. Cool!

Irene Iceberg: It sure is.

Me: Are the rest of the Anothers friendly or hostile?

Landra Lance: Friendly and there is also another Volcana as well. But she is REALLY upset.

Volcana: Uh oh.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: THE ONION OF AGONY SOIL YOUR MACAROON!

Qin: YEAH!

Maria: Time for Backup! (TURNS DIAL) JUNGLE CLOWN 10!

She summoned Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar, Demon Thunder, Wendell Bender, Elephant Zombie (Resident Evil), Cranky Doodle and Person Man!

Me: YEAH!

Nico: And now we wait. I hope no trees crash onto me this time.

Me: That was brutal.

Qin: Yep.

Poromon was drinking beer.

Poromon: (BELCH)

Me: Oh there!

We saw Another Trapdoor Crab and Volcana and she was crying fire lava gel.

Me: Whoa!

Qin: This will be good.

Another Trapdoor Crab: (In a girls voice) It sure is.

She reverted back and it was the Avatar of the Erase Card.

Lincoln: Ellia Erase! Wow!

Ellia Erase: Good to see you Lincoln.

Lincoln: You too.

Nico: Care to introduce us?

Anna Anyanova: Sure this is Ellia Erase, Avatar of The Erase Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of erasure, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Erase Clow Card, and the magic of Clow Reed. She's The Erase Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Ellia Erase is a master of the powers of The Erase Clow Card and she's a powerful master of erasure and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Ellia Erase came to Royal Woods where she met Lincoln, and she taught him how to master the powers of erasure, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Erase Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of erasure, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Erase Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by having them suspended over a platform that was over a pool of spicy brown mustard, and once she erased the platform they were on, they fell into the pool of spicy brown mustard and got a case of butt burn due to that.

Me: WHOA!

Qin: NASTY!

Xenia: Awesome!

Ellia Erase: It sure is.

Me: Yep.

I saw the Another Volcana crying tears of fire.

Ellia Erase: You can reveal yourself.

Another Volcana: (In a little girls voice) Claire? Is it you?

Volcana: (GASP) That voice.

She reverted back and it was a blue hair fire version of Volcana.

Volcana: (GASP) Azure!

She went over and hugged her!

Volcana: Oh sis!

Azure Selton: (CRYING HARD) Mom and dad! They are both dead! Nasty men came and killed them!

Volcana: (Crying) Oh sis! I'm sorry!

I went over to them.

Me: Oh no. I'm so sorry. Were they sent by Luthor?

Azure Selton: YES! They were!

Me: (GASP)

I clenched my fist tight and blood poured from my knuckles and burned the ground.

Me: Lex Luthor you will pay for everything!

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (Gets out Jetman gear) Because we can grant it instead.

They got weapons for said teams.

Ellia Erase: Not for me but Azure here. I thought I would help her achieve that but somebody did it earlier. She was promised to destroy the men that did it. They were the very gangsters the Joker was once part of.

Me: Wait you mean Chucky Saal and his mafia gang!? Andrea Beaumont A.K.A. The Phantasm killed them!

Sakura Knudson: The Gotham Gangster Murders! I heard all about that. Phantasm killed them all!

Me: Except for the Joker!

Nico: Yeah!

Me: The Joker before he became the monster he is was a gangster named Jack Napier. He fell into a vat of chemicals and they made him completely insane! Turning him into the most fucked up monster ever.

Batman: It's true.

Ellia Erase: I know.

Sougo: (gets out Mighty Morphin Ridewatch) It's funny how your history is related to histories related to main Justice League members

Geiz: (Gets out Jetman Ridewatch) At least it's not by Dark Chase Young this time. No offense, but it's really starting to get old.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Batman: It's very similar to mine. I was made into the Dark Knight because of Joe Stone killing my family.

Me: Yeah. But if those men do come back we're sending them to jail.

Xenia: Yep.

Me: Lets separate you first.

We did so.

Me: Lets do it!

Nico: (Gets out Trapdoor Crab's ridewatch) PEEK A BOO!

May: (Gets out Burning Leo's ridewatch) BURN!

Universe 666 May: (Gets out Rocky's ridewatch) All right time for you to get it see?

Maria: (Gets out Bankumashroom's ridewatch) This will hurt!

Lincoln: (Gets out Jerk Turkey's ridewatch) This turkey is going to hurt! (HONKS NICO'S NOSE!)

HONK HONK HONK HONK!

Professor X: (Gets out Psycho Pirate's ridewatch) This will be fun.

They used the powers of Trapdoor Crab (Skull Island), Psycho Pirate, Burning Leo, Rocky (Looney Tunes), Bankumashroom and Jerk Turkey (Tex Avery) and blasted the Anothers all over!

Poromon: Yeah!

Me: Awesome!

But then...

WHOOSH!

COLD AIR BLEW AT US!

We felt that!

Me: WHOA! CHILLY!

Then out came Darkness Ice Monster (Dragonball), Driblee, Mr. Frosty (Nightmare in Dreamland), Crystal King, Snowflake Obsidian and Water Galboros EX!

Me: WHOA!

NIco: Nice team Darkness Ice Monster!

Darkness Ice Monster: Thanks Nico. This will be fun.

Me: Yep. Big Chill and his team next.

Big Chill: Cool. No pun intended

Me: COLD!

Qin: Yep.

But then...

KRABBBBBBOOOOOOOOOMMM!

A massive and powerful wall of fire exploded out!

It was Wall of Fire from MTG!

Me: WHOA! Wall of Fire!

Nico: Infernal!

Wall of Fire: (In a girls voice) It sure is!

Nico: Phoenix Valleria!

She reverted back.

Phoenix Valleria: Good to see you Nico. I got this.

She fired waves of fire and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Qin: Awesome!

Nico: Nice job!

Qin: Yeah!

Phoenix Valleria: Thanks! That was fun.

Camie: Yeah!

Professor X: You have a good memory of Nico and that is where you battled Nico's enemies in a butcher shop.

Phoenix Valleria: That's right! How did you know that?

Me: Charles is Psychic. He is one of the X-Men.

Phoenix Valleria: It's truly an honor. But yes that's right. We battled a bunch of expensive meat smugglers that were smuggling super expensive and really tasty meat into the country illegally.

Me: What kind of meat was it?

Phoenix Valleria: It was Asian Oxen Steaks. Really delicious but worth a fortune.

Me: (DROOLS) Oh wow! I haven't had that it like forever! It's so tasty!

Nico: Wow!

Me: Oh yeah!

Phoenix Valleria: Yep. $5,000.00 per pound.

Qin: THAT IS HORSESHIT! (To Twilight and friends) No offense.

Twilight Sparkle: None taken but that must be some really good meat.

Me: It is. I had it once but it was REALLY good meat.

Nico: I can tell.

He hugged her.

Nico: I've missed you.

Phoenix Valleria: Same here.

We went back home.

Brainstorm: I already know it's not going to be easy.

Lincoln: No, it's not, it's in the hands of the clone of Devil Gundam Omega, the Hypothetical Akuma of Allenby and she is the ultimate Gundam of Pure Evil! She has all the powers of the Dark Gundam and she is a dangerous and deadly force of terror! She was made because of the Atrocities of Ulube and not only vowed to kill him but also to destroy the Earth! COMPLETELY!

Lincoln got out his sketchbook and we saw her: she was The Devil Gundam with wings and she's really deadly and powerful!

We got a move-on, and then, we spotted our target: the clone of Devil Gundam Omega who has The Dark Erase Card and Lincoln fired an energy blast that hit them that forced The Dark Erase Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Erase Card and he began sucking out all its erasure powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Erase Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Erase Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Erase Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of Devil Gundam Omega.

We turned to the clone of Devil Gundam Omega who fired an energy blast at us, but Lincoln used his greatsword to absorb it and it was absorbed into his body making him stronger.

Lincoln: Hah! Nice try! Alright, let's get her.

Robin Hood went after the clone of Devil Gundam Omega, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit her, then he attacked her with the blades on his bow leaving scars on her, and he fired arrows at her that transformed into many arrows with leaves surrounding them and she got hit all over the place.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the clone of Devil Gundam Omega and he began absorbing them and assimilated all of Devil Gundam Omega's power and all the powers of The Dark Gundam, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone and he also sucked out all the energy remaining in her soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Erase Card and Lincoln absorbed the clone of Devil Gundam Omega

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: (Two girls' voices) Aw, we missed out on the fight.

Then, we saw two girls appear: one was a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long yellow hair, blue eyes, massive yellow angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, yellow sleeveless strapless top, yellow skirt with Gem-Knight Tourmaline, white bridal gloves, yellow knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Tourmaline, and she has a light greatsword.

And the other was a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive yellow angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, blue skirt with Gem-Knight Zirconia, white bridal gloves, yellow knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Zirconia, she has a light greatsword, and with them are the fifteen girls.

Lincoln: (GASPS) Teresa Tourmaline, Avatar and Gene-Slammer of Gem-Knight Tourmaline and Zarya Zirconia, Avatar and Gene-Slammer of Gem-Knight Zirconia.

Zarya Zirconia: That's right, and we got them away from the clone of Devil Gundam Omega and The Dark Erase Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Float Card when I sucked out its powers and absorbed the clones. (To Teresa Tourmaline and Zarya Zirconia) And it's so good to see you again, Teresa and Zarya.

Teresa Tourmaline: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Teresa Tourmaline and Zarya Zirconia had their hands on Lincoln's massive hairy pecs, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Teresa Tourmaline and Zarya Zirconia were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Teresa Tourmaline and Zarya Zirconia: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Teresa Tourmaline and Zarya Zirconia's waists and hugged them, and Teresa Tourmaline and Zarya Zirconia were very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Teresa Tourmaline: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 50'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new.

Zarya Zirconia: (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, the first girl isTeresa Tourmaline, Avatar and Gene-Slammer of Gem-Knight Tourmaline, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals. She's known as The Tourmaline Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Teresa Tourmaline came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Teresa's parents and her little sister, Tanya, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Eman Reynolds: And the second girl is Zarya Zirconia, Avatar and Gene-Slammer of Gem-Knight Zirconia, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of zircon gems and crystals. Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.
